Nice and F. A. T. Renita Brannan,Monica Hannan,2016-12 Have you been on diet after diet, only to find yourself fatter? Do you ever sabotage your health goals trying to be nice saying yes when you really mean no? Do you feel selfish when you take time to care for yourself? Do you blame having children or your age for your slow metabolism? Do you secretly wish you had more willpower? Are you ready to turn your body into a fat burning machine? If your answer is yes, get ready to cut the yo-yo diet string forever. It's time to stop counting calories and start counting on God's truth. This book will help you to renew your mind and body. Find out how health and fitness expert Renita Brannan teaches television anchor Monica Hannan how to lose weight, get fit and turn back the clock on aging...while leaning on the teachings of Jesus Christ. We can do all things through Christ who strengthens us! Philippians 4:13 This book will change your life!

No Voice Too Small Lindsay H. Metcalf,Keila V. Dawson,Jeanette Bradley,2020-09-22 Fans of We Rise, We Resist, We Raise Our Voices will love meeting fourteen young activists who have stepped up to make change in their community and the United States. Mari Copeny demanded clean water in Flint. Jazz Jennings insisted, as a transgirl, on playing soccer with the girls' team. From Viridiana Sanchez Santos's quinceañera demonstration against anti-immigrant policy to Zach Wahls's moving declaration that his two moms and he were a family like any other, No Voice Too Small celebrates the young people who know how to be the change they seek. Fourteen poems honor these young activists. Featuring poems by Lesléa Newman, Traci Sorell, and Nikki Grimes. Additional text goes into detail about each youth activist's life and how readers can get involved.

Gift of Death Monica Hannan,2016-06-20 Do you fear death? Our last breath on earth is followed immediately by our first breath in eternity, and for many, the distance between those breaths is full of fear and uncertainty. Through the use of personal stories and insightful conversations, Monica Hannan has opened for us a light into an often dark subject. Her natural gift for storytelling and her in-depth interviews with those who have experienced death, either their own or the deaths of those close to them, offer proof not only that our lives do not end here, but that there is no need to fear our final hours or what comes next. For those who put their trust in God, death truly is a gift, as we close our eyes in this world and open them in the next. As I made my way through the manuscript, it reminded me of so many experiences in my own life and ministry, which is a signal to me that the book will be a true service to its readers. -- Msgr. James P. Shea, President, University of Mary.
