Jericho Ryan Miller- AKA Mike Cummings,2020-11-05 This novel is about a woman trapped behind her self-imposed Walls of Jericho. With her fears to expose the truth, continuing to conceal a deception so as to protect her family's name and her loathing of the masquerade called her marriage, she falls prey to the devil's will and is destined to live a life of dread and anxiety. That is until a modern-day Joshua reappears and, through his strength, love, faith, and patience, brings her into the light. Jericho is a faith-inspired novel that is based on a true story of what should have been, and as my friend John Wilson puts it, Jericho is a great read that inspires you, and forces you to turn the page and makes you want to stand up and cheer!

Flipping Point Barry R Norman,2016-11-10 Flipping Point is a stream of consciousness look into the mind of the author as he tries to understand the roots of his lifelong battle with depression and suicidal thoughts. It flows through several events, relationships and offhand thoughts, some humorous, others heartbreaking, as he seeks answers to the ultimate existential questions. It began on his 59th birthday, as a movie theater owner whose only family is his 15 year old, diabetic, blind dog, with an offhand typing spree at the computer keyboard. One story begat the next until he went back and forth within his own timeline, sussing out the specific events and occurrences that dotted his life, leading to where he is at that very moment of typing. As we all struggle with the ultimate question, how did I get here, Flipping Point could be more than just a singular autobiography, but an iconic look into all of our souls to find both the

humor and pathos of our individual lives.
