Journal of the Senate of the Commonwealth of Virginia Virginia. General Assembly. Senate, 1926
Political pamphlets George Saintsbury, 1923 Political Pamphlets By George Saintsbury It is sometimes thought, and very often said, that political writing, after its special day is done, becomes more dead than any other kind of literature, or even journalism. I do not know whether my own judgment is perverted by the fact of a special devotion to the business, but it certainly seems to me that both the thought and the saying are mistakes. Indeed, a rough-and-ready refutation of them is supplied by the fact that, in no few cases, political pieces have entered into the generally admitted stock of the best literary things. If they are little read, can we honestly say that other things in the same rank are read much more? And is there not the further plea, by no means contradictory, nor even merely alternative, that the best examples of them are, as a rule, merged in huge collected 'Works, ' or, in the case of authors who have not attained to that dignity, simply inaccessible to the general? At any rate my publishers have consented to let me try the experiment of gathering certain famous things of the sort in this volume, and the public must decide. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
