The Kama Sutra of Vatsyayana Vatsyayana,2021-08-29 The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version.The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. Kama which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and sutra literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

The Kama Sutra Vatsyayana,2019-02-06 Written by the Indian philosopher Vatsyayana sometime between the 4th century B.C. and the 1st century A.D., The Kama Sutra is perhaps the world's most famous book ever written on love and sexual desire. Kama is one of the four Hindu goals of human life and is translated as love, including sexual desire and romantic love. Sutra in this context means aphorisms, or rules and lessons, on the subject of love. The Kama Sutra has become synonymous with its instructions on sexual positions, but this compromises only a small portion of the work and it is much more than an erotic guide to lovemaking. Instead, it is intended as a manual for not only love and intimacy, but also a treatise on the politics and customs of marriages and family life. While the treatise values sensual delight and the pursuit of physical pleasure, it also promotes honor, virtue, and responsibility. This masterpiece of Sanskrit literature provides a fascinating glimpse into an ancient culture and its traditions and values, such as how one chooses a mate, how husbands and wives should comport themselves, and which romantic relationships are healthy and which are destructive. Presented here is the classic translation of Sir Richard Burton printed on premium acid-free paper.

Sir Richard Francis Burton (1821–1890) was a British explorer, geographer, translator and diplomat. Burton's best-known achievements include a well-documented journey to Mecca, in disguise; an unexpurgated translation of One Thousand and One Nights (commonly called The Arabian Nights in English); the publication of the Kama Sutra in English and an expedition with J. KAMA : The Story of the Kama Sutra Misra, Jaya ,2018-05-05 Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the Kama Sutra, the ultimate treatise on love and the art of lovemaking? Kama is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the Kama Sutra reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, Kama is the story of a catastrophic day in a writer-artist's life that

sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, an erotic present and a cataclysmic future.
