*The Ultimate Book of Scavenger Hunts* Stacy Tornio,2020-06-01 It's hard to resist a scavenger hunt. Give kids a list of things to find, and they naturally want to turn it into a game and start checking things off. Add in an outdoor and nature twist, and the game is elevated to a whole new level—and what an amazing opportunity to engage kids and families with nature in a whole new way. The Ultimate Book of Scavenger Hunts will help turn every outdoor outing into a scavenger hunt, with plenty of things for your family to look for, discover, and learn about. Geared towards families with kids ages 4-10, the hunts are geared to just about any location—from city to farm to beach to mountains. The book includes a leveled difficulty rating system so you can find both easy and difficult items within each hunt (1 being easy, 2 medium, 3 hard). Each hunt comes complete with factoids and information about the items on the list, and each item is accompanied by a colorful spot illustration so that the hunter can easily identify what they are looking for.
