120 Page Forest/Trees Fashion Composition Book - Journal College Rule Stylish Notebook - K. D. Prock Designs K. D. Prock, 2019-12-30 Have you been searching for a nice looking composition book that doesn't cost a ton? I (K. D. Prock) hand-design each cover in order to create something my family and I would want to use. With this book, you can keep track of important notes, use it as a diary or journal, record recipes, or anything else you can think of! Composition books are a great, no-frills way to write down your thoughts. I use them for everything. There's no need to use boring school supplies anymore. Students can also use these in school, a different design for each subject. And for those that work from home and need something to write important notes, why not use something that gives the home office a little more personalization? Soft cover with a beautiful matte finish I will be putting out new designs as often as they come to me, so be sure to check back for more.

Unwritten Rules KD Casey, 2021-10-12 KD Casey's sexy, dreamy, poignant baseball romances hit a homerun every time! – Lauren Blakely, #1 NYT Bestselling author of *Scoring With Him* Ex-teammates—and exes—reunite for a second chance in this delightful sports romance from debut author KD Casey. Zach Glasser has put up with a lot for the sport he loves. Endless days on the road, playing half-decent baseball in front of half-full stadiums and endless nights alone, pretending this is the life he's always wanted. The thing is, it could have been everything he ever wanted—if only he'd had the guts to tell his family, tell the club, that he was in love with his teammate Eugenio Morales. Well, ex-teammate now. When Zach wouldn't—couldn't—come out, Eugenio made the devastating choice to move on, demanding a trade away from Oakland. Away from Zach. Three years and countless regrets later, Zach still can't get Eugenio out of his head. Or his heart. And when they both get selected to play in the league's All-Star Classic, those feelings and that chemistry come roaring back. Zach wants a second chance. Eugenio wants a relationship he doesn't have to hide. Maybe it's finally time they both get what they want.

The Tarot Sequence imagines a modern-day Atlantis off the coast of Massachusetts, governed by powerful Courts based on the traditional Tarot deck. Rune Saint John, last child of the fallen Sun Throne, is backed into a fight of high court magic and political appetites in a desperate bid to protect his ward, Max, from a forced marital alliance with the Hanged Man. Rune's

resistance will take him to the island's darkest corners, including a red light district made of moored ghost ships; a surreal skyscraper farm; and the floor of the ruling Convocation, where a gathering of Arcana will change Rune's life forever.

Transition in Post-Soviet Art Octavian Esanu, 2013-06-10 The artistic tradition that emerged as a form of

cultural resistance in the 1970s changed during the transition from socialism to capitalism. This volume presents the evolution of the Moscow-based conceptual artist group called Collective Actions, proposing it as a case-study for understanding the transformations that took place in Eastern European art after the fall of the Berlin Wall. Esanu introduces Moscow Conceptualism by performing a close examination of the Collective Actions group's ten-volume publication *Journeys Outside the City* and of the *Dictionary of Moscow Conceptualism*. He analyzes above all the evolution of Collective Actions through ten consecutive phases, discussing changes that occur in each new volume of the *Journeys*. Compares the part of the *Journeys* produced in the Soviet period with those volumes assembled after the dissolution of the USSR. The concept of transition and the activities of Soros Centers for Contemporary Art are also analyzed.
