In Christi Barth's irresistible series, a group of close-knit friends talk out their problems with naked honesty on a popular blog. Bonded by a high-school tragedy, they're moving on from the past—and fighting for the future with strong and sassy women. Griffin Montgomery helps people. *Black Swan Green* David Mitchell, 2007-02-27 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David

Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell's subtlest and most effective achievement to date. Praise for *Black Swan Green* "[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel

makes us remember exactly what it was like.”—The Boston Globe “[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall.”—Time

Forced to work alongside him for the summer Emerson can’t help but fall for Jake, and soon they’re in the midst of a passionate romance that neither of them wants to end. **Innocent Spouse** Carol Ross Joynt, 2012-11-20 What would you do if, just weeks after your spouse's sudden death, you found out he was keeping secrets? Carol Ross Joynt was a successful TV producer and award-winning journalist in Washington, D.C. Her husband, Howard, owned a legendary restaurant in Georgetown. They had a young son, a happy marriage – a seeming fairy-tale life. But Howard's sudden death changed everything. Carol was shocked to discover that her husband had secrets – financial secrets –

including a \$3 million debt to the IRS that still had to be settled. Carol was responsible for repaying the debt, unless she could prove she knew nothing about Howard's fraudulent dealings and convince the government she was an innocent spouse. With no time to grieve, Carol was forced to immediately learn to manage her family's legal and financial responsibilities, run Howard's restaurant, hold her own career together, and raise their son as a solo parent. As she picked up the pieces and coped with her sadness and anger, she learned to become self-sufficient. Poignant, eye-opening, and at its core uplifting, *Innocent Spouse* is ultimately an inspiring story of strength and newfound independence in the face of loss and betrayal.

**Life Letters** Alyshia Ochse, 2014-12-02 I believe in signs, but we can only see the signs when we are aware of our questions or quest. I believe the outside world has too much influence in shaping our identities, and when we rely too heavily on external influences, we can lose our way. The truest answers to our most pressing questions often come from within, but sometimes our inner voice is the hardest one to hear. I began my journey for life's answers out of desperation to hear that voice. I was curious about the person I could become-if only I were brave enough to listen to my internal voice. I am a seeker of personal evolution and growth. The process which I call *Life Letters* developed out of a time when I didn't really know myself, when I felt both overwhelmed and underwhelmed by my own existence in the world. *Life Letters* gave-and continues to give me-the

proper focus to explore different aspects of myself. Life Letters fosters pursuit of self-fulfillment in a simple, manageable way-via specially focused letters written to ourselves just once a month. For me-and, I believe, for you-they mean all the difference between missing and seeing life's most amazing signs. Life Letters, with its monthly focus, guides and empowers you to evolve your life in a positive manner. This program is the next level of living you might not even know you've been seeking

*Fashion Underground* Valerie Steele, Melissa Marra, Susanne Bartsch, Waleed Khairzada, 2015 'Style is about expressing yourself, ' says Susanne Bartsch. 'You can be whatever you want to be--a silver screen star, a Marie Antoinette baroque creature, or a Victorian punk. I love that about fashion and make-up.' Susanne Bartsch has long been a highly visible player in New York City nightlife, with her parties known for their mix of uptown and downtown, gay and straight, high fashion, street style, and Mardi Gras extravaganza. Her penchant for extreme fashion and make-up have made her name the equivalent of a couture label among the 'Fashion Underground, ' a diverse group of individuals united around a love of fashion, defined as an embodied practice of self-expression and transformation. This creative subculture distinguishes itself from the commercial, mainstream fashion system, but their extraordinary styles, often bordering on performance art, have often influenced the wider world of fashion and beauty--Museum at FIT web site

**Are You My Mother?** Alison Bechdel, 2012-05-01 The New York Times--bestselling graphic memoir about Alison Bechdel, author of *Fun Home*, becoming the artist her mother wanted to be. Alison Bechdel's *Fun Home* was a pop culture and literary phenomenon. Now, a second thrilling tale of filial sleuthery, this time about her mother: voracious

reader, music lover, passionate amateur actor. Also a woman, unhappily married to a closeted gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood...and who stopped touching or kissing her daughter good night, forever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. It's a richly layered search that leads readers from the fascinating life and work of the iconic twentieth-century psychoanalyst Donald Winnicott, to one explosively illuminating Dr. Seuss illustration, to Bechdel's own (serially monogamous) adult love life. And, finally, back to Mother—to a truce, fragile and real-time, that will move and astonish all adult children of gifted mothers. A New York Times, USA Today, Time, Slate, and Barnes & Noble Best Book of the Year "As complicated, brainy, inventive and satisfying as the finest prose memoirs."—New York Times Book Review "A work of the most humane kind of genius, bravely going right to the heart of things: why we are who we are. It's also incredibly funny. And visually stunning. And page-turningly addictive. And heartbreaking."—Jonathan Safran Foer "Many of us are living out the unlived lives of our mothers. Alison Bechdel has written a graphic novel about this; sort of like a comic book by Virginia Woolf. You won't believe it until you read it—and you must!"—Gloria Steinem
