Book contains a very interesting way of developing your child's word learning and thinking ability through memory exercise games. There are pictures of 15 rooms. Every room contains various objects, starting from bedroom materials to toys and many others. From every room, there will be 1 to 3 things missings; For instance, in Room A, there are 3 scenarios: A1, A2, and A3. A1 means in room A, only 1 thing is missing; A2 means in room A, 2 things are missing and A3 means in room A, 3 things are missing. For detail, please refer to How to use this book. Your child will see the picture of a room with all the objects at first and then she has to find out the missing objects! For a little child, it is exciting and challenging. The pictures are very clear and most of the things are sight words, common objects - we see and use around us. Children have a list of words on every page! The words are from the pictures. Therefore, learning words and getting familiar with things are easy and interesting too. Finding the missing things give them a boost up of using the little brains and their memory. We strongly recommend that at first, read the How to Use This Book. You can find detailed clear instructions. Grown-ups can read and understand it by themselves. And yes, the answer key is provided!

*Memory Game* Zoe Cannon,Z.J. Cannon,2021-05-17 She used to be a simple assassin. Those were the days... Mal's job used to be straightforward: find the people causing problems for Hades and give them a one-way ticket to his realm. But with Hades's temple a pile of rubble and his other operatives dead, she has a new mission—prevent the entire world from finding out about the temple while single-handedly holding Hades's territory against the rest of the gods. And in less than two days, a documentary crew will get access to the ruins of the temple, and broadcast the truth about the gods' secret wars. Unless... Mnemosyne, goddess of memory, can alter a few memories and make the publicity problem go away. All she wants in return is one human dead—a human who happens to have the power to level entire buildings with a thought. Mal's maybe-ally Bastian offers to provide backup—but nothing is ever free. He needs her help settling an old score against a certain goddess. A goddess named Mnemosyne...
