- P THE GRIZZWELLS: FINGER FOOD** Bill Schorr, Ralph Smith, 2013-12-24 Nothing pleases Gunther Grizzwell like a good meal. Accompanied by his porcupine pal, the always-perplexing Pierpoint, Gunther roams the hills and campsites of the forest forever on the lookout for a tasty morsel of any shape or size. In this e-book only collection of Grizzwells comics, the duo ponders life's most important questions, such as: When it comes to road kill, is white or dark meat best? How important is presentation when serving up a delicious woodland creature? And which has the worst aftertaste, opossum omelets or stray chihuahuas? Clever and sharply drawn, The Grizzwells is a funny and unpredictable spin on the traditional family comic strip—with bite. Created by award-winning artist Bill Schorr, it has been in syndication nationally for more than twenty years.
- P THE RIVERS RAN BACKWARD** Christopher Phillips, 2016 This work argues that historians have largely ignored the West's centrality to perhaps the Civil War's most lasting outcome: the rise of regionalism as a force in postwar domestic politics.
- P THE GRIZZWELLS: UNSCRIPTED** Bill Schorr, 2013-12-24 For Gunther Grizzwell, holding down a day job is no simple feat. It takes dedication (to complete his daily naps), fortitude (to tolerate his irksome porcupine sidekick Pierpoint), and tenacity (to never stop searching for his next snack). In this e-book only collection of Grizzwells comics, Gunther and Pierpoint are the VIPs of the forest. Whether discussing the merits of daytime television, the latest confusing fashion trends, or their all-time favorite meals, every day at their woodland office is guaranteed to be comical, zany, and entirely unproductive. Clever and sharply drawn, The Grizzwells is a funny and unpredictable spin on the traditional family comic strip—with bite. Created by award-winning artist Bill Schorr, it has been in syndication nationally for more than twenty years.
- P SOUP TO NUTZ** Rick Stromoski, 2012-11-06 The Nutz family will never be confused with the Waltons, the Partridges, or the Bradys. But you might confuse them with another family: your own. Soup To Nutz: The First Course is the first collection of comic strips featuring the off-kilter Nutz family, where the battle for the last chicken leg rivals the Battle of Bull Run and sibling rivalry is putting it mildly. The battling brood includes brothers Roy-Boy and Andrews, their sister and middle child Babs, parents Roy and Pat, and their faithful dog Rosco. These six Nutz make up a family that is every bit as funny and screwball as their name implies. Roy-Boy teases his younger brother by telling him that he became part of the family when they found him in the woods and adopted him. But his sister is quick to set the record straight: Don't be silly, Andrew, you weren't adopted... Dad made you out of wood and a cricket turned you into a real boy. The irreverent humor of Nutz flows from the pencil of creator Rick Stromoski, whose research includes growing up the seventh member of a family of 12 children. That experience no doubt helped shape the humor behind what is one of the funniest up-and-coming strips on the funny pages today.
- P ON PATROL** Christopher Toenjes, 2019-05-12
- P JP-34**, 2019-02-05
- P THE HIDDEN LAMP** Zenshin Florence Caplow, Reigetsu Susan Moon, 2013-10-21 The Hidden Lamp is a collection of one hundred koans and stories of Buddhist women from the time of the Buddha to the present day. This revolutionary book brings together many teaching stories that were hidden for centuries, unknown until this volume. These stories are extraordinary expressions of freedom and fearlessness, relevant for men and women of any time or place. In these pages we meet nuns, laywomen practicing with their families, famous teachers honored by emperors, and old women selling tea on the side of the road. Each story is accompanied by a reflection by a contemporary woman teacher--personal responses that help bring the old stories alive for readers today--and concluded by a final meditation for the reader, a question from the editors meant to spark further rumination and inquiry. These are the voices of the women ancestors of every contemporary Buddhist.
- P CHILD WELFARE: CHILD ABUSE AND CHILD PROTECTION** Nick Frost, 2005 This collection focuses on child welfare in its specific sense: welfare and social interventions with children and young people undertaken by state bodies or NGO's. The term 'child welfare' is deployed differently in diverse international settings. In the United Kingdom child welfare tends to refer to individualised programmes for children who have experienced problems in their lives. In India, to take a contrasting example, it can also refer to major housing and nutrition programmes. This collection takes an inclusive approach to international perspectives. The collection is completed by a new general introduction by the editor, individual volume introductions, and a full index. Titles also available in this series include, Medical Sociology (November 2004, 4 volumes, 495) and the forthcoming collection Health Care Systems (2005, 3 volumes, c.395).
- P THE LOYAL WEST** Matthew E. Stanley, 2016-01-10 A free region deeply influenced by southern mores, the Lower Middle West represented a true cultural and political median in Civil War-era America. Here grew a Unionism steeped in the mythology of the Loyal West--a myth rooted in regional and racial animosities and the belief that westerners had won the war. Matthew E. Stanley's intimate study explores the Civil War, Reconstruction, and sectional reunion in this bellwether region. Using the lives of area soldiers and officers as a lens, Stanley reveals a place and a strain of collective memory that was anti-rebel, anti-eastern, and anti-black in its attitudes--one that came to be at the forefront of the northern retreat from Reconstruction and toward white reunion. The Lower Middle West's embrace of black exclusion laws, origination of the Copperhead movement, backlash against liberalizing war measures, and rejection of Reconstruction were all pivotal to broader American politics. And the region's legacies of white supremacy--from racialized labor violence to sundown towns to lynching--found malignant expression nationwide, intersecting with how loyal westerners remembered the war.
- P MALLARD FILLMORE--** Bruce Tinsley, 1995 Mallard Fillmore lampoons everything from political correctness to Phil, Oprah, and Geraldo to our government's insatiable appetite for spending our money. His marvelous supporting cast includes wickedly wonderful caricatures of everyone who's anyone, from Hollywood to D.C. to Arkansas.
- P VERTEBRATE BIOMECHANICS AND EVOLUTION** Vincent L. Bels, Jean Pierre Gasc, A. Casinos, 2003 This book addresses the topic of biomechanics from an evolutionary viewpoint, particularly how vertebrate evolution can be understood by studying biomechanics. The topic is addressed both from broad and specific examples of different vertebrates, and will be of interest to both biomechanic researchers and those interested in the evolution of the vertebrate body plan.
