KAMA : The Story of the Kama Sutra Misra, Jaya ,2018-05-05 Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the Kama Sutra, the ultimate treatise on love and the art of lovemaking? Kama is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the Kama Sutra reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, Kama is the story of a catastrophic day in a writer-artist's life that sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, an erotic present and a cataclysmic future.

The Book of Love James McConnachie,2009-05-26 An “enticing . . . elegant and stylish” biography of the ancient Hindu manuscript that became the world’s most famous sex manual (The New York Review of Books) The Kamasutra is one of the world’s best-known yet least understood texts, its title instantly familiar but its contents widely misconstrued as a how-to guide of acrobatic sexual techniques. Yet the book began its life in third-century India as something quite different: a vision of a life of urbane sophistication, with advice on matters from friendship to household decoration. Celebrated, then neglected, the Kamasutra was very nearly lost—until an outrageous adventurer brought it to the West, earning literary immortality. In lively, lucid prose, James McConnachie provides a rare look at the exquisite civilization that produced this cultural cornerstone. He details the quest of explorer Richard Burton, who—with his coterie of libertines—unleashed the Kamasutra on Victorian society as a slap at its prudishness. And he describes the Kamasutra’s exile to the pornographic underground, until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight. The first work to tell the full story of the Kamasutra, *The Book of Love* explores how a way of looking at the world came to be cradled between book covers—and survived.

Sex Positions for Couples Monika Bielska,2020-10-17 If you are looking for an effective way for improving your sexual life, then keep reading... 2 in 1 Sex for the Couples and Sex Positions The evolution of sex since the beginning of our life thousands of years ago, sex has always been a crucial part of our relationship and experiences with pleasure, in addition to being an important contributor to our romantic needs. It is also the most practical method by which we usually bring forward future generations of our kind. The way, techniques and concepts regulating sexual contact

between the human race, however, have changed significantly over those thousands of years, and beyond our earlier comprehension. For instance, as recently as in the 1940s, it would have been offensive for a girl to publicly flirt a bikini or jean that reveals her butt's crease-line or even to wear a blouse that exposes much of her cleavage in public. Today, seeing a girl walking down the street displaying her thong panties above her hip line or revealing her butt's crease-line just above offset pants is no unusual sight. Similarly, it would have been humiliating a few decades ago to discuss one's sexual preferences openly or even to show one's pleasure in oral or anal sex. Each man and woman today treat oral, anal and other forms of sex as a natural item and appropriate for their mutual pleasure. Additionally, sexual positions and role handling in bed is also a must, as nowadays it is said to be effective in helping to give both partners the gratification needed that can lead to an orgasm or some form of sexual climax that satisfies each other. This book covers the following topics: Erotic games - The techniques of tantra massage for beginners - How to talk dirty in an erotic way - Getting in the mood - Rules of the game - Sexual fantasies - The importance of foreplay - Ways to make you last longer in bed - Why there's need for sex and the use of different sex positions in a relationship - Tantra - Kamasutra - Sex Games - Advice for Beginners - Sex Positions for Beginners - How to Discover Your Sexual Fantasies and Fetishes - Have Fun and Play Dirty - Spice up Your Locations - Beyond the Bedroom ...And much more All you need to do is click the buy button and start to memorize and apply it!

The Kama Sutra Vatsyayana,2019-04-23 The Kama Sutra is an ancient Indian Sanskrit text on sexuality, eroticism and emotional fulfillment in life. Attributed to Vātsyāyana, the Kama Sutra is neither exclusively nor predominantly a sex manual on sex positions, but written as a guide to the art-of-living well, the nature of love, finding a life partner, maintaining one's love life, and other aspects pertaining to pleasure-oriented faculties of human life. Kamasutra is the oldest surviving Hindu text on erotic love. It is a sutra-genre text with terse aphoristic verses that have survived into the modern era with different bhasya (exposition and commentaries). The text is a mix of prose and anustubh-meter poetry verses. The text acknowledges the Hindu concept of Purusharthas, and lists desire, sexuality, and emotional fulfillment as one of the proper goals of life. Its chapters discuss methods for courtship, training in the arts to be socially engaging, finding a partner, flirting, maintaining power in a married life, when and how to commit adultery, sexual positions, and other topics. The majority of the book is about the philosophy and theory of love, what triggers desire, what sustains it, and how and when it is good or bad. The text is one of many Indian texts on Kama Shastra. It is a much-translated work in Indian and non-Indian languages. The Kamasutra has influenced many secondary texts that followed after the 4th-century CE, as well as the Indian arts as exemplified by the pervasive presence Kama-related reliefs and sculpture in old Hindu temples. Of these, the Khajuraho in Madhya Pradesh is a UNESCO world heritage site. Among the surviving temples in north India, one in Rajasthan sculpts all the major chapters and sexual positions to illustrate the Kamasutra. According to Wendy Doniger, the Kamasutra became one of the most pirated books in English.

Sex is familiar to everyone and involves biomechanical and instinctive intercourse. Sex is more realistic and complex than what television and movies show. Sex is beautiful; every form of it. What good sex does to the body, soul, and mind is indescribable. It's not the same as a meal prepared with the same recipe, so you know what to expect. It is not like a hobby that constant repetition can easily lead to boredom. As much as we love sex and love having it, many people mystify it or make it seem like a bad thing. They talk about it in a hushed voice and when nobody is looking. Even when they talk about it, they do not like to admit that it is them that are involved in sex. It is always a friend or an acquaintance. With every partner, every position, and every location it is done, it varies. Even when you have sex repeatedly with the same partner, it is different each time, and you may not even know when to expect the next time. There is nothing wrong or to be ashamed of. When you embrace it, understand that it is beautiful, and meant to be embraced and enjoy, you will be expressive enough to explore and seek out ways to make your sex life better. Warning: Sex Stories is for adults only. Some dreams you would like to pursue include celebrity surgeons, paramedics, nurses, or someone in a glamorous dress.
