A Year of Coloring Affirmations for New Mothers - Adult Coloring Book Sarah Renae Clark, 2016-04-27 Combine the therapeutic art of coloring with the power of positive thinking! A Year of Coloring Affirmations for New Mothers is an adult coloring book that includes 52 coloring pages of positive affirmations to give new mothers the encouragement, confidence, inner strength and coping abilities they need to get through the unexpected ups and downs of the early years of motherhood. Motherhood is something that nobody can really prepare for. You can read every book, follow every routine, do everything right, have the perfect baby, and still not cope. Sometimes it's hormones, sometimes it's post natal depression, and sometimes it's just a bad day. In those moments, it's hard to ask for help, but sometimes all it takes is an encouraging word or a boost of confidence to get through. One positive thought can change your entire day. Affirmations can sometimes feel forced and it can be hard to embrace them. We are encouraged by experts to repeat our affirmations out loud, multiple times a day. Coloring page affirmations combine the therapeutic art of coloring with the power of positive thinking and visualization. Through the meditation and mindful focus of coloring, you are absorbing the positive message on each page without having to force yourself to repeat it. You are expanding the concept of positive affirmations to appeal to more of your senses - rather than just speaking and hearing, you can now touch and visualize as well. By working on the same page for multiple days, you are establishing positive thoughts in your long term memory and changing your entire way of thinking. When your baby is crying because they don't want to have a nap today.... Color My baby loves me When you're feeling like a bad mother for using the TV so you can take a break... Big Kids Coloring Book Dawn D. Boyer Ph D,2015-06-03 Everyone loves butterflies, blooming flowers, and mandalas, and this coloring book for adults (big kids at heart, or even younger colorist) combines the delight of fancifully sketched butterflies, hovering over or around their favorite flowers, and framed in simple to intricate mandalas. This combination provides a delightful challenge for those who have grown to love the newest trending hobby of coloring other artist's line drawings. Coloring books will never lose their appeal - whether you are a pre-kindergarten toddler to the mature adult who is looking for something simple to play with for a solitary pursuit that provides artistic pleasure. This coloring book has the intensity of design in the mandalas, but also the simplicity of simple Zentangles that allow the reader (and budding artist) to pick and chose their favorite design, and then use colored pencils, markers, acrylics, or even crayons to add their own brilliant color combinations. Coloring can be cathartic for those needing something that doesn't take a lot of analysis or thought, while allowing them to pick and chose their personal colors to create an artistic masterpiece. The page of mandalas and Zentangle-inspired art allows relaxation while you wile away the hours or the day in your own mind. There is no judgment here. Have fun. Use the baseline designs and sketches to play and have fun. If there are blank spaces, along the borders or inside the design, add your own lines and patterns.
