**Kansas City** Andrea L. Broomfield, 2016-02-25 While some cities owe their existence to lumber or oil, turpentine or steel, Kansas City owes its existence to food. From its earliest days, Kansas City was in the business of provisioning pioneers and traders headed west, and later with provisioning the nation with meat and wheat. Throughout its history, thousands of Kansas Citians have also made their living providing meals and hospitality to travelers passing through on their way elsewhere, be it by way of a steamboat, Conestoga wagon, train, automobile, or airplane. As Kansas City's adopted son, Fred Harvey sagely noted, "Travel follows good food routes," and Kansas City's identity as a food city is largely based on that fact. *Kansas City: A Food Biography* explores in fascinating detail how a frontier town on the edge of wilderness grew into a major metropolis, one famous for not only great cuisine but for a crossroads hospitality that continues to define it. *Kansas City: A Food Biography* also explores how politics, race, culture, gender, immigration, and art have forged the city's most iconic dishes, from chili and steak to fried chicken and barbecue. In lively detail, Andrea Broomfield brings the Kansas City food scene to life.

**Maeve in America** Maeve Higgins, 2018-08-07 "If Tina Fey and David Sedaris had a daughter, she would be Maeve Higgins." —Glamour A startlingly hilarious essay collection about one woman's messy path to finding her footing in New York City, from breakout comedy star and podcaster Maeve Higgins Maeve Higgins was a bestselling author and comedian in her native Ireland when, at the grand old age of thirty-one, she left the only home she'd ever known in search of something more and found herself in New York City. Together, the essays in *Maeve in America* create a smart, funny, and revealing portrait of a woman who aims for the stars but sometimes hits the ceiling and the inimitable city that helped make her who she is. Here are stories of not being able to afford a dress for the ball, of learning to live with yourself while you're still figuring out how to love yourself, of the true significance of realizing what sort of shelter dog you would be. Self-aware and laugh-out-loud funny, this collection is also a fearless exploration of the awkward questions in life, such as: Is clapping too loudly at a gig a good enough reason to break up with somebody? Is it ever really possible to leave home? "Maeve Higgins is hilarious, poignant, conversational, and my favorite Irish import since U2. You're in for a treat." —Phoebe Robinson

*Ethnic and Border Music* Norm Cohen, 2007-10-30 Just as American culture has been constructed by people of many ethnicities, roots music in America is multicultural in nature. Native American music resonates from Indigenous traditions of the Great Plains and the American West. Hispanic culture has spawned Border Music styles such as Conjunto and Tejano, while Cajun and Zydeco grew from cultural cross-pollination in the American South. In northern regions, Polish-American musicians popularized Polka, while Irish-American music holds a rich tradition throughout many regions in the East. This unique volume presents influential musical cultures from throughout the multicultural history of American vernacular song. Series blurb: This series presents five volumes on genres of music that have evolved in distinctly regional styles throughout the nation. With volumes authored by leading music scholars, the series traces the growth of Blues, Country, Folk, and Jazz in their many regional variations, as well as Ethnic and Border music traditions throughout America. Each volume presents an accessible analysis of the genre in its many regional forms, examining the musical

elements and, when applicable, lyrical subjects as tied to specific cultures throughout the United States.

**From the Bottom Up** Pat O'Neill, 2015-08-15 For a lonesome immigrant, home was the country he or she left behind. For many of us Irish-Americans, our image of home involves a parish, a school and the house we grew up in. Having grown up as part of an extended Catholic family in a neighborhood that included lots of other Irish-American families, when I think of home, I picture a front porch, a rusty glider, a postage-stamp yard with a patch or two of grass, and a church bell tower poking up over yonder trees. There are a modest number of children - usually no more than eight or 10 - living in that three-bedroom house with one full bath and a shower in the basement. A newborn baby's upstairs whaaing. A 2-year-old's yelling from the downstairs bathroom that she's gotta go but can't 'cause there's a dirty diaper soaking in the toilet. And a 4-year-old's stuck in the clothes chute. But it's okay, because some helpful neighborhood kids are pulling at his feet, and a couple of older brothers are at the second-floor hatch with a bottle of Wesson Oil. Mom's locked in the laundry room saying the Our Father. Home is where my brothers and I perfected living-room baseball, in which bouncing a ping-pong ball off the portrait of Pope Pius X was an automatic double. Home is where we cut out the middle of a holy card and put mom's picture in it. Home is where she still keeps that holy card, framed on the wall. Having someplace to call home is important. And Kansas City has been a good and true home for generations of Irish in America

**Prophetic Forecast** Joshua Giles, 2022-04-19 God's global reset has begun--and He WILL get the glory out of the chaos. An unprecedented shaking is underway in the systems and nations of this earth. But even as the world churns with upheaval, you can stand firm. Through biblical teaching and sound prophetic insight, pastor and prophet Joshua Giles will help you discover God's plans and strategies to prepare for the unusual and uncertain times ahead. Here is everything you need to align with heaven's agenda, overcome fear of the future, find your purpose and thrive amid the change. Joshua Giles reveals how to be positioned as a glorious overcomer and frontliner in the midst of all that lies ahead. I highly recommend this book.--PATRICIA KING, author, minister, media host Joshua Giles penned a relevant resource with an Issachar anointing and prophetic insight to see from heaven's lens the overall plan of God for the future of the Church.--DR. HAKEEM COLLINS, prophetic voice, international speaker, author of *The Power of Aligning Your Words to God's Will*

Ted Sullivan, *Barnacle of Baseball* Pat O'Neill, Tom Coffman, 2021-10-15 In his day, perhaps no one in baseball was better known than Irish-born Timothy Paul Ted Sullivan. For 50 years, America's sportswriters sang his praises, genuflected to his genius and bought his blarney by the barrel. Damon Runyon dubbed him The Celebrated Carpetbagger of Baseball. Cunning, fast-talking, witty and sober, Sullivan was the game's first player agent, a groundbreaking scout who pulled future Hall of Famers from the bushes, an author, a playwright and a baseball evangelist who promoted the game across five continents. He coined the term fan and was among the first to suggest the designated hitter--because pitchers were a lot of whippoorwill swingers. But he was also a convert to the Jim Crow attitudes of his day--black ballplayers were unimaginable to him. Unearthing thousands of contemporaneous newspaper accounts, this first exhaustive biography of Hustlin' Ted Sullivan recounts the life and career of one of the greatest hucksters in the history of the game.

*In the Shelter* Pádraig Ó Tuama, 2021-03-23 From master storyteller and host of On Being's Poetry Unbound, Pádraig Ó Tuama, comes an unforgettable memoir of peace and reconciliation, Celtic spirituality, belonging, and sexual identity. It is in the shelter of each other that the people live. Drawing on this Irish saying, Ó Tuama relates ideas of shelter and welcome to our journeys of life, using poetry, story, biblical reflection, and prose to open up gentle ways of living well in a troubled world. In the Shelter introduces Corrymeela, the Northern Ireland peace and reconciliation community Ó Tuama led for many years, and throughout the book he reveals the power of storytelling in communities of conflict. From the heart of a poet comes a profound look at the landscapes we all try to inhabit even as we always search for shelter, a place we can call home. An instant spiritual

classic in Ireland and Britain, now brought to a US readership.

**Sheep Incognito** Conni Tgel,2008-10-01 Welcome to the nation of sheep It is a country both familiar and fantastical, where sheep can be political animals, but more often are fluffy, quirky and as cute as can be. Professional artist Conni Togel has become a shepherdess of sorts, painting her Sheep Incognito series has delighted audiences and art collectors around the world. Along with the paintings, Conni wool gathers, commenting on her work, her life and how she creates her flock of friends. Sheep Incognito is a moving account on the evolution of her sheep. It provides a glimpse into the artist's studio world and the sheep's rather peculiar minds, along with some never before seen drawings, sketches and more than 110 paintings of the Sheep Incognito series. A true treasure trove of Sheep Incognito.

**Do You Talk Funny?** David Nihill,2016-03-08 Public speaking can be terrifying. For David Nihill, the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers-in-law. Without a parachute or advanced weaponry. Something had to change. In what doesn't sound like the best plan ever, David decided to overcome his fears by pretending to be an accomplished comedian called Irish Dave for one full year, crashing as many comedy clubs, festivals, and shows as possible. One part of the plan was at least logical: he was already Irish and already called Dave. In one year, David went from being deathly afraid of public speaking to hosting a business conference, regularly performing stand-up comedy and winning storytelling competitions in front of packed houses. And he did it by learning from some of the best public speakers in the world: stand-up comedians. *Do You Talk Funny?: 7 Comedy Habits to Become a Better (and Funnier) Public Speaker* shows how the key principles of stand-up comedy can be applied to your speaking engagements and presentations to make you funnier, more interesting, and better looking. (Or at least two of the three.) Whether you are preparing for a business presentation, giving a wedding toast, defending your thesis, raising money from investors, or simply want to take on something you're afraid of, this book will take you from sweaty to stage-ready. You'll learn how to: - Craft a story and content that your audience will want to listen to - Find the funniest parts of your material and how to get to them faster - Deal with stage fright - Master the two most important parts of your performance: timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury.

*In the Galway Silence* Ken Bruen,2018-11-13 A New York Times Best Mystery of the Year: A hard-drinking detective deals with double murder and an elusive vigilante. After much tragedy and violence, Jack Taylor has at long last landed at contentment. Of course, he still knocks back too much Jameson and dabbles in uppers, but he has a new woman in his life, a freshly bought apartment, and little sign of trouble on the horizon—until a wealthy Frenchman comes to him with a request to investigate the double murder of his twin sons. Jack is meanwhile roped into looking after his girlfriend’s nine-year-old, and is in for a shock with the appearance of a character out of his past. The plot is one big chess game and all of the pieces seem to be moving at the behest of one dangerously mysterious player: a vigilante called “Silence,” because he’s the last thing his victims will ever hear. This new novel filled with suspense and pitch-dark humor comes from a Shamus Award-winning author who’s been called “hard to resist, with his aching Irish heart, silvery tongue, and bleak noir sensibility” (TheNew York Times Book Review). “The Godfather of the modern Irish crime novel.”—Irish Independent
