Reading Comprehension Passages Educate
School, Reading Passages, 2017-09-12 Reading
Comprehension Passages: Level C Reading
Comprehension Passages with Text Evidence
Questions: Reading Comprehension 1st Grade: This
product is designed to help kids who are reading
at Guided Reading Level C become skilled at
reading simple passages and answering text-based
reading comprehension questions. As students find
the evidence that supports their answers, they
participate in their very first close reading
lessons. This pack is ideal for morning work once
students are familiar with the format. (Upon
request, an abridged version of this product is
now also listed in Spanish. If you'd like to take
a look, please [click here](#).) This packet includes
30 reading comprehension passages with three
reading comprehension questions per passage. Each
passage is presented twice. : In the first set,
the passages are provided in a standard format. I
have students circle the correct answer and also
write it on the line. : In the second set, a
color-coded crayon is provided in each answer box.
Students use that color to underline the evidence
in the text that supports their answer & also
answer in a standard format. Supports the
following Kindergarten and First Grade standards:
CCSS ELA-Literacy.RL.1.1 - Ask and answer
questions about key details in a text. CCSS ELA-
Literacy.RL.K.1 -With prompting and support, ask
and answer questions about key details in a text.
If multiple choice questions are new to your kids,
I recommend putting simple questions in a multiple
choice format during calendar time or other daily
routines. I like to give each student a strip of
cardstock with A, B and C written on it and have

them practice answering multiple choice questions by clipping a clothespin on the correct answer. This is an easy, fun way for kids to develop confidence answering multiple choice questions. Once kids are comfortable with the multiple choice format, I like to discuss the first few passages with groups and demonstrate how to answer the simple text-based multiple choice questions. Some of the passages are similar to each other so you can use one passage to teach and the other to check each student's understanding during independent work. I am finding that, with guided practice, reading comprehension exercises, kids quickly develop the skills they need to be successful reading these passages and independently answering the multiple choice questions. These passages are based on common sight words. I also have kids find and highlight selected sight words. Supports the following standards: CCSS ELA-Literacy.RF.1.3g - Recognize and read grade-appropriate irregularly spelled words (for beginning of year words). CCSS ELA-Literacy.RF.K.3c - Read common high-frequency words by sight. Comments & Reviews: Great resource! After this purchase, I now have purchased Guided Reading Level C, D, E, F, G, & H. I have found these passages to be helpful in many ways. I love how the comprehension questions become harder and require more thinking as the passage levels increase. Thank you for this resource! Love these - straightforward, easy to use and no extra words to trip over. Perfect for my favorite kinder! Many thanks for stopping by and taking a look! Sincerely, Enjoy:) All Educate School
