Life with My Family Renee Hooker,Karl Jones,2018-10-16 Cute and familiar. - Kirkus From New York Times Best-Selling illustrator, Kathryn Durst, and Penguin Workshop editors and authors, Renee Hooker and Karl Jones, comes a tale of a young girl who imagines her family as a pandemonium of parrots, a swarm of bees, a smack of jellyfish, a wisdom of wombats, and more! When a young girl gets frustrated with her chaotic life at home, she imagines what things would be like if her family were animals instead. Would life be better as a pod of pelicans, a pride of lions, or a herd of buffalo? Or is it ultimately a family of humans that she needs? In this beautifully illustrated book, young readers learn the names for groups of animals through a sweet, whimsical narrative that focuses on the importance of family.

Mama the Storyteller Stella Sabina,2020-12-12 Mama gave me a chance many children of today do not get; to sit around the fire and hear their mothers narrate traditional stories, not from books but from the heart. She changed voices of the different characters and sometimes even sang to bring the stories to life. I had to learn how to pay

attention, as there were no books for reference later. If you do not pay attention and think about what I am telling you, you will have nothing to teach your children when you become a parent, Mama said over and over. She taught me how to think and figure out what I needed to learn from the stories she told. I hope storytellers will be enriched by the stories Mama told me when I was growing up, and those I have written using her methodology. To be a storyteller you need a rich bank of stories on various themes of life. My intention is to enrich storytellers, and to keep Mama's memory, she is the best teacher I have ever had. Each story has an introduction to let my readers know why Mama told me that story, or why I wrote that story. There is room for creativity, to bring the stories to life and suit the age group you are telling the story to. All the stories in this book are educational and can be used for entertainment as well. I hope you will enjoy and continue passing on the message you derive from each story to everyone you meet. Be happy always.

A History of East African Theatre, Volume 1 Jane Plastow, 2020-10-29 This book is the first ever transnational theatre study of an African region. Covering nine nations in two volumes, the project covers a hundred years of theatre making across Burundi, Djibouti, Eritrea, Ethiopia, Kenya, Rwanda, Somalia, Tanzania, and Uganda. This volume focuses on the theatre of the Horn of Africa. The book shows how the theatres of Djibouti, Eritrea, Ethiopia, and Somalia, little known in the outside world, have been among the continent's most politically important, commercially successful, and widely popular; making work almost exclusively in local languages and utilizing hybrid forms that have privileged local cultural modes of production. A History of African Theatre is relevant to all who have interests in African cultures and their relationship to the history and politics of the East African region.

A Series of Unfortunate Events 01. The Bad Beginning Lemony Snicket, 2012-09-01 There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . In The Bad Beginning the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. Then again, why trouble yourself with the unfortunate resolutions? With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.
