Counting Reindeer Brenda J Sullivan, 2020-12-13 Parents! Are you looking for an activity book that will teach counting, colors, and facts about reindeer? Look no further! This beautifully illustrated counting and coloring book is for toddlers which brings nature alive. Toddlers learn by experience, and what better way to keep them busy is by learning the names of things in nature. This book is designed to help teach children to count from one to ten with simple text and sight words. Facts about how things work are essential to understanding the seasons and life cycles of living things. We have included pictures of real reindeer and a fact sheet on how they live in the wild. In the second half of the book are coloring pages, so children can color their own reindeer.

Count and Color to Ten Jupiter Kids, 2016-03-03 Let's count, but not just by using your

fingers; rather, you need to use your hands. Counting through coloring is an ingenious take to this most basic math skill. When you color, you're making memories so you get familiar with numbers faster and more efficiently. You get the chance to trace how numbers are written, leading to the possibility of independent writing soon. Start your number adventure today!
