Justin Case Rachel Vail,2010-04-27 It's the start of the school year, and nothing feels right to Justin. He didn't get the teacher he wanted, he's not in the same class as his best friend, and his little sister, Elizabeth, is starting kindergarten at his school. Elizabeth doesn't seem nervous at all. Justin is very nervous about third grade. And to top it off, he's lost his favorite stuffed animal, but he can't tell anyone, because technically he's too old to still have stuffed animals. Right? Here is third grade in all

its complicated glory—the friendships, the fears, and the advanced math. Acclaimed author Rachel Vail captures third grade with a perfect pitch, and Matthew Cordell's line art is both humorous and touching. As Justin bravely tries to step out of his shell, he will step into readers' hearts. Justin Case is a 2011 Bank Street - Best Children's Book of the Year.

Just In Case! Lose Your Heart, Not Your Mind: Smart Woman's Guide to Marriage and Self-Sufficiency (HC) Aliette Carolan, 2017-06-07 "In this practical guide, Aliette Carolan insightfully outlines the keys to a successful marriage and its dissolution. She paves the way for women, especially, to feel empowered in their life-choices which then allows them to make the best decisions for themselves and their family. This is a great guide for any woman who wants to be smart, empowered and conscious in the choices she makes in love, life and family." —Dr. Shefali Tsabary NYT Bestselling Author of *THE AWAKENED FAMILY* GIVE AWAY YOUR HEART, but don't lose your mind. Know the deal you're getting into. Know that self-preservation is the key to a happy marriage— and a happy divorce. We don't take a job expecting that we'll hate it and quit. We don't sign the lease on an apartment we'll be sick of in six months, and we don't enter into a relationship planning for the breakup. But the flip side is that we shouldn't expect any relationship we enter into will save us from the responsibility of being self-sufficient. No matter where you are in the process—dating, engaged, married, contemplating separation, and divorce—if you can realize why you have to put yourself first, you're halfway there. Whether you're in the rapturous throes of endless love or the first moments of stomach-churning awareness that your marriage is falling apart, this book is for you. It's for every woman who understands that self-preservation will not happen if you rely on someone else to save you. You need to maintain—or begin to establish— your personal independence and financial solvency if you want to be self-sufficient no matter what life throws at you. You can lean on someone, but you have to be able to stand on your own two feet at a moment's notice, and that's what this book is

about.

Just in Case You're Interested Benjamin Findley,2013-02 Ben always knew he wanted to go travelling since hearing the stories and exploits that his uncle experienced from his time travelling. However, he never thought about teaching English to get there. So with money for a plane ticket he moved to China to teach. When he started writing, it was only a way to communicate with family and friends to keep them up to date with his antics in a different culture, teaching and travelling. It turned into something much more, a way to document experiences both physical and emotional, from teaching in China to walking the Inca Trail in Peru. Without the extortionate price of living back home, he was able to save money so I could go to the places he's always wanted to go, to meet new and interesting people and to have an experience he would never forget.

This Song Is (Not) For You Laura Nowlin,2016-01-05 Ramona fell for Sam the moment she met him. It was like she had known him forever. He's one of the few constants in her life, and their friendship is just too important to risk for a kiss. Though she really wants to kiss him... Sam loves Ramona, but he would never expect her to feel the same way-she's too quirky and cool for someone like him. Still, they complement each other perfectly, both as best friends and as a band. Then they meet Tom. Tom makes music too, and he's the band's missing piece. The three quickly become inseparable. Except Ramona's falling in love with Tom. But she hasn't fallen out of love with Sam either. How can she be true to her feelings without breaking up the band? Educators and librarians looking for fast-moving, interesting plots, in-depth characters, and meaningful themes need to add this one to their shelves.-VOYA praise for If He Had Been with Me

Justin Case: Rules, Tools, and Maybe a Bully Rachel Vail,2014-05-06 Justin Case made it through third grade and summer camp in the previous two books. Now he's in fourth grade, and there's even more to worry about: friends, bullies, grades, tests—and did we say bullies? Once again, Rachel Vail and Matthew Cordell bring to life all the worries and triumphs of elementary school life, in diary form. Fans will relate to Justin and his adventures.

Just Harvest Greg Francis,2021-05-18 When a class-action lawsuit against the US government results in a billion dollar settlement for the aggrieved parties, you'd expect the story to be headline news . . .to be posted on social media everywhere . . . to be adapted to film or even to a popular legal procedural series on TV . . . So why then have so many people never heard of Pigford vs. Glickman? Or the follow-up lawsuit, Pigford II? Or the Black Farmers Case, as the pair of these legal actions is often called? Could it be that the heart-wrenching story of Black farmers in America, and the monumental legal case that brought long-sought justice to them, is rarely told because it reflects so

poorly on the US and its treatment of those whose ancestors helped make the nation an agricultural giant in the first place? Whatever the reason, the time to tell the full story has come and the person to share the gripping details is Greg Francis, one of the lead counsels in the historic case that finally helped Black farmers achieve equity. In *Just Harvest*, Francis narrates the dramatic twists and turns of the legal battle fought and won, and evidences the many years of ingrained discrimination and racism that preceded it. Awareness of this story makes us all witnesses to the history still unfolding— and while parts of what is recounted herein will enrage you, the hope is that this book will also inspire, inform, and motivate you to join the continuing fight for the rights of all Black farmers now and in the future.

Justin Case: Shells, Smells, and the Horrible Flip-Flops of Doom Rachel Vail, 2014-06-10 Justin is going to start fourth grade—but first, he has to survive the summer. He gets to go to camp every day on a bus. He gets to experience all sorts of new things: Bugs. Mess hall food. Flip-flops (they hurt the space between his toes and they're hard to walk in). And (gulp!) swimming. Justin's little sister, Elizabeth, seems to deal with camp just fine. So do his friends. Justin is trying very hard not to be a worried kid anymore, especially when it comes to making friends at camp, including a new kid who is kind of . . . rough. After all, Justin is going to be in fourth grade. It's time to be brave. Right?
