**Lewis and Stempel's Ultimate TV Guide** Jon E.

Lewis, Penny Stempel, 1999 It's a TV jungle out there. Five terrestrial channels, 20 more on satellite/cable, more if you have the technology. What you need is a guide through the tangled forbidding forest of multi-channel, non-stop, viewer-hungry TV. And here it is. At the flick of a page, look up the programme, read a critical overview, peruse the cast. You can, for greater viewing safety, cross-reference artists and behind-camera crew (credits include producers, directors, writers) and checkout their back catalogue. Then amaze the rest of the sofa with your erudition, before dazzling them with your grasp of totally useless trivia. So, what's included and what's not? Chronologically, the Ultimate TV Guide spans 1946 - the oldest programme is Muffin The Mule - to the present, from the age of black and white nostalgia to the hi-tech high-definition present. There's no news, no documentaries (apologies, no space). All forms of TV fiction are covered - crime, westerns, sci-fi, soaps, comedy, adventure, horror along with children's TV and light entertainment (quizzes, games shows). Of these the authors have collected the classics, the innovators, the lost treasures, the obscure objects of cult desire, the hits - the shows in short, of screen note. Even if it's only because, like the BBC's sand-and-sangria melodrama Eldorado, they were such total turkeys. And, why not, they've also put in a few because they like 'em, and so should you. (The sci-fi 'Japanimation' The Guyver comes to mind). All have been broadcast in the UK. Completely updated.

TV Guide, 1978

**A Kid's TV Guide** Joy Wilt Berry, 1979 Discusses some of the good and bad aspects of television and points out safety factors to observe while watching television, how to choose a suitable program, and how to adopt a critical approach to commercials.

*I Heart TV* Sue Tuttle,Karina Reeves,2007 In this special collection of essays, the editors and writers of TV Guide present their 100 favorite shows. Ranging from the iconic shows of yesterday, such as *I Love Lucy* and *All in the Family*, to current hits like *Lost*, the book represents every genre -- from dramas and sitcoms to reality TV shows and even news programs. Each show is given an explanation of what makes it so special, both on a national scale and on a personal level, and features vital data such as season dates and key cast members. Entertaining sidebars, including "Classic Close-up" (very special episodes), "Preview Review" (what the magazine said when the show first premiered), "Jump the Shark" (the show's death throes), and "Did You Know?," add additional details. Both a viewer's companion and a celebration of one of America's favorite magazines, *I Heart TV* is a must-have reference for every TV fan.
