Just pick us, please! Mercer Mayer, 2019 When Little Critter learns about adopting a new pet, he gets a great idea! The Critterville School can host a pet fair with the local animal shelter. Will everyone find a new home?.

Pick Three Randi Zuckerberg, 2018-05-15 A New York Times bestseller! In this motivational handbook—both a business how-to and self-help guide—the New York Times bestselling author of *Dot Complicated* takes on the fallacy of the well-balanced life, arguing that the key to success is learning to be well-lopsided. Work. Sleep. Fitness. Family. Friends. Pick Three. In an increasingly demanding world, we’ve been told that we can do everything—maintain friendships, devote ourselves to work, spend time with family, stay fit, and get enough sleep. We just need to learn to balance it all. Randi Zuckerberg doesn’t believe in being well-balanced. We can’t do it all every day, she contends, and trying to do so only leaves us frustrated and feeling inadequate. But we can succeed if we Pick Three. Randi first introduced the concept of Pick Three in a tweet—The Entrepreneur’s Dilemma—that went viral. Now, in this book, she expands on her philosophy and inspires others to follow her lead. From entrepreneurs to professionals, busy parents to students, Randi can help everyone learn to reject the unrealistic burden of balance and enjoy success in their own lives—by picking the most important areas to focus on in any given day. This practical handbook includes stories from Randi’s career learning that there’s no such thing as a perfect balance—as well as insights and examples from other professionals at the top of the biggest businesses in Silicon Valley, new moms searching for permission to focus on family, and recent graduates convinced they should have it all under control, including Arianna Huffington, Reshma Saujani, Laurie Hernandez, and Brad Takei. We can’t have it all every day, and that’s okay, Randi reminds us. Pick Three is her much-needed guide to learning to embrace the well-lopsided life.

Just Pick It Already S. Knotz, 2020-02-21 Cool and gross! Composition Notebook with 110 Snot Covered Pages for the best Gag Gifts or Booger Enthusiast’s collection! And at the end of the day, if you've managed to gross out just one person while enjoying our Booger Books, job well done! Visit our Amazon Author page to see all sizes and covers available.

The Cheat Sheet Sarah Adams, 2021-08-17 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan's publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she's been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.

Power Systems Noam Chomsky,2013-01-08 Conducted from 2010 to 2012, this new collection of conversations explores the most immediate and urgent concerns, including the future of democracy in the Arab world, the implication of the Fukushima nuclear disaster and the breakdown of American mainstream political institutions. Original.

Just My Type Simon Garfield,2011-09-01 A hugely entertaining and revealing guide to the history of type that asks, What does your favorite font say about you? Fonts surround us every day, on street signs and buildings, on movie posters and books, and on just about every product we buy. But where do fonts come from, and why do we need so many? Who is responsible for the staid practicality of Times New Roman, the cool anonymity of Arial, or the irritating levity of Comic Sans (and the movement to ban it)? Typefaces are now 560 years old, but we barely knew their names until about twenty years ago when the pull-down font menus on our first computers made us all the gods of type. Beginning in the early days of Gutenberg and ending with the most adventurous digital fonts, Simon Garfield explores the rich history and subtle powers of type. He goes on to investigate a range of modern mysteries, including how Helvetica took over the world, what inspires the seeming ubiquitous use of Trajan on bad movie posters, and exactly why the all-type cover of Men are from Mars, Women are from Venus was so effective. It also examines why the T in the Beatles logo is longer than the other letters and how Gotham helped Barack Obama into the White House. A must-have book for the design conscious, Just My Type's cheeky irreverence will also charm everyone who loved Eats, Shoots & Leaves and Schott's Original Miscellany.

TransForm Jeff Haden,2015-04-07 TransForm is based on four years of advice from bestselling ghostwriter, leading Inc. Magazine columnist, and

LinkedIn Influencer Jeff Haden. It provides concrete, practical, real-world ways anyone can increase personal productivity, improve professional relationships, achieve goals, become a better leader, develop both personally and professionally... and become remarkable. You'll notice I didn't solicit a bunch of testimonials. Or have friends and family write reviews. What other people—even notable people—think about a book is interesting but ultimately irrelevant. All that matters is what you think... and I think you'll find at least five things you can start doing differently in less than fifteen minutes. The book is broken down into 10 sections: 1. Happiness 2. Goals 3. Success 4. Personal Development 5. Personal Productivity 6. Professional Relationships 7. Leadership 8. Praise 9. Entrepreneurship 10. Remarkable Want to improve your life? Want to be more successful and happier? You can. Starting today.

The Broken Places Susan Perabo, 2001-11-03 Susan Perabo's short-story collection, *Who I Was Supposed to Be*, was named a Best Book of 1999 by the Los Angeles Times, The Miami Herald, and the St. Louis Post-Dispatch. The Boston Globe proclaimed the debut a stunning introduction to a fresh new literary talent. Now Susan Perabo returns with *The Broken Places*, her eagerly anticipated novel about love and honor and how the aftermath of one terrifying night -- and one heroic act -- affects a close-knit family. Twelve-year-old Paul Tucker knows his family is something akin to royalty in small-town Casey, Pennsylvania. His father, Sonny, is a dedicated career fireman, in line for the position of chief, long held by Paul's late grandfather, a local legend whose heroics continue to occupy the hearts and minds of all who knew and worked with him. Paul's mother, Laura, is a math teacher at the high school; Paul is sometimes annoyed by her worries over him (and her apparent lack of worry over his father), but his life is generally untroubled, his future bright, his time measured by sport seasons. But on a windy October day, the collapse of an abandoned farmhouse forever alters the fates and perceptions of Paul, his family, and those closest to them. Sonny and the other Casey firemen attempt a dangerous rescue to reach a teenager buried under the rubble, and when Sonny himself is trapped by a secondary collapse, Paul, his mother, and the crowd of onlookers believe the worst. The wait is excruciating; it's baby Jessica all over again, but this time the innocent victim is sixteen-year-old Ian Finch, a swastika-tattooed hoodlum who may have brought the house down on himself while building bombs. Still, when Sonny emerges from the rubble hours later, the maimed teenager in his arms, the rescue becomes a minor miracle and a major public relations event, a validation of all things American and true. Sonny is immediately hailed as a national hero. And Paul's life is suddenly, and irrevocably, changed. Beyond the limelight, the parades, and the intrusion of the national media into

a quiet and predictable life, the Tucker household balance is upset. And Ian Finch's curious and continued involvement in Sonny's life creates a new and troubling set of hurdles for Paul to overcome. Somehow, though his father has been saved, he continues to slip through Paul's fingers. Secrets, lies, and changing alliances threaten Paul's relationship with his father and his mother and his understanding of what holds a family -- and a town -- together. The Broken Places is a brilliant meditation on the psychology of heroism, the definition of family, and the true meaning of honor. With pitch-perfect dialogue, subtle but stunning insights, and a dazzling ability to uncork the quiet power of each character, Susan Perabo's *The Broken Places* uncovers and celebrates the unsettling truths of human nature.

North to Prosperity Ollie T. Moya,2012-08-13 **North To Prosperity A Lake Murray Murder Mystery** Author Ollie T. Moya uses the osprey as symbol of the many levels of predation in the game of crime & punishment Matt Toliver, a real estate agent falls in love with lovely Krystal Love Loftis, a ravishing beauty and married housewife seeking a prospective family home in an upscale development on Lake Murray's shoreline. Toliver shows her a lake view of the property that interested her. As passion between them heats up to the boiling point, a bizarre and hideous turn of events start the slow unstoppable spiral into tension, violence, and tautly-drawn drama in Ollie T. Moya's *North To Prosperity*. This moving novel of tragic consequences resulting from a rash romance is peopled with predator and prey, hunters moving with nature that is ultimately a dance of violence and death. Near the novel's beginning, Toliver shows Krystal an osprey nest, and demonstrates how the sea eagle is the apex of the lake who will move north to Prosperity according to an internal compass. The direction that Toliver's life takes after the first engagement in accidental crime becomes the brutally fundamental drive for survival in the lakes' environs. Krystal and Toliver are discovered by a professional bass fisherman while making love. He breaks in on them and Toliver kills him. Krystal goes berserk and Toliver has no choice but to kill her. The first murder victim goes down into 150 feet of lake water; Krystal is buried in an abandoned house's well by Toliver. The novel is a fast-paced and thrillingly long-drawn engagement in the choices made by the many levels of predation involved in the game of crime and punishment. The author is a retired journalist, having been a sports editor, editor and publisher, and also is past president of the South Carolina Press Assn. (More information on author appears under the section, About The Author.)`
