Elizabeth Rahilly

Viral Cultures Marika Cifor, 2022-06-07 Delves deep into the archives that keep the history and work of AIDS activism alive. Serving as a vital supplement to the existing scholarship on AIDS activism of the 1980s and 1990s, *Viral Cultures* is the first book to critically examine the archives that have helped preserve and create the legacy of those radical activities. Marika Cifor charts the efforts activists, archivists, and curators have made to document the work of AIDS activism in the United States and the infrastructure developed to maintain it, safeguarding the material for future generations to remember these social movements and to revitalize the epidemic's past in order to remake the present and future of AIDS. Drawing on large institutional archives such as the New York Public Library, as well as those developed by small, community-based organizations, this work of archival ethnography details how contemporary activists, artists, and curators use these records to build on the cultural legacy of AIDS activism to challenge the conditions of injustice that continue to undergird current AIDS crises. Cifor analyzes the various power structures through which these archives are mediated, demonstrating how ideology shapes the nature of archival material and how it is accessed and used. Positioning vital nostalgia as both a critical faculty and a generative practice, this book explores the act of saving this activist past and reanimating it in the digital age. While many books, popular films, and major exhibitions have contributed to a necessary awareness of HIV and AIDS activism, *Viral Cultures* provides a crucial missing link by highlighting the powerful role of archives in making those cultural moments possible.

Justin Bieber Ally Azzarelli, 2013-02 Author Ally Azzarelli explores Justin Bieber's hometown, his road to fame—from a busker on the streets to videos on YouTube—and the overnight sensation that he's become. Discover how he keeps in contact with fans, gives back, and how he stays down-to-earth. This fun-to-read book for reluctant readers offers juicy quotes, personal stories, and accessible features such as a timeline and glossary.

Internet Children's Television Series, 1997–2015 Vincent Terrace, 2016-12-16 Created around the world and available only on the web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and

puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

Focus On: 100 Most Popular American Dance Musicians Wikipedia contributors,

Fantasy Life Matthew Berry, 2014-07-01 Includes new chapters with small, easy-to-understand words. Bestselling words! Fantasy football, fantasy baseball, fantasy basketball, even fantasy sumo wrestling: the world of fantasy sports is huge, and still growing. Today, more than 35 million people in the United States and Canada spend hours upon hours each week on their fantasy sports teams. And as the Senior Fantasy Sports Analyst for ESPN, Matthew Berry is on the front lines of what has grown from a niche subculture into a national pastime. In his New York Times-bestselling *Fantasy Life*, Berry celebrates every aspect of the fantasy sports world. Brilliant trash talk. Unbelievable trophies. Insane draft day locations. Shake-your-head-in-disbelief punishments. Ingenious attempts at cheating. And surprisingly uplifting stories that remind us why we play these games in the first place. Written with the same award-winning style that has made Berry one of the most popular columnists on ESPN.com, *Fantasy Life* is a book for both hard-core fantasy players and people who have never played before. Between tales of love and hate, birth and death, tattoos and furry animal costumes, the White House Situation Room and a 126-pound golden pelican, Matthew chronicles his journey from a fourteen-year-old fantasy player to the face of fantasy sports for the largest sports media company in the world. Fantasy will save your life. Fantasy will set you free. And fantasy life is most definitely better than real life. You'll see.

The Culture Map (INTL ED) Erin Meyer, 2016-01-05 An international business expert helps you understand and navigate cultural differences in this insightful and practical guide, perfect for both your work and personal life. Americans precede anything negative with three nice comments; French, Dutch, Israelis, and Germans get straight to the point; Latin Americans and Asians are steeped in hierarchy; Scandinavians think the best boss is just one of the crowd. It's no surprise that when they try and talk to each other, chaos breaks out. In *The Culture Map*, INSEAD professor Erin Meyer is your guide through this subtle, sometimes treacherous terrain in which people from starkly different backgrounds are expected to work harmoniously together. She provides a field-tested model for decoding how cultural differences impact international business, and combines a smart analytical framework with practical, actionable advice.

Trans-Affirmative Parenting Elizabeth Rahilly, 2020-07-07 First-hand accounts of how parents support their transgender children There is a new generation of parents and families who are identifying, supporting, and raising transgender children. In *Trans-Affirmative Parenting*, Elizabeth

Rahilly presents their fascinating stories, interviewing parents of children who identify across the gender spectrum, as well as the doctors, mental health practitioners, educators, and advocates who support their journeys. Rahilly provides a window into parents' experiences, exploring how they come to terms with new ideas about gender, sexuality, identity, and the body, as well as examining their complex deliberations about nonbinary possibilities and medical interventions. Ultimately, Rahilly compassionately shows how parents can best advocate for transgender awareness and move beyond traditional gendered expectations. She also shows that child-centered, child-driven parenting is as central to this new trans-affirmative paradigm as growing LGBTQ awareness. In an era that is increasingly trans-aware, Trans-Affirmative Parenting offers provocative new insights into transgender children and the parents who raise them.

Billboard ,2010-04-03 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Risk Elle Kennedy,2019-02-18 Everyone says I'm a bad girl. They're only partly right—I don't let fear rule me, and I certainly don't care what people think. But I draw the line at sleeping with the enemy. As the daughter of Briar's head hockey coach, I'd be vilified if I hooked up with a player from a rival team. And that's who Jake Connelly is. Harvard's star forward is arrogant, annoying, and too attractive for his own good. But fate is cruel—I require his help to secure a much-coveted internship, and the sexy jerk isn't making it easy for me. I need Connelly to be my fake boyfriend. For every fake date...he wants a real one. Which means this bad girl is in big trouble. Nothing good can come from sneaking around with Jake Connelly. My father would kill me, my friends will revolt, and my post-college career is on the line. But while it's getting harder and harder to resist Jake's oozing sex appeal and cocky grin, I refuse to fall for him. That's the one risk I'm not willing to take. The Briar U Series of Standalone Novels The Chase (Briar U Book 1) The Risk (Briar U Book 2) The Play (Briar U Book 3) The Off-Campus Series of Standalone Novels The Deal (Off-Campus Book 1) The Mistake (Off-Campus Book 2) The Score (Off-Campus Book 3) The Goal (Off-Campus Book 4)

Petersham Nurseries The Bogleone Family,2021-05-31 Lying nine miles or so southwest of London between Richmond and Ham, Petersham is a place apart. There's no high street as such and, though there are a good number of historic houses and a charming, if somewhat hidden, 18th century village lock-up, none are open to the public. By car, it would be easy to miss it entirely . . . This is Petersham

Nurseries and this is its story. Over 20 years ago, Francesco and Gael Boglione decided to buy Petersham Nurseries, a small plant nursery behind their home, never thinking that it would go on to shape their lives in the most joyful and extraordinary ways. This book charts that journey, incorporating stories of the couple's pasts—from Francesco's travels in Afghanistan, India and Nepal to Gael's career as a model—and illuminating how the nurseries developed in line with their commitment to nature, integrity and family. Combining the story of the Boglione family in their own words with stunning color photographs, archive photography, sketches of the changing seasons, recipes and styling tips, this is an evocative and inspiring portrait of one of the most unique businesses in the UK today.

Fashion & Music Jochen Strähle, 2017-08-10 This book will broaden readers' understanding of the links between the music and fashion industries. It highlights the challenges currently facing the fashion industry in terms of hyper-competition, definition of ever-faster trends, changing consumer demands etc. In fact, the fashion industry is heavily influenced by the digital revolution in the music industry, which has changed the face of individual music consumption and social reference, and therefore, also has impacts on fashion consumption and social reference. This understanding is crucial in order to realign any fashion company's strategies to the demands of modern fashion consumers. In terms of content, the book first discusses the social perspective of fashion and music. This includes an analysis of music as a key influencer of fashion trends, both theoretically and on the basis of a case study on grunge music. Then the role of music in the fashion business is addressed, and covers in-store music and the role of music in fashion communication. Following up, the role of fashion in the music business is analyzed. This includes the trend of co-design of fashion collections, music artists' role of differentiation by style, and the market for music fashion merchandise articles (both theoretically and drawing on a case study). In closing, potential lessons learned from the music industry are developed for the fashion industry. This includes an analysis of the digital revolution and the advent of the crowdfunding idea (both theoretically and in a case study).

Cambridge International AS Level English General Paper Coursebook Jill Pavich, 2018-03-29 The only endorsed resources for the Cambridge International AS Level English General Paper syllabus (8021). Through exploration of a wide array of topics, from celebrity culture to poetry in the modern world, this book focuses on strengthening communication, evaluation, analysis, application and understanding skills. Helping students improve their written responses, use of English and comprehension, this coursebook looks at discussion points relevant to the globally-minded classroom. With frequent practice questions and sample answers, students have plenty of opportunities to build

their confidence answering questions. Answers to coursebook questions are in the teacher's resource.

Nice Is Just a Place in France Betches,2013-03-12 LOOK, MAYBE YOU'RE A NICE GIRL, but we're guessing you're more like us or you probably wouldn't have picked up this book. Not that we have a problem with girls who are nice people. But being nice is just not the way to get what you want. And this book is about getting what you want. Not in like a finding happiness, giving back to the world, being grateful for what you have sort of way. But in a ruling your world, being the most desired, powerful badass in the room way, so you can come out on top of any situation: guys, career, friends, enemies, whatever. How does a betch make that happen? Here are some highlights: DON'T BE EASY. DON'T BE POOR. DON'T BE UGLY. We didn't come up with these life lessons. We're just the ones who wrote it all down. This is not self-help. Self-help is for fat people and divorcées. This is how to deal with your problems when you have no problems. You're welcome.

We Need New Names NoViolet Bulawayo,2013-05-21 Finalist for the Booker Prize: the deeply felt and fiercely written story of a young girl's journey out of Zimbabwe and to America (New York Times Book Review), from the author of *Glory*. Darling is only ten years old, and yet she must navigate a fragile and violent world. In Zimbabwe, Darling and her friends steal guavas, try to get the baby out of young Chipso's belly, and grasp at memories of Before. Before their homes were destroyed by paramilitary policemen, before the school closed, before the fathers left for dangerous jobs abroad. But Darling has a chance to escape: she has an aunt in America. She travels to this new land in search of America's famous abundance only to find that her options as an immigrant are perilously few. NoViolet Bulawayo's debut calls to mind the great storytellers of displacement and arrival who have come before her — from Junot Diaz to Zadie Smith to J.M. Coetzee — while she tells a vivid, raw story all her own. Original, witty, and devastating. —People

Wall Street and the Financial Crisis: Anatomy of a Financial Collapse ,2011

Introduction to Sociology 3e Tonja R. Conerly,Kathleen Holmes,Asha Lal Tamang,2021-06-04 Introduction to Sociology 3e aligns to the topics and objectives of many introductory sociology courses. It is arranged in a manner that provides foundational sociological theories and contexts, then progresses through various aspects of human and societal interactions. The new edition is focused on driving meaningful and memorable learning experiences related to critical thinking about society and culture. The text includes comprehensive coverage of core concepts, discussions and data relevant to a diverse audience, and features that draw learners into the discipline in powerful and personal ways. Overall, Introduction to Sociology 3e aims to center the course and discipline as crucial elements for

understanding relationships, society, and civic engagement; the authors seek to lay the foundation for students to apply what they learn throughout their lives and careers.

Someone Please Have Sex with Me Gina Wynbrandt, 2016 *Someone Please Have Sex With Me* is a refreshing and wry look at sexual frustration from our young heroine and author. From failed erotic photoshoots and late-onset teen popstar obsessions to fairy Kardashians and Pokémon-inspired future-sex, Wynbrandt isn't one to hold back. SPHSWM finds its footing at the surreal and hilarious juncture between autobiography and fantasy.

Pantomime Karl Toepfer, 2019-08-19 This book offers perhaps the most comprehensive history of pantomime ever written. No other book so thoroughly examines the varieties of pantomimic performance from the early Roman Empire, when the term “pantomime” came into use, until the present. After thoroughly examining the complexities and startlingly imaginative performance strategies of Roman pantomime, the author identifies the peculiar political circumstances that revived and shaped pantomime in France and Austria in the eighteenth century, leading to the Pierrot obsession in the nineteenth century. Modernist aesthetics awakened a huge, highly diverse fascination with pantomime. The book explores an extraordinary variety of modernist and postmodern approaches to pantomime in Germany, Austria, France, numerous countries of Eastern Europe, Russia, Scandinavia, Spain, Belgium, The Netherlands, Chile, England, and The United States. Making use of many performance and historical documents never before included in pantomime histories, the book also discusses pantomime's messy relation to dance, its peculiar uses of music, its “modernization” through silent film aesthetics, and the extent to which writers, performers, or directors are “authors” of pantomimes. Just as importantly, the book explains why, more than any other performance medium, pantomime allows the spectator to see the body as the agent of narrative action.

Fabricating the Absolute Fake Jaap Kooijman, 2008 A fascinating exploration of how global cultures struggle to create their own America within a post-9/11 media culture, *Fabricating the Absolute Fake* reflects on what it might mean to truly take part in American pop culture.

The Why of the Buy Patricia Mink Rath, Stefani Bay, Penny Gill, Richard Petrizzi, 2014-10-27 How do consumers decide what to buy for their wardrobes and their homes? What drives them to choose one brand over another? This current textbook tells all about how consumer behavior theory and practice is applied in the fashion industry. The second edition of *Why of the Buy: Consumer Behavior and Fashion Marketing* updates its presentation of how psychology, sociology, and culture influences consumers' fashion purchase decisions-and ultimately impacts the success of global fashion

enterprises. The unifying element of this text is its presentation of current knowledge of consumer behavior applied to the fields of fashion and design in an enthusiastic and relevant way that will attract and engage students. New to this Edition ~ New Chapter 11, Social Media and the Fashion Consumer, explores how the relationship between marketers, retailers, and consumers is aided by social media and the internet ~ Added discussion of Omnichannel retailing in Chapter 13 ~ Expanded and updated coverage of technology, ethics, and social responsibility ~ What Do I Need to Know About ...? list the objectives of each chapter and provide a roadmap for study ~ More than 20% new photos all in full color Chapter Features ~ Let's Talk features throughout each chapter encourage students to relate the topic to their experiences and observations ~ Case in Point and Point of View box features in each chapter offer real life case studies or current viewpoints on relevant consumer behavior and marketing topics ~ Chapter mini-projects offer an opportunity to apply chapter concepts to realistic fashion settings ~ Summaries, Key Terms, Questions for Review and Activities
