Kid Songs Around the World Lisa Yannucci, 2016-11-20 Music has the power to bring people together. It helps us have a better understanding of the world in which we live, in all its wonderful diversity. The songs and rhymes of children most of all! In *Kid Songs Around The World* we've gathered 100 of our favorites from all the continents of the globe. We start in Africa, with welcome songs, circle dances and call-and-response tunes. Then, we move on to Asia, with songs of friendship, love and play. Then Australia and the islands of Oceania, where you can learn songs about the sea. The songs from Europe include well-known characters like the Sandman and Little Red Ridinghood. From North America you can find an Iroquois lullaby and both English and French Canadian songs. We end with South America where the music is tinged with African and Spanish influences. Each song includes the full text in the original language, with an English translation, and most include sheet music. All include links to web pages where you can listen to recordings, hear the tune or watch a YouTube performance. Each includes a beautiful illustration. Many have commentary sent to us by our correspondents who write about the history of the songs and what they meant in their lives. *Kid Songs Around The World* is produced by Mama Lisa's World, where we believe sharing our cultures will help bring the world closer together. At Mama Lisa's World we work with ordinary people around the globe to build a platform to preserve and exchange traditional culture. We hope this book will help foster a love of international children's songs!

**30 Easy Play Songs every parent/grandparent can play for kids even if they've never played music before** Helen Winter, 30 Songs you can play for your baby immediately on any instrument you may have at home without any musical

background. Hi. Now you are parents. Or grandparents. The second is much easier but does not free you from the duty of singing lullabies and other funny kids' songs to your little ones. Do you feel forced to sing them? It's not easy, is it? Especially if you're tone-deaf. Did your schoolmates study violin while you were playing hooky from music class? Now with the kids, you're stuck and everyone expects you to be a lullaby singer. Well, we have a solution for you. If your only singing has been in the shower, let us help you become a real musician. And you can do it with any instrument. Even a toy piano, if it is tuned. If you are a musician, this book is not for you. You can go play your instrument in an orchestra. Kids like simple music. We offer your a guaranteed time-tested set of cool kids' songs. These are famous kids' songs (which you'll recognize) and also some musical nursery rhymes threw in. What do you need for your musical success? Equipment for starters. Your instrument can even be jars with water. But for most songs, it'll be better if they are somewhat tuned. It could be any key instrument like a piano, melodica, kalimba, marimba, synthesizer, xylophone, glockenspiel, or a color bell set with 8 bells or more. Drums, tambourines, castanets, and music rattles are also welcome. The main argument for the idea of not being able to play in a band with your child immediately is I CANNOT READ MUSIC SHEET. Don't worry! You don't have to! We made our pictures large and as simple as possible. You'll easily play by circles. No musical staff or notes. Your listeners are not very critical and won't know the difference. Kids are the best listeners in the world. The sheet music book has 2 parts: Part 1. No musical staff or notes. Simply follow the circles with letters. To show the rhythm, we grouped the circles together. Every song in this section was adapted for the newbie - you - just 8 notes (one octave). Part 2. Here you'll see traditional musical notes and staff added. But don't worry - the helpful letters are still there. Important! You will be able to begin to play right away if the keys of your instrument have letter

notations on the keys (like kalimba or xylophone). For other instruments, you just need to get and apply stickers with letter-notations. Just 8 stickers will be enough. Write the notes with a marker - A B C D E F G and C8. Easy play songs were adapted especially for beginners. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, please use the classic music score for the piano. Songs: 1. Hot Cross Buns 2. Are you sleeping? 3. Mary had a Little Lamb 4. The wheels on the Bus 5. Twinkle. Twinkle Little Star 6. Old MacDonald had a farm 7. Do you know the Muffin Man? 8. London Bridge is Falling Down 9. Jingle Bells 10. We wish you a Merry Christmas 11. Brahms's Lullaby 12. Ode to Joy 13. Happy Birthday 14. Le Cucaracha 15. Oh! Susannah 16. Itsy Bitsy Spider 17. The First Noel 18. Yankee Doodle 19. Row, row, row your Boat 20. Jolly Old Saint Nicholas 21. Amazing Grace 22. Silent Night 23. Beethoven. For Elise 24. Rain, rain, go away 25. Alphabet Song 26. A Ram Sam Sam 27. Little Jack Horner 28. ### Italian Kid Songs and Rhymes Lisa Yannucci, 2012-03-23

Italian Kids Songs and Rhymes: A Mama Lisa Book Italy! A land with a rich tradition of children's songs and rhymes! In this book we've gathered over eighty Italian songs and rhymes, presented in their original language and with translations into English. Many have commentary sent to us by our correspondents around the world. It's an ideal resource for teachers of the Italian language, parents who want to share memories with their children, and anyone who loves the Italian culture. You'll find nursery rhymes like Batta le Manine (Clap Your Hands), songs like La bella lavanderina (The Pretty Washerwoman) and Christmas carols like the beloved Tu scendi dalle stelle (You Come Down from the Stars). Italy has been at the center of Western civilization for thousands of years, and we've included representatives from that entire time span. So you'll even find a

few songs in Latin, the language of the Roman Empire and the Church, like *Personent hodie* (This Day Resounds), a carol from the 1500's. We're also very pleased to include several songs in different Italian dialects. Italy has had varied linguistic influences over the ages and this has led to many different variants of the language still being spoken there. Many have also been preserved in immigrant communities, particularly in the US, though these are fading as the children and grandchildren of immigrants often speak only English. Yet those same people have treasured memories of the rhymes and songs their grandparents sang to them. There's not always a sharp distinction between songs sung by children and by adults. So we've included a sampling of popular traditional songs like *Santa Lucia*. *Italian Kids Songs and Rhymes* is produced by *Mama Lisa's World*, where we work with ordinary people around the globe to build a platform to preserve and exchange traditional culture. Most of the featured songs and rhymes have been provided by our contributors, to whom we're very grateful! The book works in concert with our web site. At the end of each item, there's a web address to an online version of the song or rhyme. There we are often able to include sheet music, recordings and videos of performances. We hope this book will help foster love of the Italian language and culture all over the world! Grazie! This book includes: -Italian songs, rhymes, lullabies, and carols -Each in the original language and with translations into English -Commentary from ordinary people about what the songs have meant to their lives -Web links to recordings and sheet music -Illustrations
