Tales from the Kansas City Chiefs Sideline Bob Gretz,Peter Grathoff,2020-10-06 Relive the best stories of Chiefs football—newly updated through the 2019–2020 season! Beginning with their founding as the Dallas Texans of the American Football League in 1960, the Kansas City Chiefs have been one of professional football's most storied franchises. In *Tales from the Kansas City Chiefs Sideline*, veteran sportswriter Bob Gretz brings the team's rich history to life. Gretz begins with the Chiefs' visionary, 27-year-old owner Lamar Hunt, who founded not only a team but an entire league. After the Texans won the AFL championship in 1962, Hunt moved the team out of his hometown to Kansas City. Two Super Bowl appearances as the representative of the AFL culminated in a Chiefs' championship in 1970, despite being a double-digit underdog to the Minnesota Vikings. It would be the final game featuring an AFL team, as the Chiefs and nine other teams merged with the NFL. Gretz covers the battles leading up to the merger along with the high and low points in team history—the lean years (1972–88); the “Carl and Marty” era, when the team made the play-offs in six consecutive seasons; the “Joe and Marcus” show of 1993; the dismal 2008 season; and the team's 2013 renewal under Andy Reid and John Dorsey. *Tales from the Kansas City Chiefs Sideline* is a must-have for any Chiefs fan!

Sway Matthew John Bocchi, 2020-09-08 "I was only nine years old, but I knew what death was. It was the end. When it came to my dad though, no amount of rational thought could outweigh my feelings. I watched the footage over and over again, trying to validate my hopes and dreams, believing there was a minute possibility he made it out of the building alive." After his father died on 9/11 in the World Trade Center, nine-year-old Matthew John Bocchi began an obsessive quest to find out exactly how he died. He researched video tapes, pictures, blogs, anything that could potentially answer the question looming in his mind: was his father one of the jumpers? In the first memoir told by a child of 9/11, Matt intimately delves into the psychological and emotional torment that ensued after his father's death. With heartbreaking vulnerability, he details how his incessant quest resulted in a devastating act of violence that stripped his innocence as a young man. As Matt spirals down a bottomless pit of drug abuse, he willfully risks his life in search of the next high—all in an attempt to forget his past. Now at twenty-eight years old and sober, he recounts his unique story—one full of heartbreak and despair, grief and uncertainty, but most importantly, happiness and hope. The lesson he teaches us is clear but intricate: No matter how far you fall, you can always rise again. No matter how far you stray, you can always find your way home. And no matter how wide you sway, you can always pick up the pieces and stand tall.
