The Uskoks of Senj Catherine Wendy Bracewell,2015-12-18 In this highly original and influential book, Catherine Wendy Bracewell reconstructs and analyzes the tumultuous history of the uskoks of Senj, the martial bands nominally under the control of the Habsburg Military Frontier in Croatia, who between the 1530s and the 1620s developed a community based on raiding the Ottoman hinterland, Venetian possessions in Dalmatia, and shipping on the Adriatic. Drawing on a broad range of sources, including the archives of the Dalmatian communes under Venetian rule and military frontier records, Bracewell provides the first comprehensive analysis of the uskoks as a social phenomenon, examining their origins, their military and social organization, their plunder economy, their mental world, and their relations with other groups in this borderland between three empires. The uskoks lived on the Christian-Muslim frontier, and they invoked Europe's struggle against Islam to justify their often bloody deeds. As Bracewell demonstrates, however, their actions were also shaped by the maze of local political and economic rivalries, social conflicts, and confessional antagonisms. In a book that tests the concept of the social bandit, the author analyzes the motives that guided the uskoks and distinguishes these from the factors that impelled various elements of the local population to support them.

Beyond Christian Hip Hop Erika D. Gault,Travis Harris,2019-11-18 Christians and Christianity have been central to Hip Hop since its inception. This book explores the intersection of Christians and Hip Hop and the multiple outcomes of this intersection. It lays out the ways in which Christians and Hip Hop overlap and diverge. The intersection of Christians and Hip Hop brings together African diasporic cultures, lives, memories and worldviews. Moving beyond the focus on rappers and so-called Christian Hip Hop, each chapter explores three major themes of the book: identifying Hip Hop, irreconcilable Christianity, and boundaries. There is a self-identified Christian Hip Hop (CHH) community that has received some scholarly attention. At the same time, scholars have analyzed Christianity and Hip Hop without focusing on the self-identified community. This book brings these various conversations together and show, through these three themes, the complexities of the intersection of Christians and Hip Hop. Hip Hop is more than rap music, it is an African diasporic phenomenon. These three themes elucidate the many characteristics of the intersection between Christians and Hip Hop and our reasoning for going beyond Christian Hip Hop. This collection is a multi-faceted view of how religious belief plays a role in Hip Hoppas' lives and community. It will, therefore, be of great interest to scholars of Religion and Hip Hop, Hip Hop, African Diasporas, Religion and the Arts, Religion and Race and Black Theology as well as Religious Studies more generally.

The Grim Reader Miffie Seideman,2024-01-16 Many authors draw from headlines or movies rather than personal experience to write drug-related scenes, and the result may be more fiction than fact. So, how can you craft a convincing scene involving accidental use of fentanyl-tainted pot or a murder attempt with grandma's pain pills? A much-needed resource, The Grim Reader details how to write medical scenarios that result in realistic page-turners. As drug inaccuracies multiply in screenplays, scripts, novels, and audio plays, Dr. Miffie Seideman, Pharm.D. provides writers (and editors) with the background and authenticity necessary to develop plausible plotlines, including: • Pertinent drug facts, tips, and symptoms • Symptom timelines • Tips for developing historically accurate scenes • Common street drug names and slang • Sample scenarios to demonstrate how to weave the information into a believable scene • Writing prompts to provide scene starters and offer practice Combining Seideman's pharmacology knowledge with her love for creative writing, The Grim Reader is the ultimate guide to help authors craft accurate drug scenes and avoid medical mistakes.

The Materiality of Divine Agency Beate Pongratz-Leisten,Karen Sonik,2015-10-16 Two topics of current critical interest, agency and materiality, are here explored in the context of their intersection with the divine. Specific case studies, emphasizing the ancient Near East but including treatments also of the European Middle Ages and ancient Greece, elucidate the nature and implications of this intersection: What is the relationship between the divine and the particular matter or physical form in which it is materially represented or mentally visualized? How do sacral or divine things act, and what is the source and nature of their agency? How might we productively define and think about anthropomorphism in relation to the divine? What is the relationship between the mental and the material image, and between the categories of object and image, image and likeness, and likeness and representation? Drawing on a broad range of written and pictorial sources, this volume is a novel contribution to the contemporary discourse on the functioning and communicative potential of the material and materialized divine as it is developing in the fields of anthropology, art history, and the history and cognitive science of religion.

Open Doors: The Complete Series Vinni George, Open Doors: The Complete Series is the entire Open Doors series in a convenient single-volume collection. This box set includes: Hold the Door—a second chance, friends to lovers romance—is the first full-length novel in the Open Doors series, featuring Sam Addison—a corporate accountant who's uptight unless he's on the beach, Max Martino—a globetrotting travel photographer who never realized he wanted to settle down, bad decisions made over spiked fruit punch, and surfing lessons that often lead to more. Door Number Two—a Cinderella story (with a misplaced Captain America shield instead of a shoe)—is story 1.5 in the Open Doors series, featuring Corbin Fisher—a magazine layout designer who's lost his groove, Ryan Corrigan—a former naval officer who just got out of the military, mistaken identity, Halloween party shenanigans, and a meddling sister. It can be read as a standalone but is best enjoyed after Hold the Door and before Revolving Door. Revolving Door—an enemies to lovers, hurt/comfort romance—is the second full-length novel in the Open Doors series, featuring Fletcher Morgan—a slightly surly silver fox surf shop owner who refuses to fall in love again, Archer Waverly—a (mostly) reformed flirt who has never been in love but who's had a revolving door of men in his life, and a fabulous aging drag queen who has a penchant for platforms. Doors Open on the Left—a strangers on a train, secret identity romance—is story 2.5 in the Open Doors series featuring, Dr. Brooks Bruno—a jaded English literature professor with a secret identity, Henry Miller—a bookstore owner who loves romance novels, and a human shop cat. It can be read as a standalone but is best enjoyed after Revolving Door and before A Foot in the Door. A Foot in the Door—a teacher student, forced proximity romance—is the third full-length novel in the Open Doors series, featuring Dr. Beckett James—a rock star statistics professor who makes a mean curry, Tanner Brown—a ginger-haired graduate student with a bright future, and an offer neither can refuse. Revolving Door: An Enemies to Lovers Romance Vinni George, The grump... Fletcher Morgan doesn't like a single thing about Archer Waverly—not his pretty face, his wicked wit, or his perfect body. He especially hates the way Archer flirts with anyone and everyone. Everything about Archer reminds Fletcher of someone from his past he would much rather forget. The flirt... Archer thought Fletcher could be the silver fox of his dreams...until Fletcher opened his mouth and told Archer exactly how he felt about him. Now Archer is more than happy to rile Fletcher up and accept the consequences. Sparks fly every time they see each other proving hate is as potent as lust and enemies with benefits just might be hotter than friends with benefits. The fireworks... When an unfortunate incident involving Archer's aging drag queen housemate brings Archer and Fletcher together--in more ways than one--they realize there might be more to the other than meets the eye. Maybe there really is a thin line between love and hate. Revolving Door is the second full-length novel in the Open Doors series featuring a surly silver fox surf shop owner who refuses to fall in love again, a (mostly) reformed flirt who has never been in love, and a fabulous aging drag queen who has a penchant for platforms and matchmaking.
