Ken Lord

Novelettes with Spiritual Themes Volume 8 Ken Lord,2022-02-24 This book contains three novelettes and one commentary. Four are fiction. The commentary is on a Psalm.

*A Wife of Noble Character* Kenniston Lord,2018-03 Where is your wife? Wesley Mayfield, an 1888 graduate of the Cleveland Medical School, takes his first position in the town of Wichita Falls on the plains of North Texas. There are things there that are not available in Ohio, such as a tornado or a prairie fire. Horses and cattle aren't new but hundreds of them in one place at one time definitely are. He needs a nurse. Somebody asks the question every week, especially when it comes to that procedure. Never-married Wesley answers, They're all in the east. Advertise for a wife, advises his friend Ike Tipton. Guided by his much-too-helpful minister friends, Wesley agrees. However, he wants God's woman, so fliers are placed in churches from Boston to Atlanta. Now he must wait for the mail. Ike's wife Beatrice is the postmistress and town gossip. Many residents of Wichita Falls are interested in Doctor Mayfield's mail! Wesley receives several responses, but he's interested in four, each with a unique perspective on marriage, faith, religion, nursing, and childbearing. As he considers each, one arrives-with notoriety, convinced that God has led her there.

Infraction -- Getting Even Ken Lord,2006-08-01 Here are two serial killers, each wishing to settle a score. Meet Wilberforce Duggie Hansen, at odds with a mother who is a domineering drunk and has a bias against the gay friends her son wishes to bring home. She arranges never to have to confront the question again. There's Marty Syrzinski, a Navy Seal dropout with a temper, who goes on a murder spree just because he can. There are eight victims, with nothing unique about them except that they were in the wrong place at the wrong time. There are also two bank robbers, freshly released from an Oregon prison, on their way to Reno. A zip gun, a poisonous snake, a firebombing, stolen dynamite, an explosion, and three funerals-all within two weeks. Share the Chief's second mystery. Visit him and his new love; banter with the city's gadfly, Doris Odland; listen to the City's Mayor McCheese; and watch the antics of the Reverend Amos Wilson as he puts on a Northwesterner's version of a New Orleans funeral.

**Chef of the Parkhaus** Ken Lord,2006-05-01 This book is listed G to get it onto the menu; Lulu requires registration to see adult-themed items. But the book is a R-rated item with some very adult themes. The intended audience is not children. It is the story of Leon LeGros, a young man who sought fortune in the South Pacific. Leon, today a resident of Luxembourg, led an extraordinary life, as a chef, as a cook in the mining camps of the Solomon Islands and Australia, where he matured before

returning to Europe and a more responsible life. Today, he is a parking lot attendant, a sacrifice for the one to whom he has dedicated this book. In the process of getting there, Leon has lived several lifetimes of adventure that far exceed anything many of us have experienced. There is eroticism in the book, though it is not salacious. This book was not written to titillate; but to document the life of an extraordinary man, warts and all, and to talk about how his life has changed in more than five decades.

Explosion on Evergreen Avenue Ken Lord, 2020-11-21 He was dead. No doubt about it. Now Denise Bennett was faced with the rescue of six small children, many of whom had been seriously burned. Detroit on Christmas morning, 1958. Children were unwrapping Christmas packages, looking for long-sought gifts of special meaning when the unthinkable happened. Who knew that they would all face death when the furnace exploded? Faced with recovering life and family in the absence of the breadwinner, Denise would set her life aside and devote many years to their recovery. In the process, she nearly lost control of her own life, making one radical misstep after another. Driven to exasperation by a domineering mother, she finds herself living with a major medical condition called PTSD, operating on the wrong side of the law, and finally, disappearing into anonymity. It was just as she wished.

*FINAL PERFORMANCE* Ken Lord, 2022-05-05 Police Chief Quentin Price is called to the scene of a bloody murder backstage at the Bellson Theater. Steve Gossman, playing Willy Loman, has been executed with a 12-gauge buckshot load at the end of the play, *Death of a Salesman*. Who wanted Steve dead? Nobody. Well, nearly nobody. His wife Mildred wanted him questioned about the death of her parents. And she wondered about the perfume on Steve's shirt. Did someone she knew want Steve dead? It was Ben Tilden's turn to play the part this night, but he was ill and Steve agreed to substitute. The two of them were friends, had a working relationship, and shared interests in shooting. Did somebody get the wrong actor? Who? Might it have been Arnie, the Building Inspector? He had a beef with a Vegas gangster; that would have given him motive. Might it have been Alice, the counselor who had something going with both Ben and Karla, Ben's wife? Might it have been Larry Dole, the theater landlord? Might he have had a motive? State Police Major Alton Douglas was convinced that the real target for the night was Ben. And what about the shirt that Ben exchanged with Steve? Why did it happen then? There was a deadline. Was that before or after the Vegas muscle men demanded a hundred thousand dollars? Was that before or after Arnie and Karla met in the roadhouse? And what about the Mercedes? Shakespeare said, The evil that men do lives after them; the good is oft interred

with their bones. The Bible says that the destination of those who do evil will be Hell, without recourse. This story is about good and evil. The evil is evident-the murders (via commission and omission) and those involved. The good is the good news and redemptive power of the Gospel of Jesus Christ.

The Urge to Kill Ken Lord,2022-06-06 He sits eating breakfast, nursing a cup of coffee, and performing a western ritual-raising his baseball cap and running his hands through diminishing hair. He does this whenever somebody approaches. The cap, gray to match the clothing he wears, is marked in red with the words The Intimidator. On his arms are tattooed Intimidator, and Invincible, respectively. Thus begins a killing spree motivated merely by annoyance at the foibles of people living their lives. And he leaves a calling card. Police veteran Charlie Creehall is attacked by an assailant using a zip gun. Left to die in a field, young boys discover him. Charlie is a mentor to children and a member of a top-notch motorcycle club The same is true for Bradley Gibbons, whose only sin was that he was proud of his pickup truck. Of course, he had a big mouth and ran afoul of The Intimidator. Copycat Marty Srzynski, a washed-out Navy Seal, has scores to settle, but wouldn't use a zip gun. He has demolitions experience. He also likes snakes. He works at the lumber mill, has a bevy of paramours, and a chip on his shoulder much larger than those produced at the mill. Chief Price is given an invaluable gift. But Doris Odland, a widow with a blunderbuss, makes his life interesting. She rides down Main Street, ends up in court and there speaks her mind. Too bad she was killed in Marty's plot to assassinate the Chief. The shrink, Dr. Carole Roberts, helps Price to investigate Duggie Hanson and Marty Srzynski. There are also Mayor McCheese and the Radio Amateurs who search for Marsha Randall, who right now is recoiling from a snake bite. A relationship develops between Roberts and Price. This is a mystery story with two avowed killers who have different motives but a relationship between them that is destined to upend the City of Bellson, California. It deals also with spiritual matters, which may seem an odd combination.

**Novelettes with Spiritual Themes -- Volume 2** Ken Lord,2021-08-30 This is the second of Ken's series of novelettes with a spiritual theme. There are three novelettes of the mail order bride movement (Oregon, Montana, and Colorado) and one short story of Australia.

*The Prayer of Jesus* Kenneth S. Hemphill,Ken Hemphill,2001 Examines the Lord's Prayer and the connection between Christ's strength and intimacy with God and his prayer life.

**Eternity's Embrace** Ken Lord,2018-06 Frank Trask, a Maine lobsterman is approached by Alan and Marjorie, children of Vernon and Bernice Townsley, who seek their mother's grave. They claim she lived in a lighthouse, which is impossible. The siblings' memories present contradictions. The words of

One-eyed Bennie merely confound. Bernice Jennings is the daughter of wealthy Bostonians. Vernon Townsley is a Kansas farmer who-unable to enter college-enlists in the Army and is wounded in France in WW1. The two meet at Togus Military Hospital, near Augusta. They fall in love and have a spat. Vernon searches for Bernie and finds her on Cross Island in Machias Bay. Eventually they marry, sire a family, and endure tragedy. Frank's research untangles the confusion and resolves the questions. Bernie's spirit guides the siblings to the grave, where their parents are left in Eternity's Embrace.

The Pattern Killings Ken Lord,2022-06-16 Did you ever hear of the Salami Technique? No? Then perhaps you have never spent any time in jail for using it. Ira Sanderson did. With it, he ripped off a bank for \$100,000. The irony is that he could have taken more. But now Ira has been caught, tried, and sent to Susanville Prison for a decade. Hiram Sanderson, Ira's twin, visits his incarcerated brother faithfully, generally combining it with a family trip to a California recreational vehicle park with his converted Greyhound bus. The two concoct a means of escape for Ira. In the process a man is killed and Ira returns to the scene of the crime that put him in jail, the City of Bellson, intent on settling the score with six women who had a hand in putting him away. One of those women is Carole Price, the wife of the Bellson Chief of Police. Carole was the court-supplied counsellor at Ira's trial and had a strong hand in sending Ira to Jail. But she isn't the only one. There's the Mayor's secretary, the accountant who discovered the theft, the girlfriend of the bank's president, and a couple more women who learned not to walk without looking over their shoulders. But there's a kink. It starts with an announcement in the paper of the number of people to be killed, and as each is killed, a message is written on her forehead and a code is inscribed on another part of her anatomy. That code must be deciphered to identify the final victim, the Chief's wife. A few other people are killed. Ira is no respecter of persons. Even his brother's wife and children are imprisoned by a pair of heavies as a guarantee that the breakout will be successful. There are people in this story who implore God's mercy. You'll want to meet them and perhaps listen to their message.

**The Secret Son** Ken Lord,2022-04-16 Barry, the illegitimate son of Judy, is a perpetual lawbreaker and has spent much of his life in prison. Judy, his mother, kept his existence from Harold when they married. Once he learned about Barry, Harold insists that Judy notify the court of Barry's guilt. Barry is convicted and threatens his mother. Harold and Judy change their names to Howard and Jessica and head for Vermont. Rebecca has lost her husband Jason to a subway killer and leaves New York City to relocate to a job in Vermont. She changes her mind once she has arrived and takes over a now

defunct diner, the scene of a murder/suicide. Howard dies. Jessica meets Carlton. Sheriff Gabe has an interest in Rebecca. But then Barry attacks Jessica. The story has a mixed ending that you may not expect.

This guestbook is a collection of these messages that were all read by Ken. He appreciated these so much. I believe that these are what kept him so very positive and fighting for as long as he did. **MLM** Ken Lord,2012-08-26 MLM: The Royal Treatment is an extensive and comprehensive course in doing multi-level marketing the RIGHT way. It does not suggest a lead to quick riches; it leads to success. The author took what he learned in building a large MLM business and has shared it here. Caution: it IS comprehensive. If what you want is eight quick ways to make a million dollars, this book is not for you. Somebody has made you an offer you wonder if you can refuse. For some reasonable sum of money you have been invited to join, and you have decided to do so. This book will acquaint you with reality--if you wish to accomplish something significant, don't plan on sitting back and hoping the money rolls in. It doesn't happen that way. The investment you make to get involved is merely the first. Your investments will be in time, money, and yes, heartache. But if you see the reward, this is the way to do it right--the no withdrawal way.
