

📖 **OPTIONS CHAIN** Amit Kumar Ghosh, Welcome to the world of options trading! If you are new to this field or looking to learn the basics of options trading, then this book is the perfect place to start. In this book, we will dive into the option chain and explore the fundamentals of options trading. The option chain is a critical tool in options trading, and it can be overwhelming at first glance. However, with this book, we will make it simple and easy to understand. We will cover the different components of the option chain, including strike price, expiration date, and option type, and how they impact the value of the option. But that's not all - this book is just the beginning. The second book in this series, which focuses on volatility spread, will take your options trading knowledge to the next level. Additionally, if you want to join a vibrant community of day traders, then look no further than Unofficed. Our website, unofficed.com, is home to an active and supportive group of traders who share their insights, strategies, and experiences with each other. We aim to help traders become more successful and confident in their trading journeys. So, whether you're a beginner or an experienced trader looking to brush up on the basics, this book is the perfect starting point. Let's jump into the world of options trading together!

📖 **PLATFORM BUSINESS MODELS** R. Srinivasan, 2021-06-13 This book introduces platform firms as unique business models. Leveraging on the early literature on network economics and strategy frameworks, this book explores how platform business firms evolve in the modern business world. Taking a strategic perspective, this book engages the reader with core concepts, case studies, and frameworks for analyzing platform business firms. This book differentiates platform business firms from traditional pipeline firms; explores engagement with different actors, value creation, and operations of platforms; elucidates resources and capabilities of platform firms that provide them sustained competitive advantage; analyzes performance levers in operating platform business models, including complementarities with other business models; and discusses the sustainability of platform business models, in the face of regulatory and societal challenges, among others. The book is designed as a primer for entrepreneurs setting up and operating platform business firms, senior managers in large corporations repurposing their resources to initiate network dynamics in their businesses, early career managers, and professionals engaging with myriad platform firms for their professional and personal needs. This book intends to provide a decision-maker with a portfolio of decisions to make to create, operate, sustain, and generate value out of a platform business firm. It is also useful for policy professionals to appreciate the economics and policy implications of regulating and governing platforms in a post-digital world.

📖 **MANAGING START-UPS FOR SUCCESS** Rajat Kanti Baisya, 2021-07-05 World economics and the industrial environment has recently created a fertile ground for the creation of new enterprises and start-ups. This book skilfully identifies the challenges of building a new business venture from an idea to a marketable product. It highlights • Robust methods for keeping up with innovation; • Designing new ways to grow, improve and market your product; and • Managing the changes in the business environment, market dynamics and other uncertainties. The volume is rich with examples and case studies of many small and large businesses. It further reflects on the business and entrepreneurship ecosystem, the challenges and opportunities in India, entrepreneurship and women, e-commerce, the new generation of entrepreneurs, and exit strategies for entrepreneurs. An essential guide for entrepreneurs and professionals working in business management and marketing communications, as well as scholars of business administration and financial sciences, this book by an industry expert offers many new and practiced approaches, examples and lessons for innovative thinking and breaking new ground in business.

📖 **STARTUP ASIA** Rebecca A. Fannin, 2011-10-25 Showing how entrepreneurs and investors can start up in Asia and go global, the book provides a first-hand, on-the-ground tour of the new technology centers that are gaining momentum all over Asia. 📖 **THE ENTREPRENEUR'S CHOICE** C. Gopalkrishnan, 2016-04-08 Micro, small and medium enterprises (MSMEs) are integral to the economic policy framework of India, and promote innovation, competition and equitable economic development. Comprehensively examining the management of family businesses among MSMEs, this book: • discusses business strategy, corporate and personal values, vision, mission, stakeholder expectations, and strategic response to external factors along with their social and environmental orientation; • includes 22 case studies drawn from varied sectors such as pharmaceuticals, food processing, engineering, and blood banking; • documents rich experiences of Indian entrepreneurs and their unique entrepreneurial approaches towards management of social enterprises, loss-making firms in the public sector, corporate social responsibility, succession planning, and innovation. The book will prove essential to students and scholars of business, entrepreneurship and management, and entrepreneurs and managers working in MSMEs, especially young entrepreneurs as well as the general reader.

📖 **PLATFORM REVOLUTION: HOW NETWORKED MARKETS ARE TRANSFORMING THE ECONOMY AND HOW TO MAKE THEM WORK FOR YOU** Geoffrey G. Parker, Marshall W. Van Alstyne, Sangeet Paul Choudary, 2016-03-28 A practical guide to the new economy that is transforming the way we live, work, and play. Uber. Airbnb. Amazon. Apple. PayPal. All of these companies disrupted their markets when they launched. Today they are industry leaders. What's the secret to their success? These cutting-edge businesses are built on platforms: two-sided markets that are revolutionizing the way we do business. Written by three of the most sought-after experts on platform businesses, Platform Revolution is the first authoritative, fact-based book on platform models. Whether platforms are connecting sellers and buyers, hosts and visitors, or drivers with people who need a ride, Geoffrey G. Parker, Marshall W. Van Alstyne, and Sangeet Paul Choudary reveal the what, how, and why of this revolution and provide the first "owner's manual" for creating a successful platform business. Platform Revolution teaches newcomers how to start and run a successful platform business, explaining ways to identify prime markets and monetize networks. Addressing current business leaders, the authors reveal strategies behind some of today's up-and-coming platforms, such as Tinder and SkillShare, and explain how traditional companies can adapt in a changing marketplace. The authors also cover essential issues concerning security, regulation, and consumer trust, while examining markets that may be ripe for a platform revolution, including healthcare, education, and energy. As digital networks increase in ubiquity, businesses that do a better job of harnessing the power of the platform will win. An indispensable guide, Platform Revolution charts out the brilliant future of platforms and reveals how they will irrevocably alter the lives and careers of millions.
