*Citizens & Exiles: Christian Faithfulness in God's Two Kingdoms* Scott Aniol, 2023-09-01 Christians have always wrestled with how they should respond to the cultures around them. On the one hand, we recognize the goodness of God's creation and his common grace upon all people. On the other hand, we recognize that people are sinful and that the world is hostile to God and to Christians. So what are we to do? As tensions rise between church and state, some of the loudest voices articulating answers to the question do not match what Scripture commands for the church today. Some answers threaten to undermine the pilgrim character of New Testament Christianity and the spiritual mission given to the church of making disciples. Others advocate for a more privatized faith in conflict with the more holistic emphasis of Scripture. In this easy-to-read book, Scott Aniol demonstrates that Scripture teaches contrary to both of these postures. Aniol shows that the New Testament portrays Christians as citizens of the common kingdoms of this earth, but they are ultimately exiles since they are more profoundly citizens of Christ's redemptive kingdom. Understanding the biblical relationship between these two provides a very clear framework for preventing churches from losing their biblical mission while at the same time discipling Christians to actively engage in society around them. What the Bible prescribes for Christians in this present age is Christian faithfulness in both realms of God's sovereign rule. Scott Aniol, PhD, is Executive Vice President and Editor-in-chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary.

**Kingdom's Reign** Chuck Black, 2007-05-15 An evil army masses against the Knights of the Prince, and they are outnumbered. Only the King can save them... While the Knights of the Prince train in the Kingdom Across the Sea, the Dark Knight, Lucius, reigns in Arrethtrae with complete authority. But when a small group of loyalists swears allegiance to the King, the Prince returns, and in a mighty battle, Lucius and the Shadow Warriors are vanquished and imprisoned in the Wasteland. Peace and prosperity renew the land, and the Prince rules from the royal city of Chessington. While the heroic Cedric travels as ambassador, he sees that every corner of Arrethtrae reaps the benefits of prosperity brought to the land by the Prince's reign. But not everyone will swear allegiance to the King, and it seems this paradise may be lost yet again because of the pride and greed of evil men who plot to free the Dark Knight and his minions. Cedric rides desperately to bring the news before it's too late... Journey to Arrethtrae, where the King and His Son implement a bold plan to save their kingdom; where courage, faith, and loyalty stand tall in the face of opposition; where good will not bow to evil—where the King reigns...along with His Son!

**Living in God's Two Kingdoms** David VanDrunen, 2010 VanDrunen uses the two-kingdoms theory to demonstrate how God's response to the civil and spiritual kingdoms inform an active yet critical Christian engagement with culture.

Living in Two Kingdoms David Adam, 2009-03-01 "As a youngster," writes David Adam, "I always wanted to know more. I liked to climb the next hill and look around the next corner. My mother said I wanted to see the 'back of beyond.' I was never quite sure what she meant, but I was often aware of an otherness in the midst of what was plainly in view." David Adam believes that the kingdom of God is all around us—in the beauty and power of nature; in work and leisure; in the love we experience and offer to others. This book suggests that as we develop an awareness of the presence of heaven in each and every day, we will come to trust that death itself is nothing to fear. Illustrated with simple line drawings, *Living in Two Kingdoms* contains many personal stories, anecdotes, prayers, and

exercises. Both visionary and engagingly down to earth, Living in Two Kingdoms helps us to recognize that the visible world of matter and the invisible world of spirit are not two worlds but one. We can be sure that whatever harsh reality we may have to face from time to time, the true reality is that we are never on our own. Because here and now— whatever it may feel like—we are truly part of the kingdom of God.

Kingdoms in Conflict David Pawson, 2015-05-09 A 'kingdom' is a group of people ruled by one person, the 'king', who makes all the laws himself without their votes or approval. The concept is anathema to contemporary democracy and its confidence in government by the people, the naive assumption that majorities will always get it right. History does not encourage optimism. There have been more bad kings than good, even in God's chosen people Israel. Behind our world's problems, which baffle our finest politicians and philosophers, lies a fundamental, racial and fatal error of having chosen the wrong king. Born into his kingdom, he has deceived us into thinking we can each of us be our own kingdom, inevitably clashing with each other, as individuals or nations. The only solution is to find the right king and become his loyal citizens. One day all other kingdoms will be shaken to pieces but this will remain, for ever. Only then will the conflict, in which every one of us is involved, be resolved.

*Romance of the Three Kingdoms by Luo Guanzhong (Illustrated)* Luo Guanzhong,2023-06-22 One of the Four Great Classical Novels of Chinese literature, the historical novel 'Romance of the Three Kingdoms' is attributed to Luo Guanzhong, a fourteenth century playwright. Natural Law and the Two Kingdoms David VanDrunen,2010 Conventional scholarship holds that the theology and social ethics of

the Reformed tradition stand at odds with concepts of natural law and the two kingdoms. But David VanDrunen here challenges that status quo through his careful, thoroughgoing exploration of the development of Reformed social thought from the Reformation to the present. - from publisher description.

**Kingdoms of Sand: Books 1-3** Daniel Arenson, Game of Thrones meets Spartacus in an epic saga of sand and splendor. This bundle contains the first three novels of Kingdoms of Sand, a fantasy series from a USA Today bestselling author. That's over 1,000 pages of battles, intrigue, and magic. Sweeping from snowy forests to cruel deserts, from bazaars of wonder to fields of war, here is a tale of legionaries and lepers, priests and paupers, kings and crows. Here a girl travels across endless dunes, seeking magic; a cruel prince struggles to claim a bloodstained throne; and a young soldier fights to hold back an overwhelming host. The fate of all civilization stands upon a knife's edge, for under the storm of war, even the greatest nations are but kingdoms of sand.

**The Customs of the Kingdoms of India** Marco Polo,2007-02-01 As Marco Polo (1254-1324) returned home across the Indian Ocean, after years in the service of Genghis Khan, he picked up a fabulous array of stories from sailors and merchants, about the peoples of the region, some reliable, some wholly implausible, but all fascinating. Great Journeys allows readers to travel both around the planet and back through the centuries – but also back into ideas and worlds frightening, ruthless and cruel in different ways from our own. Few reading experiences can begin to match that of engaging with writers who saw astounding things: Great civilisations, walls of ice, violent and implacable jungles, deserts and mountains, multitudes of birds and flowers new to science. Reading these books is to see the world afresh, to rediscover a time when many cultures were quite strange to each other, where legends and stories were treated as facts and in which so much was still to be discovered.

**Destination Kingdoms Mansion** Pat Cruz,2023-11-22 I've learned through the school of hard knocks that life's journey is planned by God and not our own. My nuclear family, friends, and Christian exposure influenced the person that I became. I've learned that God's plans are not thwarted by our self-determination and direction. Eventually, I saw life through God's lens and gained a spiritual perspective over time. Through my life's journey of free will, undesirable outcomes emerged. In retrospect, I suffered the consequences because I had a rebellious nature toward my God. I married men who were incompatible and unequally yoked, which was my cross to bear. I point to incidents and occurrences that lead to failed marriages. But the good news is that I finally embraced the truth and turned to my first love, Jesus Christ. I spiritually connected to the good book written by men of faith. I felt compelled to share the story of God's plan of redemption through His Son, Jesus Christ. I learned that His yoke is easy and that His burden is light. Now I implore you to never give up if you mess up, fall off, or slide off the train. It's your choice, and your life is in the balance of a positive or negative outcome. If you choose disbelief, your destination is with the adversary. If you choose Christ, you're on your way toward the Kingdom's Mansion on the Happy Day Express.
