Adolph Rupp and the Rise of Kentucky Basketball James Duane Bolin, 2019-03-15 Known as the Man in the Brown Suit and The Baron of the Bluegrass, Adolph Rupp (1901--1977) is a towering figure in the history of college athletics. In *Adolph Rupp and the Rise of Kentucky Basketball*, historian James Duane

Bolin goes beyond the wins and losses to present a full-length biography of Rupp based on more than one-hundred interviews with Rupp, his assistant coaches, former players, University of Kentucky presidents and faculty members, and his admirers and critics, as well as court transcripts, newspaper accounts, and other archival materials, this biography presents the fullest account of Rupp's life to date. His teams won four NCAA championships (1948, 1949, 1951, and 1958), one National Invitation Tournament title in 1946, and twenty-seven Southeastern Conference regular season titles. Rupp's influence on the game of college basketball and on his adopted home of Kentucky are both much broader than his impressive record on the court. Bolin covers Rupp's early years -- from his rural upbringing in a German Mennonite family in Halstead, Kansas, through his undergraduate years at the University of Kansas playing on teams coached by Phog Allen and taking classes with James Naismith, the inventor of basketball -- to his success at Kentucky. This revealing portrait of a pivotal figure in American sports also exposes how college basketball changed, for better or worse, in the twentieth century.

Game of My Life Kentucky Wildcats Ryan Clark, 2012-05 Interviews the players of the Kentucky Wildcats and gets their thoughts on some of the biggest games of their Wildcats career.

Kentucky Basketball Tom Leach, Mike Pratt, 2021-11-23 Since 2002, Mike Pratt and Tom Leach have been as much a part of Kentucky basketball as Rupp Arena itself, as longtime color analysts for the UK Radio Network. This collection of candid and intimate conversations between Pratt and Leach gifts fans and readers insights into every season from 2002 to 2021—observations that only they could share. Pratt and Leach cover it all here: the games, the players, the coaches, and the moments that stood out.

The Winning Tradition Bert Nelli, Steve Nelli, 2021-11-21 In its 95-year history, the Kentucky

Wildcats have won more games than any other college basketball team. Their winning percentage is the highest in the country. They share the record for the most 20-win seasons. They are second in all-time number one rankings. And despite no longer holding the record for winningest coach, Adolph Rupp will always be a giant in the pantheon of college basketball. When *The Winning Tradition* first appeared in 1984, it was the first complete history of the Wildcat basketball program. Bert Nelli pointed out that, contrary to the accepted mythology, Adolph Rupp arrived at a program already strong and storied. Nor did Rupp bring an entirely new style of play to the Bluegrass. Instead he adopted—and perfected—that of his predecessor, John Mauer. What Rupp did bring was an ability to charm the news media and a fierce determination to turn out winning teams, making him the undisputed Baron of Basketball. This new and expanded edition of *The Winning Tradition* brings the history of Kentucky basketball up to date. Nelli and his son Steve turn the same unflinching gaze that characterized the honesty of the first edition on the scandals that marred Eddie Sutton's tenure, the return to glory under Rick Pitino, and a full accounting of Tubby Smith's history-making first year. The start of basketball season is welcomed in the Bluegrass with an unmatched enthusiasm and intensity. Each year brings a new team, new stars, and new glory. Other books have documented individual seasons, individual players, or individual coaches. But *The Winning Tradition* remains the only complete and authoritative history of the most celebrated college basketball program in the world. A book no fan can afford to be without, *The Winning Tradition* brings alive the agonies, frustrations, and glories of each season of Kentucky basketball, from the first team (fielded by women) to the surprising victory in the 1998 NCAA tournament.

Before Big Blue Gregory Kent Stanley, 2021-12-14 In the heart of the Bluegrass, basketball is king of collegiate athletics. But it wasn't always so. *Before Big Blue* chronicles the early history of organized sports at the University of Kentucky, from the tenuous beginnings under student leadership, through the early scandals, financial instability, and clashes with administration, to the Purge of 1938 that paved the way for basketball's ascendancy. Once upon a time in Lexington, football ruled the athletic department. In the 1890s and 1900s the most intense competition was with crosstown rival Transylvania University. The annual Thanksgiving Day game was the biggest event of the season, and its gate receipts essentially funded the entire department. Among other highlights, Gregory Kent Stanley reveals the story behind the Wildcats' nickname, reports on the greased pants game against Mississippi State in 1914, and divulges the origins of the post-victory nightshirt parades through downtown. When basketball finally arrived on campus, it was the women's team that was organized first. Its transfer out of the women's physical education department in 1903 led to a twenty-year turf war that was one of the period's most intense. Whether played by men or by women, however, basketball during the early years of the century was of minor consequence. The men's team played in a gym without facilities for spectators, most players were from the football team, and all the early coaches—including Adolph Rupp—assisted with the football program. Nevertheless, the early years showed signs of the success to come: the 9-0 team of 1912, which never trailed an opponent; the 1921 squad, losers of only one game and winners of the school's first tournament; and Rupp's winning percentage of .820 during the 1930s that saved his job during President McVey's massive reorganization of the athletic department. *Before Big Blue* tells a story both unique and universal. As the first

comprehensive history of the rise of intercollegiate athletics at UK, it makes a valuable contribution to the growing literature of sports history.

Kentucky Basketball Darcy Pattison, 2013-07-15 With the most all-time wins in men's college basketball, the University of Kentucky Wildcats have shown that they are a force to be reckoned with, since they started playing the game in 1903. This volume shares 110 years of Kentucky basketball history, discussing some of the most awe-inspiring moments, coaches, and players. It includes some amazing action shots from the court, as well as a few classic historical images.

Kentucky Wildcats Greg Doyel, 2005 Forget what people might say at Duke or North Carolina, UCLA or Kansas. Nobody loves their college basketball program like Kentucky fans -- nobody. Where else but Kentucky would a charity auction see a book signed by former President Jimmy Carter go for \$70 ... and a basketball signed by Joe B. Hall go for \$300? That happened in 2003, a good twenty years after both men had done their best work. You'll find Hall in this book, by the way. Kentucky fans sell out Rupp Arena for home games and invade opposing gyms for road games, earning the nickname The Blue Mist. Kentucky fans loved their basketball players, and that love doesn't fade over time. Years and even decades after their playing careers are finished, Kentucky basketball players routinely win whatever political office they seek in their home state. The 2003 election for state agriculture commissioner came down to one former

Kentucky guard (Richie Farmer) against the wife of another former Kentucky guard (Scotty) Baesler). You'll find Farmer and Baesler in this book, by the way. This book is for you, Wildcat Nation. Catch up with more than 50 of your former heroes, guys who went on to become politicians and pastors, artists and dentists, convicts and coaches. Catch up with two former victims of Duke villain Christian Laettner -- Aminu Timberlake (The Stomp) and Deron Feldhaus (The Shot). Learn the heart-warming tale of Dirk Minniefield, who overcame his drug addiction to become a drug counselor for the NBA. Learn the heartbreak of Tom Payne, who broke Kentucky's color barrier in 1970 in his only season with the Wildcats but has spent most of his adult life in prison. Whatever happened to perhaps the greatest Wildcat of all time, Bill Spivey? It's in this book. How about Tubby Smith's son and point guard, Saul Smith? He's in here, too. Mike Casey? Gimel Martinez? Lou Tsioropoulos? In here, in here, in here. You don't have to be Bob Wiggins, who once saw 615 consecutive UK game and remains the most intense Kentucky fan alive, to enjoy this book. Whatever happened to Wiggins? We checked--he's still attending games. This book is for Wiggins and the rest of the Blue Mist, and for anyone else who has ever wondered, Where have you gone, Linville Puckett?

House of Champions Kevin Cook, 2022-11-08 The stories and accounts of Kentucky basketball's players, iconic coaches, and epic games have been told and retold, but lesser known are the stories of the arenas and venues that have been home to the Wildcats—buildings that have witnessed the sights, sounds, and shared spirit of the Big Blue Nation for over a century. In *House of Champions: The Story of Kentucky Basketball's Home Courts*, author Kevin Cook combines archival research and numerous interviews with

players and coaches to reveal the rich history and colorful details of the structures that have hosted University of Kentucky basketball. A number of fascinating backstories are uncovered, including the excitement of Alumni Gym's opening night in 1925, the problematic acquisition of Black community land for the building of Memorial Coliseum, and the painstaking inscription of nearly ten thousand names of Kentucky's World War II and Korean War heroes to be displayed along the Coliseum's pedestrian ramps. The account concludes with a compelling overview of the development of historic Rupp Arena: its inner workings, the prominent figures involved, and how the initial conversation to build it began over a slice of Jerry's pie in 1968. This insightful and entertaining history reveals how the impact of sporting facilities extends far beyond game night as they continue to shape and influence the social, economic, and political landscapes of Lexington and central Kentucky.

Echoes of Kentucky Basketball Triumph Books, Tubby Smith, 2006-11-01 Bringing the history of the University of Kentucky basketball program to life, this record details the team with the most wins in the

history of the game and with some of the most devoted, knowledgeable fans. Compiled are accounts from sportswriters over the past decades that document the most memorable games, profile coaching and playing legends, and explain the University of Kentucky basketball phenomenon.

Kentucky's Domain of Power, Greed and Corruption Betty Boles Ellison, 2001-02 Referring to college athletics as amateur sports is as archaic as football's flying wedge that was outlawed almost a century ago. College athletics are all about multi-million-dollar programs, billion-dollar television contracts, corporate control and cronyism. Power greed and corruption have turned the top athletic programs into money-making machines controlled as much by people outside the program as university presidents and athletics directors. Few, if any, books written about college athletics closely examine the behind the scenes deal making, how lucrative contracts are awarded and the favored few who benefit. This book reveals how and why sports decisions were made at the University of Kentucky, one of the nation's top programs, how they were influenced by powerful elements who profited, sometimes by questionable legal and ethical tactics from these actions. Six years of solid academic research stands behind the facts revealed in this book.

Forty Minutes to Glory Doug Brunk, 2018-03-09 Winning a national title... winning it at Kentucky? There's nothing like it. You're always going to be remembered. -- Truman Claytor, member of UK's 1977-1978 NCAA National Championship team Joe B. Hall, Jack Goose Givens, Rick Robey, and Kyle Macy -- these names occupy a place of honor in Rupp Arena, home of the greatest tradition in the history of college basketball. The team and coaches who led the University of Kentucky Wildcats to their 94--88 victory over the Duke Blue Devils in the 1978 national championship game are legendary. Yet the full, behind-the-

scenes story of this team's incredible redemptive season has remained untold until now. In *Forty Minutes to Glory*, Doug Brunk presents an inside account of this celebrated squad and their championship season from summer pick-up games to the net-cutting ceremony in St. Louis. Brunk interviewed every surviving player, coach, and student manager from the 1977--1978 team and he shares unbelievable tales, such as how James Lee's father talked him out of quitting. Brunk also reveals heart-wrenching moments, recounting the time when Jay Shidler traveled 150 miles to visit his seriously ill mother on the eve of the national semifinals game against Arkansas and how Scott Courts coped with his father's death just days before the championship game against Duke. Published to coincide with the fortieth anniversary of the national championship victory, *Forty Minutes to Glory* invites the Big Blue Nation to relive a special season. Featuring chapters by Jack Givens and Coach Hall, this engaging book is a fitting tribute to one of the most talented and determined teams ever to compete on the hardwood.

Voice of the Wildcats Alan Sullivan, Joe Cox, 2021-10-26 As one of the first voices of the University of Kentucky men's basketball program, Claude Sullivan (1924--1967) became a nationally known sportscasting pioneer. His career followed Kentucky's rise to prominence as he announced the first four NCAA championship titles under Coach Adolph Rupp and covered scrimmages during the canceled 1952--1953 season following the NCAA sanctions scandal. Sullivan also revolutionized the coverage of the UK football program with the introduction of a coach's show with Bear Bryant -- a national first that gained significant attention and later became a staple at other institutions. Sullivan's reputation in Kentucky eventually propelled him to Cincinnati, where he became the voice of the Reds, and even to the 1960 Summer

Olympic Games in Rome. In *Voice of the Wildcats: Claude Sullivan and the Rise of Modern Sportscasting*, Claude's son Alan, along with Joe Cox, offers an engaging and heartfelt look at the sportscaster's life and the context in which he built his career. The 1940s witnessed a tremendous growth in sportscasting across the country, and Sullivan, a seventeen year old from Winchester, Kentucky, entered the field when it was still a novel occupation that was paving new roads for broadcast reporting. During the height of his career, Sullivan was named Kentucky's Outstanding Broadcaster by the National Association of Sportscasters and Sportswriters for eight consecutive years. His success was tragically cut short when he passed away from throat cancer at forty-two. Featuring dozens of interviews and correspondence with sports legends, including Wallace Wah Wah Jones, Babe Parilli, Cliff Hagan, Ralph Hacker, Jim Host, Billy Reed, Adolph Rupp, and Cawood Ledford, this engaging biography showcases the life and work of a beloved broadcast talent and documents the rise of sports radio during the twentieth century.
