Key West & the Florida Keys Andrew Delaplaine,2016-09-05 There are many people who are enthusiastic about food-the cooking of it, the preparation of it, the serving of it, and let's not forget the eating of it. But Andrew Delaplaine is the ultimate Food Enthusiast. This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. Exciting does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of sensible alternatives for those looking for good food handsomely prepared by cooks and chefs who really care what they plate up in the kitchen. For those with a touch of Guy Fieri, Delaplaine ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Andrew Delaplaine not to disappoint. Delaplaine dines anonymously at the Publisher's expense. No restaurant listed in this series has paid a penny or given so much as a free meal to be included. Bon Appetit!

2022 Key West & the Florida Keys Restaurants Andrew Delaplaine,2021-11-12 Andrew Delaplaine is the ultimate Restaurant Enthusiast. With decades in the food writing business, he has been everywhere and eaten (almost) everything. "Unlike the 'honest' reviews on sites like Yelp, this writer knows what he's talking about. He's a professional, with decades in the business, not a well-intentioned but clueless amateur." = Holly Titler, Los Angeles "This concise guidebook was exactly what I needed to make the most of my limited time in town." = Tanner Davis, Milwaukee This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. "The fact that he doesn't accept free meals in exchange for a good review makes all the difference in his sometimes brutally accurate reviews." = Jerry Adams, El Paso "Exciting" does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of "sensible alternatives" for those looking for good food handsomely prepared by cooks and chefs who really care what they "plate up" in the kitchen. For those with a touch of Guy Fieri, Delaplaine ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Andrew Delaplaine not to disappoint. Delaplaine dines anonymously at the Publisher's expense. Florida Keys Best Restaurants Bob Epstein,Barbara Epstein,2017-11-25 Since our first book in 1989 with this same title, so many of the restaurants featured, have been sold, changed names, gone under due to owners passing, and so forth, that we felt the time was right to do a new book. We counted over 100-new, or takeover restaurants that opened since that first book. We all love to know about the past histories of great all-things-Keys, so we've included many recipes from that time in this, our new book. This book has a whole lot more than featured restaurants. We have Dolphins, fish, Turtles, Birds, gift shops, marinas, museums, dive shops, and even an underwater park!Just prior to printing of this book, Hurricane Irma hit the Keys. Many business had been impacted by this hurricane. So many are memories, but many are in the process of rebuilding. An example is Snappers in Key Largo. We are told that it will be better than ever. This book is divided in coloration from black & white images of the past, and some of the present, but all our new included restaurants are in color. Of course this is not an advertising piece, but a nod to what is great in the Keys for locals and visitors alike. However, as we all travel on our stomachs and universally desire to know where and what we can enjoy food-wise, this book is dedicated to offering great dishes that truly will cause wet chins from taste buds that just have not experienced the truly tasty Caribbean offerings that the fine, and some funky food emporiums have to offer throughout this island chain!Always remember: A book is new until you read it and this goes for a recipe too!
