The New You: Tips and Tricks to Losing Weight, Get in Shape Safely and Keeping It Off Daniel Michael, 2013-12 People say that looks are not everything, but let us face it, when we look good; it helps us to feel good. Often, rather than doing

Does the task of not only losing weight, but keeping it off seem so daunting that you have not tried, but wish that you could? This is the book for you. This is where it will all change for you, so congratulations. Welcome to the book that will not only help you shed the weight, but keep it off as well. Shape Shifting Sharon Kay, Sharon Kay M a, 2016-03-31 Friends describe Sharon Kay as real - likeable and approachable. In *Shape Shifting* she talks candidly about her physical, mental, emotional and spiritual struggles with morbid obesity and her solutions. It is not a how-to book, but rather a how-I-did-it book, with sufficient information and illustrations for the reader to develop their own plan for changing their life. In Sharon's own words, I have walked in your shoes. Not only have I been morbidly obese, but: 1) have been in two abusive marriages; 2) have a bladder with diminished capacity and a diagnosis of Interstitial Cystitis; 3) have lived at poverty-level on Section 8 housing and food

stamps; and 4) moved 750 miles with no guarantee of a job, no savings and an income of less than \$1,000 a month, leaving family and friends, in order to rise above the welfare state. Don't give me your excuses. They aren't reasons. Admittedly, I am not a minority or physically or mentally challenged. However, if you're reading this book, you are capable of making tremendous changes to your situation. You have the power and I believe in you.

Road to Fitness Anna Margo, 2014-12-25 None can avoid the process of aging. It is one of the natural process which starts from the very onset of birth. It should be noted though, that the aging process should not in any way hamper keeping an exercise regimen and in fact exercising should ideally continue but at a gentler pace and design.
