

Kentucky Pi Attorneys

Thomas L. Osborne

Kentucky Workers' Compensation Norman E. Harned,2007

Kentucky Lawyer Mac Swinford,2010-09-12 Judge Mac Swinford was one of the longest-serving federal judges in United States history. During his lengthy tenure in the Kentucky courts, he came to know and appreciate the deep complexity of the law, understanding that it could be solid and fluid, broad and narrow, kind and harsh, changeless yet always evolving. In this service to the state and to the law, he felt that it was often his fellow lawyers who touched and educated him most. *Kentucky Lawyer* presents the most humorous, enlightening, and poignant moments of a remarkable fifty-year career. Judge Swinford offers a unique Kentucky history, recounting instances of the drama and romance of the Kentucky bar. In "A Kentucky Ghost Story," he takes readers to the banks of Crooked Creek in Harrison County, where the spirit of a wrongfully accused man still affects judicial decisions. "Cost of Love" recalls a trial in Carlisle County in which a scorned lover files suit against her ex-fiancé for breach of promise, claiming ten thousand dollars for a broken heart. Remembering some of Kentucky's most revered and respected jurists, Judge Swinford relates American culture in its most intimate and significant sense, through the acts and expressions of local leaders in the everyday affairs of life. His stories of humble commitment highlight the lives of men such as Henry Clay, Lieutenant Governor Rodes K. Myers, and Senator Joe C.S. Blackburn, who championed unpopular cases and stood on the forefront of government and community affairs. *Kentucky Lawyer* pays tribute to some of Kentucky's "truly great men," with the hope that legend will preserve them for us in memory. Now back in print, this classic book illuminates the varied work and world of the twentieth-century lawyer with elegance and humor.

A Cup of Coffee with 10 of the Top Personal Injury Attorneys in the United States Sam Aguiar Esq,Randy Van Ittersum,Janet Ward Black Esq,2014-07-24 A Cup Of Coffee With 10 Of The Top Personal Injury Attorneys In The United States - This book is for anyone who has been seriously injured in an accident. Ten of the top personal injury attorneys in the United States will provide you with valuable insights, guide you through the hazardous steps of filing a claim, and shepherd you around the landmines when dealing with insurance companies. If you are the victim of an accident that was due to the negligence of another person or company, you are entitled to compensation for your injuries. Unfortunately, most people don't realize that insurance companies have no incentive to be fair or to fully compensate you for your injuries. Their unstated goal is to find ways to deny your claim or minimize their liability, and pay you as little as possible. We asked 10 of the best personal injury attorneys to share their insights about what you should know before you settle your claim. I personally believe this is the most powerful and enlightening book ever written on the subject.

Rules to Govern the Practice in the District Court of the United States for the Eastern District of Kentucky United States. District Court (Kentucky).,1914

Lawyer Regulation and the Movement Toward a Unified Bar in Kentucky Jane H. Herrick,2013-10-18 This work (approx. 6500 words) provides a history of how the lawyers of Kentucky became a self-regulating profession. Beginning in the 1870s, the lawyers of Kentucky made efforts to organize themselves for the betterment of the legal profession in the Commonwealth. There was no state-wide system of disciplining lawyers, and handling wayward attorneys was up to the discretion of local judges and prosecutors. This work traces the beginnings of an embryonic, loosely-organized professional group through to bar unification, which empowered the Kentucky Supreme Court and the lawyers of the Commonwealth to regulate the profession. An abridged version of this article was previously published in *Kentucky Bench & Bar* in 2006.

The Ten Biggest Mistakes that Can Wreck Your Washington Accident Case Christopher M. Davis,2007

Kentucky Law Journal ,1970

A Minor Fall Price Ainsworth,2017-06-13 The Minor Fall is a modern interpretation of an Old Testament saga. Davy Jessie is a young, personal injury trial lawyer working as an associate in a top-drawer law firm in Houston, Texas in 2005. In addition to trying difficult (sometimes impossible to win) cases assigned to him by the firm, Davy also assists Tim Sullivan (one of the named partners in the firm) in prosecuting more serious cases. Sullivan is a flamboyant, fashionable, facile at formulating a memorable turn of phrase, philandering litigator with a long history of trial victories and the material rewards that a contingency fee practice can yield. Davy is enamored with Sullivan and attempts to emulate Sullivan's professional (and personal) behavior. After Davy wins one of the cases he was not expected to win, Sullivan designates Davy to lead the firm's efforts in representing a group of landowners in eastern Kentucky whose properties have been contaminated by oil field production. Beth Sheehan, a contract lawyer hired by the firm to help with discovery on the case, travels to Kentucky with Davy where they have a brief affair, Davy returns to find that his wife Michelle is pregnant. The fallout from the affair and the stress of preparing the case send Davy spiraling into depression and emotional paralysis. Along the way down to his moral crisis, Davy contemplates existential questions about the nature of law, the importance of literature, the existence of God, and what (if anything other than single malt Scotch or cold chardonnay) gives meaning to life as he considers losing his wife, leaving the law firm, and abandoning the practice of law.

Kentucky Legal Research Manual Kurt X. Metzmeier,Tina M. Brooks,Franklin L. Runge,Leah R. Smith,Beau Steenken,Ryan Valentin,2016

Kentucky Real Estate Law Virginia Lawson,2003-10 The most current real estate law text specific to Kentucky! The book is a practical, straightforward explanation of Kentucky real estate law relating to real property ownership and real estate transactions. This book covers the many aspects of Kentucky real estate law that will be beneficial to practicing real estate agents, attorneys, educators, consumers and those who want to learn about real estate in Kentucky. Practitioners will find it particularly useful in their day-to-day real estate practice. A clear explanation of the statutes and regulations that govern the practice of real estate in Kentucky and forms that are used in the industry are included in the book. An extensive glossary provides clear definitions for hundreds of terms used in real property law.

The Self-Help Guide to the Law: Know Your Constitutional Rights J. D. Teller, Esq. ,2016-08-03 Self-Help Guides to the Law™ explain the law in clear, concise terms to a popular audience of non-lawyers. Summarizing the key areas of the law with which readers are most likely to come into contact, the Guides broadly outline the statutes and cases that govern landlord-tenant relations, personal injury, contracts, family law, criminal law and constitutional law and procedure. With detailed references to sources for readers wishing to delve deeper, the Guides are ideal for readers wishing to better understand their legal rights and responsibilities, regardless of whether they ultimately opt to hire a lawyer. In addition to *The Self-Help Guide to the Law: Contracts, Landlord-Tenant Relations, Marriage, Divorce, Personal Injury, Negligence, Constitutional Rights and Criminal Law for Non-Lawyers*, readers may acquire the following individual titles: - *The Self-Help Guide to the Law: Property Law and Landlord-Tenant Relations for Non-Lawyers* - *The Self-Help Guide to the Law: Contracts for Non-Lawyers* - *The Self-Help Guide to the Law: Negligence and Personal Injury Law for Non-Lawyers* - *The Self-Help Guide to the Law: Know Your Constitutional Rights* - *The Self-Help Guide to the Law: Criminal Law and Procedure for Non-Lawyers*
