The Playwrights' Kaleidoscope Milton Ferreira Verderi, Wesley L. Crane, 2012-06-04 Free from the restraints of the structure, convention, and assumptions of realistic drama, these works show us characters with complex proven identities. Theatre in these works is not a slick metaphor for illusion. A theater is the mirror of role-playing and stereotyping gay men experience everyday. It reflects in complex and multinucleate identities of people who have created their affirming persona. These plays can not solve the problems of heterosexism or AIDS, but it can offer a liberating vision of what it means to be gay. The works and story line is what the playwright wishes to convey on the audience as a whole by helping to cause the audience or reader to be moved with thought provoking means to stir the mind to think about this side of life. Wesley L. Crane WE ARE ARTISTS IN A VERGE OF A MADCAP WITH ARTS IN GENERAL Milton Ferreira Verderi Any placetwo people...one speaks, one listens This is theatre at its most essential, whither gathered around a campfire to tell stories century ago or gathered around the electric light of the most modern play house, it is theatre is all its form and beauty.

The A.D.D. Nutrition Solution Marcia Zimmerman, C.N., 1999-06-07 The first scientifically proven, effective, all-natural nutritional alternative to the much-prescribed drug Ritalin Attention Deficit Disorder is a nutritional deficiency, not a psychological condition. This is the revolutionary discovery Marcia Zimmerman made during her ten years of research as a nutritional biochemist. That conclusion led her to develop a diet that addresses the specific needs of the 17 million adults and children suffering from ADD. Her easy-to-follow thirty-day plan has been proven just as effective as Ritalin in relieving the symptoms of ADD. Learn: - How women should boost their nutrition before conception to prevent ADD in their children. - Why boys are much likelier to be tagged as ADD than girls - How to get a reliable ADD diagnosis - The effects of brain allergies on attention span - Foods to avoid that may exacerbate ADD - The dangers of artificial food ingredients - and much more This important book will help us curb the epidemic growth of ADD in this country and change the way we treat those who have it now by addressing its source instead of merely treating its symptoms. This book is must reading for every parent, physician, teacher and school nurse who deals with ADD and AD/HD children. ADD is not caused by a deficiency of Ritalin. Marcia Zimmerman's The A.D.D. Nutrition Solution is right on target! -- Bernard Rimland, Ph.D., director of the Autism Research Institute, San Diego

Kaleidoscope Josephine Chadwick, 2018-07-12 *Kaleidoscope: Selected Poems* are sketches of people and places that have left a deep impression with author Josephine Chadwick. Her poetry collection was written over the last twenty-five years, and most of the 24 poems each fit on less than a page. "I worked in a government employment exchange from leaving school to getting married, and have always lived in the North of England. I moved from Manchester to Sheffield, when I married a steelworker. "We brought up six children and I have always been happy as a homemaker and mother. I live very happily in a garden suburb on the border of a national park. I like music and books and the theatre. "My late husband and I used to go rambling, but I can't walk far now. This is my first book and my last!" *Breaking Free* Came an exotic bird to my quiet bower Asked: Is there anywhere you'd rather be? You could see birds of paradise, rare flowers Or explore coral reefs beneath the sea. I'll fly you anywhere ... say Mandalay Or sail around the timeless isles of Greece Revel in the excitement of Bombay Or in Tibet find spiritual peace. So! All the world to choose from – how surreal! *Kaleidoscopic*, spins your head round. I tried imagining how it would feel ... Someone like me who needs family around. Fear of the unknown led me to refuse And restless now I sit bemused.
