The Hooker and the Hermit Penny Reid ,LH Cosway,2015-02-02 Book #1 in the USA Today Bestselling Series New York's Finest Blogging as *The Socialmedialite* April 22 LADIES AND GENTS! I have an announcement! You know that guy I featured on my blog a few months ago? The really, really hot Irish rugby player who plays the position of 'hooker' in the RLI (Rugby League International)? The one with the anger management issues, the body of a gladiator and the face of a movie star? The one with the questionable fashion choices leading me to ask whether he was the lovechild of a leprechaun and a hobbit? Ronan Fitzpatrick? Yeah, that guy. Well, I have a confession to make... THE HERMIT Annie Catrel, social media expert extraordinaire at Davidson & Croft Media and clandestine celebrity blogger, can make anyone shine in the court of public opinion. She is the Socialmedialite, anonymous creator of New York's Finest and the internet's darling. Virtual reality is Annie's forte, but actual reality? Not so much. THE HOOKER Ronan Fitzpatrick, aka the best hooker the world of rugby has seen in decades, despises the media--social or otherwise. The press has spun a web of lies depicting him as rugby's wild and reckless bad boy. Suspended from his team, Ronan has come to Manhattan to escape the drama, lay low, fly under the radar. Only, Ronan isn't easy to overlook, and he can't escape the notice of the Socialmedialite... THE PLAN When Ronan is sent to Davidson & Croft Media to reshape his public image, he never expects to cross paths with shy but beautiful Annie, nor does he expect his fierce attraction to her. He couldn't be happier when her boss suggests pairing them together. What lengths will Annie take to keep her virtual identity concealed? And what happens when the hooker discovers who the hermit really is? The Hooker and the Hermit is a collaboration between authors L.H. Cosway and Penny Reid, is a full length 110k word novel, and is a standalone.

One Way or Another Kara McDowell,2020-10-06 Sliding Doors meets To All the Boys I've Loved Before in a sweet, smart holiday romance about a girl who decides to stop letting her anxiety stand in the way of true love. The average person makes 35,000 decisions every single day. That's about 34,999 too many for Paige Collins, who lives in debilitating fear of making the wrong choice. The simple act of picking an art elective is enough to send her into a spiral of what-ifs. What if she's destined to be a famous ceramicist but wastes her talent in drama club? What if there's a carbon monoxide leak in the ceramics studio and everyone drops dead? (Grim, but possible!)That's why when Paige is presented with two last-minute options for Christmas vacation, she's paralyzed by indecision. Should she go with her best friend (and longtime crush) Fitz to his family's romantic mountain cabin? Or should she accompany her mom to New York, a city Paige has spent her whole life dreaming about?Just when it seems like Paige will crack from the pressure of choosing, fate steps in -- in the form of a slippery grocery store floor -- and Paige's life splits into two very different parallel paths. One path leads to New York where Paige falls for the city . . . and the charms of her unexpected tour guide. The other leads to the mountains where Paige might finally get her chance with Fitz . . . until her anxiety threatens to ruin everything.However, before Paige gets her happy ending in either destiny, she'll have to face the truth about her struggle with anxiety -- and learn that you don't have to be perfect to deserve true love.
