The Book of Kids Songs John Cassidy,Nancy Cassidy,
30 Easy Play Songs every parent/grandparent can play for kids even if

they've never played music before Helen Winter, 30 Songs you can play for your baby immediately on any instrument you may have at home without any musical background. Hi. Now you are parents. Or grandparents. The second is much easier but does not free you from the duty of singing lullabies and other funny kids' songs to your little ones. Do you feel forced to sing them? It's not easy, is it? Especially if you're tone-deaf. Did your schoolmates study violin while you were playing hooky from music class? Now with the kids, you're stuck and everyone expects you to be a lullaby singer. Well, we have a solution for you. If your only singing has been in the shower, let us help you become a real musician. And you can do it with any instrument. Even a toy piano, if it is tuned. If you are a musician, this book is not for you. You can go play your instrument in an orchestra. Kids like simple music. We offer you a guaranteed time-tested set of cool kids' songs. These are famous kids' songs (which you'll recognize) and also some musical nursery rhymes threw in. What do you need for your musical success? Equipment for starters. Your instrument can even be jars with water. But for most songs, it'll be better if they are somewhat tuned. It could be any key instrument like a piano, melodica, kalimba, marimba, synthesizer, xylophone, glockenspiel, or a color bell set with 8 bells or more. Drums, tambourines, castanets, and music rattles are also welcome. The main argument for the idea of not being able to play in a band with your child immediately is I CANNOT READ MUSIC SHEET. Don't worry! You don't have to! We made our pictures large and as simple as

possible. You'll easily play by circles. No musical staff or notes. Your listeners are not very critical and won't know the difference. Kids are the best listeners in the world. The sheet music book has 2 parts: Part 1. No musical staff or notes. Simply follow the circles with letters. To show the rhythm, we grouped the circles together. Every song in this section was adapted for the newbie - you - just 8 notes (one octave). Part 2. Here you'll see traditional musical notes and staff added. But don't worry - the helpful letters are still there. Important! You will be able to begin to play right away if the keys of your instrument have letter notations on the keys (like kalimba or xylophone). For other instruments, you just need to get and apply stickers with letter-notations. Just 8 stickers will be enough. Write the notes with a marker - A B C D E F G and C8. Easy play songs were adapted especially for beginners. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, please use the classic music score for the piano. Songs: 1. Hot Cross Buns 2. Are you sleeping? 3. Mary had a Little Lamb 4. The wheels on the Bus 5. Twinkle. Twinkle Little Star 6. Old MacDonald had a farm 7. Do you know the Muffin Man? 8. London Bridge is Falling Down 9. Jingle Bells 10. We wish you a Merry Christmas 11. Brahm's Lullaby 12. Ode to Joy 13. Happy Birthday 14. Le Cucaracha 15. Oh! Susannah 16. Itsy Bitsy Spider 17. The First Noel 18. Yankee Doodle 19. Row, row, row your Boat 20. Jolly Old Saint Nicholas 21. Amazing Grace 22. Silent Night 23.

Beethoven. For Elise 24. Rain, rain, go away 25. Alphabet Song 26. A Ram Sam Sam 27. Little Jack Horner 28. It's Raining 29. Baa-Baa Black Sheep 30. Ring around the Rosie.

A World of Children's Songs Mary Lu Walker, 1993 Introduction: A World of Children's Songs does not presume to be a definitive collection of songs from every country, although it does contain material from the seven major geographical-cultural regions into which it has somewhat arbitrarily divided the globe. One of its goals is to give children musical windows through which they can see into cultures different from their own. The examples included here, taken as a whole, can tell us much about the world of children wherever they may be. These songs are loved and sung by children because they are about the powerful stuff of life-family, work and celebration, sadness and happiness. The imaginative and adventurous leader or teacher can make use of this musical mortar to cement facts together to add texture and color to a child's understanding of life. A second, equally important goal of this book is to provide a musical resource that will help teachers, leaders, and parents introduce children to languages other than English. For many American adults, just the sight of a foreign word on the printed page is enough to discourage the use of a song, no matter how good the tune. Afraid of mispronouncing the words or of sounding pretentious if we do say them correctly, we stick to English. Consequently, the extent of most American children's repertoire of songs in another language is limited to Frere Jacques; adults don't feel self-conscious singing or teaching those French

words because we learned them as children. I believe the time has come to move beyond Frere Jacques because the simple truth is that children will tackle any language as long as someone takes the time to teach them. The third goal for A World of Children's Songs is to offer songs that are easy to learn and fun to sing. Whether or not one chooses to use them as resource material or teaching tools, the songs in this collection are enjoyable bits of the world's culture that need to be shared with each new generation.
