The New Southern Style Alyssa Rosenheck,2020-09-22 A vibrantly illustrated exploration of the creative, inclusive, and inspiring movement happening in today's Southern interior design The American South is a place steeped in history and tradition. We think of sweet tea, thick drawls, and even thicker summer air. It is also a place with a fraught history, complicated social norms, and dated perspectives. Yet among the makers and artists of the South, there is a powerful movement afoot. Alyssa Rosenheck shines a much-needed spotlight on a burgeoning community of people who are taking what's beloved, inherent, and honored in the South and making it their own. The New Southern Style tours more than 30 homes and includes interviews with the designers, artists, and creative entrepreneurs who are reinventing Southern design and culture. This beautifully illustrated book is sure to inspire the home and soul.

Dirty Little Secrets of the Record Business Hank Bordowitz,2007 For disgruntled music fans wondering why music played on the radio is not only worse now than in the past but also not nearly as revelatory as it once was, this book presents a detailed discussion of how the record business fouled its own livelihood. This insightful dissection covers numerous aspects of the industry's failures and shortcomings, including why stockholders play an important role, how radio went from an art to a science and what was lost in that change, how the record companies alienated their core audience, why file sharing might not be the bogeyman that the record industry would have people think, technology's effects on what and how music is heard, and dozens of other reasons that add up to the record industry's current financial and artistic woes. With eye-opening observations culled from extensive interviews, this expose offers insights into how this multi-billion-dollar industry is run and why it's losing so much money.

Introduction to Film Nick Lacey,2016-04-28 This core textbook offers a concise yet complete introduction to film, responding to shifts in the medium while addressing all of the main approaches that inform film studies. The rise of on demand internet-based video has transformed the way films are distributed and exhibited, with many previously unobtainable and obscure films becoming available for global audiences to view instantly. Interweaving historical and current theoretical approaches, Nick Lacey presents a tightly-focused and coherent overview of a discipline in transition, which can be read 'cover to cover' or in distinct chapters. With its original narrative line and student-oriented philosophy, the text greatly enriches student's appreciation of cinema, while equipping them with the essential skills and vocabulary to succeed in film studies. This is an ideal foundational text for all lecturers, undergraduate or A-level students of film and cinema studies, as well as enthusiasts of film and cinema looking for a comprehensive guide. New to this Edition: - Content reflecting the increasing importance of production contexts, in chapters focusing exclusively on the film business, distribution and exhibition - A more detailed chapter on representation and greater emphasis on audience - Updated content

addressing the significance of transnational cinema, drawing on a more global, non-Hollywood range of film examples and case studies from Europe, Asia and Latin America - Text is broken up by a wider variety of film stills, representing world cinema from the classics to the latest in contemporary cinema
