Knuffle Bunny: A Cautionary Tale Mo Willems, 2024-09-03 For

the first time ever, Knuffle Bunny, the hilarious picture book by Mo Willems that received a Caldecott Honor in 2005, is available in a board book format perfect for the littlest readers. Trixie, Daddy, and Knuffle Bunny take a trip to the neighborhood Laundromat. But the exciting adventure takes a dramatic turn when Trixie realizes somebunny was left behind. . . . Using a combination of muted black-and-white photographs and expressive illustrations, this stunning book tells a brilliantly true-to-life tale about what happens when Daddy's in charge and things go terribly, hilariously wrong.

Chapters\* SIMPLE DOODLES - Small things make life beautiful.  
Learn Doodle Through Simple Shapes.\* EXPRESS YOURSELF -

Learn Cute Expression through Simple lines.\* CREATE YOUR OWN HAPPINESS - Its fun Coloring Chapter. Unwind your creativity & add colour to your happiness.\* FINDING HAPPINESS IN EVERYTHING - It's more fun & Challenging chapter for your creativity.\* HAPPY BEING STORYBOARD - Understand your loved ones. Match the doodles that represent them. Give a face to the doodles and make it close to your heart. The purest and most thoughtful minds are those which love colour the most. John Ruskin. The reason 'Why I created doodle colour book for kids? ' is that doodles are the simple and impressive art form that resembles innate scribbles of innocent kids. Doodles have the unique quality of easily connecting with children and allow them to expand their canvas of thoughts. It is very rare to find doodle colouring books in the Indian market. One of the specialities of this Happy Being Book is that it is apt for people of all age group. Unlike other colouring books, this book is designed in such a way to make it more interesting and interactive for both kids and grown-ups to an equal extent. This book is a perfect stress buster. This is the first colouring book initiative by DoodleMonk, the company I started to spread the positive vibes through doodle artefacts. Hope you like the sketches. Let me know your views on this book and

suggestions on interesting themes for the next books. Looking forward to your feedback. Have a great time colouring. Let us spread happiness!

*doodle this!* andy cowie,2020-11-09 What do you see? What

can you turn it into? “doodle this!” is a simple, intuitive, and fun doodling activity that provides the starting point for children to unleash their creativity. Here’s how it works: see it - Each single page is printed with a random set of shapes and lines that spark the imagination. draw it - Using a different colour, add, connect or draw new pieces to complete a drawing of whatever you want to create - people, animals, buildings, trees, planets, whole scenes... anything you can imagine! share it - You, family and friends will be amazed with what the kids can come up with. No rules, no right or wrong, no winners and losers, just an opportunity to disconnect from the digital world and let loose your child’s creative spirit. Share your creations @doodlethis\_doodles

**21 Doodle Days** Diane Bleck, 2017-12-24 21 Doodle Days A Visual Learning Workbook for Teachers, Parents & Kids Diane Bleck is on a mission to unlock creativity at home, school and work. For the past 20 years she has been teaching people how to doodle to create learning solutions for companies large and small. Recently she was invited to teach a doodle course in her daughter's 7th Grade classroom. This has become a yearly tradition for her family. At the end of the class, a student raised their hand and said, I wish you come into our classroom every day

to teach us. And so Diane got an idea to build a course that was designed for just that. A series of lessons where she could teach doodling in schools and homes around the world. After decades of hearing, I don't know what to draw or I wish I had a tool to get me started. Now you do! She had so much fun creating Doodling is Thinking: 21 Doodle Days . This workbook has been designed so that as many people as possible could join in and get started on their own, with their children and even their students. Make sure you sign up for the FREE 21 Doodle Days Course at [www.DoodleInstitute.com](http://www.DoodleInstitute.com)

Child Trauma and Attachment in Common Sense and Doodles – Second Edition Miriam Silver, 2024-02-21 Trauma and attachment are commonly used terms, but are complex concepts. 'Trauma' refers to negative experiences that cause us to fear for our safety, whilst 'attachment' describes meaningful relationships with someone we love or respect. Why, then, is so much of the language surrounding these concepts so obscure, and why is it so challenging to help children who have experienced trauma, and lack healthy attachment bonds? Providing grounded advice accompanied by accessible 'doodles' throughout, this guide aims to bring some clarity to the subject. It explains the differing attachment patterns in children who are adopted, fostered, or have experienced early trauma. The book also provides advice on how to repair attachment difficulties and to build secure, loving

relationships. With new material on cultural diversity and sexual exploitation as well as specific guidance for trafficked and asylum-seeking children, this fully updated new edition provides you with all you need to know.
