The Kama Sutra of Vatsyayana Vatsyayana,2021-08-29 The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. Kama which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and sutra literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

KAMA : The Story of the Kama Sutra Misra, Jaya ,2018-05-05 Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the Kama Sutra, the ultimate treatise on love and the art of lovemaking? Kama is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the Kama Sutra reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, Kama is the story of a catastrophic day in a writer-artist’s life that sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, an erotic present and a cataclysmic future.

Kama Sutra Sandhya Mulchandani,2014-03 The Kama Sutra is a two-thousand year old mystical treatise on sexuality read and revered for generations. This first ever collector s edition takes a contemporary look at the perennial classic and pairs the ancient text with vibrantly coloured and richly detailed illustrations. Rare miniatures, gouache and tantric paintings are published here for the first time. The beautifully produced book comes in a handcrafted box made of pure silk. The lavish packaging and sumptuous production of the book make it a remarkable keepsake.

Kama Sutra Manjusri Basu,2005-04 A modern treatment of an old and always-engrossing subject. The ancient treatise on sex is presented in a double pack - one for the women and another for the man. The book emphasizes the value of intimacy and shows how it can be nurtured to create a lasting bond between a man and a woman.

Kama Sutra Nitya Lacroix,2003 Quarto. Specially commissioned photos juxtaposed with original drawings, illustrate the sexual positions described in the world's most famous sex manual. Probably won't be on the shelf for long!

The Book of Love James McConnachie,2009-05-26 An “enticing . . . elegant and stylish” biography of the ancient Hindu manuscript that became the world’s most famous sex manual (The New York Review of Books) The Kamasutra is one of the world’s best-known yet least understood texts, its title instantly familiar but its contents widely misconstrued as a how-to guide of acrobatic sexual techniques. Yet the book began its life in third-century India as something quite different: a vision of a life of urbane sophistication, with advice on matters from friendship to household decoration. Celebrated, then neglected, the Kamasutra was very nearly lost—until an outrageous adventurer brought it to the West, earning literary immortality. In lively, lucid prose, James McConnachie provides a rare look at the exquisite civilization that produced this cultural cornerstone. He details the quest of explorer Richard Burton, who—with his coterie of libertines—unleashed the Kamasutra on Victorian society as a slap at its prudishness. And he describes the Kamasutra’s exile to the pornographic underground, until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight. The first work to tell the full story of the Kamasutra, The Book of Love explores how a way of looking at the world came to be cradled between book covers—and survived.

The Ascetic of Desire Sudhir Kakar,2000-03-27 Side by side with the unfolding of Vatsyayana's life is the story of a young man's coming of age, as

the pupil finds, to his consternation, that his own life has begun to reflect and parallel the ascetic's narrative. At the point where their stories intersect, the unexpected happens.--BOOK JACKET.
