Never Too Small Joe Beath, Elizabeth Price, 2023-04-19 Joel Beath and Elizabeth Price explore this question drawing inspiration from a diverse collection of apartment designs, all smaller than 50m²/540ft². Through the lens of five small-footprint design principles and drawing on architectural images and detailed floor plans, the authors examine how architects and designers are reimagining small space living. Full of inspiration we can each apply to our own spaces, this is a book that offers hope and inspiration for a future of our cities and their citizens in which sustainability and style, comfort and affordability can co-exist. *Never Too Small* proves living better doesn't have to mean living larger.

Raffles Renounced: Towards a Merdeka History Alfian Sa'at, Faris Joraimi, Sai Siew Min, 2022-08-19 Why did independent Singapore celebrate two hundred years of its founding as a British colony in 2019? What does Merdeka mean for Singaporeans? And what are the possibilities of doing decolonial history in Singapore? *Raffles Renounced: Towards a Merdeka History* presents essays by historians, literary scholars and artists which grapple with these questions. The volume also reproduces some of the source material used in the play *Merdeka* / 自由 / 自由 (Wild Rice, 2019). Taken together, the book shows how the contradictions of independent nationhood haunt Singaporeans' collective and personal stories about Merdeka. It points to the need for a Merdeka history: an open and fearless culture of historical reckoning that not only untangles us from colonial narratives, but proposes emancipatory possibilities.

Brother David Chariandy, 2018-07-31 A brilliant, powerful elegy from a living brother to a lost one, yet pulsing with rhythm, and beating with life. --Marlon James Highly recommend Brother by David Chariandy--concise and intense, elegiac short novel of devastation and hope. --Joyce Carol Oates, via Twitter WINNER--Toronto Book Award WINNER--Rogers' Writers' Trust Fiction Prize WINNER--Ethel Wilson Prize for Fiction In luminous, incisive prose, a startling new literary talent explores masculinity, race, and sexuality against a backdrop of simmering violence during the summer of 1991. One sweltering summer in the Park, a housing complex outside of Toronto, Michael and Francis are coming of age and learning to stomach the careless prejudices and low expectations that confront them as young men of black and brown ancestry. While their Trinidadian single mother works double, sometimes triple shifts so her boys might fulfill the elusive promise of their adopted home, Francis helps the days pass by inventing games and challenges, bringing Michael to his crew's barbershop hangout, and leading escapes into the cool air of the Rouge Valley, a scar of green wilderness where they are free to imagine better lives for themselves. Propelled by the beats and styles of hip hop, Francis dreams of a future in music. Michael's dreams are of Aisha, the smartest girl in their high school whose own eyes are firmly set on a life elsewhere. But the bright hopes of all three are violently, irrevocably thwarted by a tragic shooting, and the police crackdown and suffocating suspicion that follow. Honest and insightful in its portrayal of kinship, community, and lives cut short, David Chariandy's *Brother* is an emotional tour de force that marks the arrival of a stunning new literary voice.

Karaoke Around the World Shuhei Hosokawa,Toru

Mitsui,2005-06-20 The karaoke machine is much more than an instrument which allows us to be a star for three minutes. The contributors to this lively collection address the importance of karaoke within Japanese culture and its spread to other parts of the world, exploring the influence of karaoke in such different societies as the United Kingdom, North America, Italy, Sweden, Korea and Brazil. Beauty Up Laura Miller,2006-07-15 This engaging introduction to Japan's burgeoning beauty culture investigates a wide range of phenomenon—aesthetic salons, dieting products, male beauty activities, and beauty language—to find out why Japanese women and men are paying so much attention to their bodies. Laura Miller uses social science and popular culture sources to connect breast

enhancements, eyelid surgery, body hair removal, nipple bleaching, and other beauty work to larger issues of gender ideology, the culturally-constructed nature of beauty ideals, and the globalization of beauty technologies and standards. Her sophisticated treatment of this timely topic suggests that new body aesthetics are not forms of deracialization but rather innovative experimentation with identity management. While recognizing that these beauty activities are potentially a form of resistance, Miller also considers the commodification of beauty, exploring how new ideals and technologies are tying consumers even more firmly to an ever-expanding beauty industry. By considering beauty in a Japanese context, Miller challenges widespread assumptions about the universality and naturalness of beauty standards.

Eating Chilli Crab in the Anthropocene Matthew Schneider-Mayerson,2020-06-27 In this era of climate crisis, in which our very futures are at stake, sustainability is a global imperative. Yet we tend to associate sustainability, nature, and the environment with distant places, science, and policy. The truth is that everything is environmental, from transportation to taxes, work to love, cities to cuisine. This book is the first to examine contemporary Singapore from an ecocultural lens, looking at the ways that Singaporean life and culture is deeply entangled with the nonhuman lives that flourish all around us. The authors

represent a new generation of cultural critics and environmental thinkers, who will inherit the future we are creating today. From chilli crab to Tiger Beer, Changi Airport to Pulau Semakau, O-levels to orang minyak films, these essays offer fresh perspectives on familiar subjects, prompting us to recognise the incredible urgency of climate change and the need to transform our ways of thinking, acting, learning, living, and governing so as to maintain a stable planet and a decent future.
