

Kate And William

Matt Doeden

Prince William & Kate Matt Doeden, 2011-09-01 On April 29, 2011, The whole world watched as Prince William of Wales and Kate Middleton exchanged marriage vows. This royal wedding was one of the most anticipated events in England in recent years. Ever since the couple officially announced their engagement in November 2010, every detail of the wedding has captured headlines around the globe. Why all the excitement? William is second in line to become Britain's king. William Arthur Philip Louis of Wales is the firstborn child of Charles and Diana, Prince and Princess of Wales. And through marriage to William, Catherine Elizabeth Middleton-known as Kate-turned from a commoner into a princess. If William becomes king one day, Kate will be the Queen Consort. Follow the couple's royal romance from their first meeting at the University of St. Andrews, through the ups and downs of their relationship, To the romantic wedding ceremony at London's Westminster Abbey.

William and Kate Christopher Andersen, 2011-01-01 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

WILLIAM & CATHERINE Andrew Morton, 2011-05-17 I'd been carrying around the ring with me....I would not let it go. You hear a lot of horror stories about proposing and things go horribly wrong, but it went really, really well. -- HRH, Prince William of Wales The marriage of Prince William to Catherine Middleton is one of the most significant royal events of recent times. As second in line to the throne, the elder son of the much mourned Diana, Princess of Wales-whose famous sapphire and diamond engagement ring he bestowed on his future bride-William embodies the hopes and expectations of millions of people around the world. And as a commoner who will become a princess, Catherine brings romance and freshness to a very traditional union. Acclaimed biographer Andrew Morton, who was trusted by Diana herself to recount her true story to the outside world, has been covering Prince William since birth. Now he brings his unique insights to this portrait of the histories and characters of the bride and groom-from their family backgrounds, their childhoods, and the early days of their relationship at university, through their ups and downs as a couple in the public eye, their private engagement in Kenya, and all the glamour and drama of the wedding itself. Lavishly illustrated with color photographs, both a chronicle and a lasting memento of a day to remember, William & Catherine brings us both the public spectacle and the private moments as only the author of *Diana: Her True Story* can reveal them.

The Making of a Royal Romance Katie Nicholl, 2011-02-22 William and Harry was an overnight sensation when it was published a week before Prince William and Kate Middleton's engagement announcement in November 2010. Now the author, a royal insider and the royal correspondent for The Daily Mail, has updated and added crucial material that completes the story of the fairytale romance. In addition to providing fascinating insight into the lives and loves of two young men who are very much in the public spotlight worldwide, this updated version now becomes the definitive book that brings their story-and that of Kate Middleton, the future Queen Catherine-up to date. With a new preface, an epilogue, and two new chapters, the author now fully reveals the secret marriage pact that William and Kate have had for several years, dispelling the notion that Kate Middleton has been "Waity Katie." It paints a portrait of Kate by looking back at her family and childhood, her close friends and former boyfriends, and her ever-present devotion to the

love of her life, Prince William. It reveals the domestic life that the two have been living in Wales, and provides a look at what the future holds for their new commitment. The epilogue focuses on the wedding preparations. The book will be the most authoritative and entertaining guide to the royal family's most widely anticipated public event since the wedding of Lady Diana Spencer and Prince Charles.

The New Royal Family - Prince George, William and Kate: The Next Generation Robert Jobson, 2013-08-12 With the world watching, Prince George Alexander Louis of Cambridge, third in line of succession to the throne, was born on 22nd July 2013. The next day, his proud parents stepped out of St Mary's hospital, London, to present their baby to the excited crowds. From the beginning, the world had watched with bated breath as the charming prince and his future bride overcame the struggles of university, rumours and a brief break-up before finally reconciling and becoming engaged. The royal wedding in 2011 - watched by an incredible estimated 2 billion people worldwide - was a defining moment, not only in their young lives, but also for the perception of the monarchy. When the Palace announced the Duchess's much-anticipated pregnancy in 2012, a public frenzy surrounded the arrival of the heir to the throne. Now that the Duke has left the military to focus on his royal duties and charity work, there is already speculation as to whether George will follow in his father's footsteps, with a passion for wildlife and conservation. Packed with expert analysis and exclusive photographs, this is an essential read for royalists and romantics alike.
