A Year of Coloring Affirmations for New Mothers - Adult Coloring Book Sarah Renae Clark, 2016-04-27 Combine the therapeutic art of coloring with the power of positive thinking! A Year of Coloring Affirmations for New Mothers is an adult coloring book that includes 52 coloring pages of positive affirmations to give new mothers the encouragement, confidence, inner strength and coping abilities they need to get through the unexpected ups and downs of the early years of motherhood. Motherhood is something that nobody can really prepare for. You can read every book, follow every routine, do everything right, have the perfect baby, and still not cope. Sometimes it's hormones, sometimes it's post natal depression, and sometimes it's just a bad day. In those moments, it's hard to ask for help, but sometimes all it takes is an encouraging word or a boost of confidence to get through. One positive thought can change your entire day. Affirmations can sometimes feel forced and it can be hard to embrace them. We are encouraged by experts to repeat our affirmations out loud, multiple times a day. Coloring page affirmations combine the therapeutic art of coloring with the power of positive thinking and visualization. Through the meditation and mindful focus of coloring, you are absorbing the positive message on each page without having to force yourself to repeat it. You are expanding the concept of positive affirmations to appeal to more of your senses - rather than just speaking and hearing, you can now touch and visualize as well. By working on the same page for multiple days, you are establishing positive thoughts in your long term memory and changing your entire way of thinking. When your baby is crying because they don't want to have a nap today.... Color My baby loves me When you're feeling like a bad mother for using the TV so you can take a break... Color I am proud of the Mother I am When you are second guessing your decisions and feeling like a failure... Color I am strong enough to fight my insecurities When you've called your friend for the fifth time this week to settle your baby... Color It's ok to ask for help When you feel like you haven't slept all year... Color I am full of energy When your baby is teething in the middle of a growth spurt and won't eat or sleep... Color I have been through hard days before and I will get through today When you accidentally cut your child's fingers instead of cutting their nails... color I'm a good mother When you're eating breakfast while your husband is preparing lunch... Color If I'm out of my pajamas by noon, it's a great day When that nappy just wasn't big enough... Color This too shall pass When your baby finally falls asleep in your arms instead of their cot... Color I will enjoy every cuddle Each coloring page in A Year of Coloring Affirmations for New Mothers is single sided, so you can color without worrying about your colors bleeding through to the next page. This affirmations coloring book is a great gift for your mother, sister or wife. Add it to you Baby Registry or buy a few as Baby Shower gifts for friends. It is a must have for any new or expecting mother.

Not Just for Children Harold E. Hinds, Charles M. Tatum, 1992-07-22 This pioneering study presents an overview of the Mexican comic book industry, together with in-depth studies of the best selling Mexican comic books of the 1960s and 1970s. Most of the popular superhero, adventure, humor, romance, political, detective, and Western comic books are described and analyzed in detail, and then discussed in terms of how they reflect both Mexican and United States cultures. The study concludes with a critical discussion of the media imperialism hypothesis' applicability to the Mexican comic book. The comic book is Mexico's most popular print medium, read by all ages and socio-economic groups. Many may be surprised to learn that, in Mexico, Mexican comic books far outsell U.S. comic books in Spanish translation. The Mexican comic book is not a clone of its U.S. model, but rather a hybrid product that mixes U.S. forms and conventions with Mexican content. This work is a major contribution to the understanding of contemporary Mexican culture.

The Reverse Coloring Book™ Kendra Norton, 2021-08-31 Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.
