What Do You Buy the Children of the Terrorist Who Tried to Kill Your Wife?

David Harris-Gershon,2013-08-01 David Harris-Gershon and his wife, Jamie, moved to Jerusalem full of hope. Then, mere days after Israel thwarted historic cease-fire negotiations among the Palestinians, a bomb ripped open Hebrew University's cafeteria. Jamie's body was sliced with shrapnel; the friends sitting next to her were killed. When a doctor handed David some of the shrapnel removed from Jamie's body, he could not accept that this piece of metal changed everything. But it had. The bombing sent David on a psychological journey that found him digging through shadowy politics and traumatic histories, eventually leading him back to East Jerusalem and the Hamas terrorist and his family. Not out of revenge. Out of desperation. Part memoir, part journalistic investigation, this fearless debut confronts the personal costs of the Palestinian-Israeli conflict and our capacity for recovery and reconciliation.

The Underground Railroad Mary Ellen Snodgrass, 2015-03-26 The culmination of years of research in dozens of archives and libraries, this fascinating encyclopedia provides an unprecedented look at the network known as the Underground Railroad - that mysterious system of individuals and organizations that helped slaves escape the American South to freedom during

the years before the Civil War. In operation as early as the 1500s and reaching its peak with the abolitionist movement of the antebellum period, the Underground Railroad saved countless lives and helped alter the course of American history. This is the most complete reference on the Underground Railroad ever published. It includes full coverage of the Railroad in both the United States and Canada, which was the ultimate destination of many of the escaping slaves. The Underground Railroad: An Encyclopedia of People, Places, and Operations explores the people, places, writings, laws, and organizations that made this network possible. More than 1,500 entries detail the families and personalities involved in the operation, and sidebars extract primary source materials for longer entries. This encyclopedia features extensive supporting materials, including maps with actual Underground Railroad escape routes, photos, a chronology, genealogies of those involved in the operation, a listing of Underground Railroad operatives by state or Canadian province, a passenger list of escaping slaves, and primary and secondary source bibliographies.

Loose Cannon Sidney Bell,2017-04-03 "An edge-of-your-seat tale of suspense paired with a heart-stopping romance . . . Love blooms amid the gritty realism of Sidney Bell's harrowing plot." –Sarina Bowen, USA

Today–bestselling author Released after five years in the system for assault, streetwise Edgar-Allen Church is ready to leave the past behind and finally

look to his future. In need of a place to crash, he's leaning on Miller Quinn. A patient, solidly masculine pillar of strength and support, Miller has always been there for him—except in the one way Church has wanted the most. With his staunchly conservative upbringing, Miller has been playing it straight his whole life. Now with Church so close again, it's getting harder to keep his denial intact. As they fumble their way back to friendship after so many years apart, Miller struggles to find the courage to accept who he really is. What he has with Church could be more than desire—it could be love. But it could also mean trouble. Church's criminal connections are closing in on the both of them, and more than their hearts are at risk. This time, their very lives are on the line. Don't miss the next titles in Sidney Bell's male/male romance series: *Hard Line* and *Rough Trade*. "Bell writes a meaty romance that you can't put down, and it's a worthy addition to the M/M contemporary romance genre." —RT Book Reviews (Top Pick) "A friends-to-lovers tender romance, a suspenseful mystery . . . Sidney Bell pulls it all off and makes it appear effortless." —Gay Book Reviews

Hearts on Hold Charish Reid, 2020-02-03 What happens in the stacks stays in the stacks... Professor Victoria Reese knows an uphill battle when she sees one. When a tightly wound, sexy-as-hell professor proposes a partnership between his library and her university, children's department head John Donovan is all for it. For the Duke's Convenience... A late fee and a sexy romance novel? There's more to Dr. Reese than she's letting on.
