

Kill Me Later

Rasheed Newson

Love Me Now; Kill Me Later J. Fran Baird, 2016-06-30 Danny Shepard isn't a typical sailor. Smart, skilled, scheming, the femme-fatale entices men and collects mementos. *Love Me Now; Kill Me Later* depicts the evolution of a serial killer, a thirty-year voyage that takes an unlikely mariner from fertile wheat fields of Washington State's Palouse to seaports on every continent, from deckhand to captain in perfect venues for fortuitous encounters and untraceable murders. When Danny returns to Spokane to claim an unexpected inheritance of half-a-million dollars and a remarkable house her father built fifty years earlier, the sailor-sans-conscience is forced to confront her past. A collection of diaries, the earliest entry made at the age of eight, and mementos stored in a cigar box disguised as a book, are resurrected; friends, lovers, murders revisited; harrowing nightmares relived. They provide insight into the mind of a woman who is both victim and villain. Looking back at an irrefutable record of dirty deeds, Danny feels no remorse yet cannot imagine a future. In her father's house on South Hill, she plots an end to the Danielle Shepard story.

Kill Me Stephen White, 2006-03-02 "Kill Me is that rarest of creations—a thinking-person's thriller. In this age of the same-old same-old-fiction, White's novel stands dizzyingly above the pack. The concept is unique (and brilliant), the writing is sharp, observant, and wry (White's trademark), and every page is filled with perfectly realized human emotion—about life, death, and family. Superb."—New York Times bestselling author Jeffery Deaver He's fabulously wealthy and lives life to the fullest—enjoying fast, expensive cars, the love of his beautiful wife, and adventures in every corner of the globe. When a friend is stricken down by a terrible illness, he realizes his only fear is to be diminished by disease. That's when he meets the Death Angels, who promise to end his life should he ever face such a fate. The only hitch is that the contract is irrevocable. And once he signs it, he discovers he has one more all-important task to carry out

before it's executed...

Kill Me Again Rule, Leslie, 2012-04-03 DIV In her dreams, her life was not her own. Awake, the threat of danger was real. Everyone said that she was crazy. But when Alexis dreamed of dying, she knew she had been killed before. And if it had happened once, it could happen again. /div

Kill Me Again Maggie Shayne, 2022-08-04 The Joyride Two teenage boys in a borrowed car find a dead man along the roadside... who turns out to be not so dead. The Body The man has been shot in the back of the head, but the steel plate in his skull saved his life. He has no ID and no memory. But in his pocket is Professor Olivia Dupree's card, with her home address and private number hand written on the back. The Mysterious Stranger Olivia has secrets that could get her killed. It makes her nervous that the reclusive author she invited to be the guest speaker at a private fund raiser, was apparently the target of a professional hit. But that has to be who he is. Aaron Westhaven, the author she's read so much, he feels like a friend. The card she's shown is the one she sent him, the handwriting on the back, her own. He was due to arrive the same day the stranger was found. The Assassin An attempt on Olivia's life proves there is some connection between the dangerous past she's been hiding from for 16 years, and the people who want Aaron dead. The author himself is sexy as hell, and way tougher than she expected. He knows way more than a hermitic writer should about combat, weapons, and evading authorities. Is it him? She begins to suspect Aaron isn't Aaron at all, but a killer sent after her by an old enemy from her past. It's a shame that by then, she's already fallen for him. "Maggie Shayne's books have a permanent spot on my keeper shelf. She writes wonderful stories with page-turning thrills. I highly recommend her to any fan of romantic suspense." #1 New York Times bestselling author KAREN ROBARDS

Leonard Maltin's 2009 Movie Guide Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference

to the world of film, including more than ten thousand DVD titles, along with information on performers, ratings, running times, plots, and helpful features.

Kiss Me Kill Me Lauren Henderson, 2009-01-13 When 16-year-old Scarlett Wakefield transfers from St. Tabby's to Wakefield Hall Collegiate, she is relieved that no one knows her dark, haunting secret. A few months ago, Scarlett was invited to an elite party with a guest list full of the hottest names in British society, including Dan McAndrew. Before the party, Scarlett had only imagined what it would be like to have her first kiss with Dan, but on the penthouse terrace, Dan leaned in close and she no longer had to wonder. Their kiss was beautiful and perfect and magical, and then . . . Dan McAndrew took his last breath as she held him in her arms. No one knows how or why Dan died, and everyone at St. Tabby's believes Scarlett had something to do with it. But now that she's safely hidden away at Wakefield Hall, Scarlett would rather forget that it ever happened. Only she can't. Especially when she receives an anonymous note that will set her on the path to clearing her name and finding out what really happened to the first and last boy she kissed.

Kill Me Softly Sarah Cross, 2012-01-01 Mirabelle's past is shrouded in secrecy, from her parents' tragic deaths to her guardians' half-truths about why she can't return to her birthplace, Beau Rivage. Desperate to see the town, Mira runs away—and discovers a world she never could have imagined. In Beau Rivage, nothing is what it seems—the strangely pale girl with a morbid interest in apples, the obnoxious playboy who's a beast to everyone he meets, and the chivalrous guy who has a thing for damsels in distress. Here, fairy tales come to life, curses are awakened, and ancient stories are played out again and again. But fairy tales aren't pretty things, and they don't always end in happily ever after. Mira has a role to play, a fairy tale destiny to embrace or resist. As she struggles to take control of her fate, Mira is drawn into the lives of two brothers with fairy tale curses of their

own...brothers who share a dark secret. And she'll find that love, just like fairy tales, can have sharp edges and hidden thorns.

Kill Me Quick Meja Mwangi,2009 Meja and Maina arrive in the city confident their high school diplomas will lead to employment and success. However, they are unable to find jobs and they end up in the backstreets, with the homeless poor. Brutally separated, they meet years later behind prison bars. This novel displays Mwangi's talent for writing lively stories depicting societal problems in Kenya.

Kill Me If You Can James Patterson,Marshall Karp,2011-08-29 A poor art student living in New York stumbles on a bag of diamonds . . . but they come at a price in this unforgettable novel from America's #1 storyteller (Forbes). Matthew Bannon, a poor art student living in New York City, finds a duffel bag filled with diamonds during a chaotic attack at Grand Central Station. Plans for a worry-free life with his stunning girlfriend Katherine fill his thoughts - until he realizes that he is being hunted, and that whoever is after him won't stop until they have reclaimed the diamonds and exacted their revenge. Trailing him is the Ghost, the world's greatest assassin, who has just pulled off his most high-profile hit: killing Walter Zervas, a top member of the international Diamond Syndicate. There's only one small problem: the diamonds he was supposed to retrieve from Zervas are missing. Now, the Ghost is on Bannon's trail but so is a rival assassin who would like nothing more than to make the Ghost disappear forever. From the world's #1 writer comes a high-speed thrill ride of adrenaline-fueled suspense you'll never forget.

Kiss Me, Kill Me Ann Rule,2004-12-01 The dark side of love is no fairy tale.... And while we may like to believe that crimes of the heart only victimize those who aren't careful, this page-turning collection of must-read accounts will convince you otherwise. America's #1 true-crime writer, Ann Rule reveals how lovers become predators, how sex and lust can push ordinary people to desperate acts, and how investigators and forensics experts work

to unravel the most entangled crimes of passion. Extracting behind-the-scenes details, Rule makes these volatile relationships utterly real, and masterfully re-creates the ill-fated chains of events in such cases as the ex-Marine and martial arts master who seduced vulnerable women and then destroyed their lives...the killer whose calling card was a single bloodred rose...the faithless wife who manipulated and murdered without conscience...the blind date that set the stage for a killer's brutality...and more. In every case, the victim -- young and innocent or older and experienced -- unknowingly trusted a stranger with the sociopathic skill to hide their dark motives, until it was too late to escape a web of deadly lies, fatal promises, and homicidal possession.

My Super Pretty Wife Wen Ding, 2020-07-10 Mercenary King Chen Yang returned to the city to protect his comrade's sister, the goddess. In the bustling city, Chen Yang was like a fish in water, carefree and at ease. And to see how the previous generation's soldiers would use their iron fists and wits to build a business empire...

My Government Means to Kill Me Rasheed Newson, 2022-08-23 A NEW YORK TIMES NOTABLE BOOK · A NEW YORK TIMES BOOK REVIEW EDITOR'S CHOICE · 2022 LAMBDA LITERARY PRIZE FOR GAY FICTION FINALIST The debut novel from television WRITER/PRODUCER OF THE CHI, NARCOS, and BEL-AIR tells a fierce and riveting queer coming-of-age story following the personal and political awakening of a young, gay, Black man in 1980s New York City. Consistently engrossing. —New York Times Book Review “Full of joy and righteous anger, sex and straight talk, brilliant storytelling and humor... A spectacularly researched Dickensian tale with vibrant characters and dozens of famous cameos, it is precisely the book we’ve needed for a long time.” —Andrew Sean Greer, Pulitzer Prize-winning author of Less Than Zero Trey Singleton III arrives in New York City with only a few dollars in his pocket. Born into a wealthy Black Indianapolis family, at 17, he is ready to leave his overbearing parents and their expectations

behind. In the city, Trey meets up with a cast of characters that changes his life forever. He volunteers at a renegade home hospice for AIDS patients, and after being put to the test by gay rights activists, becomes a member of the AIDS Coalition to Unleash Power (ACT UP). Along the way Trey attempts to navigate past traumas and searches for ways to maintain familial relationships—all while seeking the meaning of life amid so much death. Vibrant, humorous, and fraught with entanglements, Rasheed Newson's *My Government Means to Kill Me* is an exhilarating, fast-paced coming-of-age story that lends itself to a larger discussion about what it means for a young gay Black man in the mid-1980s to come to terms with his role in the midst of a political and social reckoning.

Graveyard Blues Phillip Danna, 2016-03-09 From midnight to 0200 are the hours that the streets are usually still moving with the bright headlights, from mostly cars flashing in the one direction and the red taillights flashing about in the other direction, giving the darkness an eerie and sometimes grotesque mingling of flashing multi-colored neon lights of businesses with the haze of streetlights. The excitement of the night to come is highlighted with the manmade Aurora Borealis of dancing hews. At 2 a.m. the bars close down, therefore, the restaurant's alcohol drinks stop flowing. Now the streets are less filled with the kind of traffic that started that morning. Most of the business lights are dimmer, but not all. Mixed with a small amount of employees returning home from their late night shift are the cars returning from the bars. When graveyard begins and when the day darkens, many peace officers fall or are killed in the course of their job to protect the public while you are in your home safe. The hunt begins for criminals and we find them with handguns, knives, and all kinds of weapons. This is the time the drug addict's dope is taken. This book describes the danger for the officer when he must solve the problems before he leaves to handle another call. The reader will understand when darkness arrives; the danger

increases. It is a lonely shift as the deputy slowly drives his patrol until while looking for criminal activity in his area. Now the cat and mouse game begins as he is fighting fatigue and trying to stay alert for the next call. There are people out there who want to kill you or disable you rather than face arrest. You call for backup for help when you are arresting a dangerous person like a cold-blooded killer and especially when you are completing graveyard shift. As you slide under your warm blankets that cop is working the graveyard shift. Sleep peacefully and remember the road warriors are chasing crooks out in the neighborhood. And the war on crime begins again in the dark of night.

Darkness on His Bones Barbara Hambly, 2015-10-01 Simon. Something frightful has happened to Jamie. Please come . . . When James Asher is found unconscious in the cemetery of the Church of St. Clare Pieds-Nus with multiple puncture-wounds in his throat and arms, his wife, Lydia, knows of only one person to call: the vampire Don Simon Ysidro. Old friend and old adversary, he is the only one who can help Lydia protect her unconscious, fevered husband from the vampires of Paris. Why James has been attacked – and why he was called to Paris in the first place – Lydia has no idea. But she knows that she must find out, and quickly. For with James wavering between life and death, and war descending on the world, their slim chance of saving themselves from the vampires grows slimmer with each passing day . . .

After You with the Pistol Kyril Bonfiglioli, 2014-06-05 After you with the Pistol - the second Charlie Mortdecai novel by Kyril Bonfiglioli, soon to be a major film starring Johnny Depp 'Some of the nastiest, funniest and most enjoyable crime writing of the last fifty years' Guardian 'Mr Mortdecai, why do you suppose I and my superiors have preserved you from death at very very great trouble and expense?' Charlie Mortdecai - degenerate aristocrat and victim of his own larceny and licentiousness - has no idea. Until it is made clear to him that he must marry the beautiful, sex-crazed and very, very rich Johanna Krampf. The fly in the ointment

is that Johanna thinks nothing of involving poor Charlie in her life-threatening schemes such as monarch-assassination, heroin smuggling and - worst of all - survival training at a college for feminist spies. Perhaps, it's all in a good cause - if only Charlie can live long enough to find out. 'A rare mixture of wit and imaginative unpleasantness' Julian Barnes 'Splendidly enjoyable. The jokes are excellent, but the most horrible things keep happening' Sunday Telegraph 'At least of Hammett-Chandler weight, and in many ways surpasses them' The Times Literary Supplement Kyril Bonfiglioli was born on the south coast of England in 1928 of an English mother and Italo-Slovene father. After studying at Oxford and five years in the army, he took up a career as an art dealer, like his eccentric creation Charlie Mortdecai. He lived in Oxford, Lancashire, Ireland and Jersey, where he died in 1985. He wrote the three Mortdecai novels, a fourth historical Mortdecai novel (about a distinguished ancestor), and left a fifth unpublished at his death.

The Last Hunter Emma Feickert,

Can You Hear Me Now? Annie O'Sullivan, 2012-04-09 First published as only parts of her life, this book brings together the full life story of the woman known as Annie O'Sullivan. Horribly abused at the hand of her father, it is a collection of essays that graphically recount memories of her life as a confused child and young adult as she careened through life without compass, to ultimately, and against all odds, prosper. Culminating in the event that brought a degree of closure to her torture, O'Sullivan brings the reader on an intimate life journey through the eyes of this child's misunderstanding, will to persevere and desire to seek goodness despite her circumstances. Terrifying, infuriating and uplifting, this book touches not only survivors; but parents, childcare workers and teachers; reminding us of the true vulnerability of children and our collective responsibility to protect them.

Perfect Husband Gary Provost, 2016-07-11 As seen on A

Current Affair—the shocking story of Florida's most bizarre multiple murder case. As Lisa and Kosta Fotopoulos lay sleeping in their home, a burglar broke in and shot Lisa at point-blank range in the head. Miraculously, she survived to learn the sobering truth about her would-be assassin—and about her sociopathic husband's deadly agenda.

Help! My Life Is Killing Me William Clarke, 2020-02-24 **Help! My Life Is Killing Me** By: William Clarke **Help! My Life Is Killing Me** is the true story of William Clarke's youth, growing up in a neglectful, abusive, poor family, and how that impacted his adult life. Written from his own personal memory, as well as from information told to him by his mother and some of his siblings as he was growing up, he now shares with you his tale and hopes you may gain some insight into your own history.

Becoming Human Again Donald E. Miller, 2020-03-31 Genocide involves significant death and trauma. Yet the enormous scope of genocide comes into view when one looks at the factors that lead to mass killing, the struggle for survival during genocide, and the ways survivors reconstruct their lives after the violence ends. Over a one hundred day period in 1994, the country of Rwanda saw the genocidal slaughter of at least 800,000 Tutsi at the hands of members of the Hutu majority government. This book is a powerful oral history of the tragedy and its aftermath from the perspective of its survivors. Based on in-depth interviews conducted over the course of fifteen years, the authors take a holistic approach by tracing how victims experienced the horrific events, as well as how they have coped with the aftermath as they struggled to resume their lives. The Rwanda genocide deserves study and documentation not only because of the failure of the Western world to intervene, but also because it raises profound questions about the ways survivors create a new life out of the ashes of all that was destroyed. How do they deal with the all-encompassing traumas of genocide? Is forgiveness possible? And what does the process of rebuilding teach us about genocide, trauma, and human

life?

Immerse yourself in the artistry of words with is expressive creation, Discover the Artistry of **Kill Me Later** .
