The Cat Tender Martin Drapkin,2016-07-19 Maggie Mullen is an overweight twenty-seven-year-old woman who has built a quiet, simple life for herself that revolves around her cat-tending business, the time she spends with her own faithful feline Lucy, and her enduring love for Frank Sinatra. But things are quickly becoming complicated. Maggie is asked to be the maid of honor at her younger sister’s wedding: a nightmare prospect that threatens to take Maggie from her carefully constructed comfort zone and force her to face her past, present, and future. The life she’s been leading is her own . . . but is it enough? A Five-Color Buick and a Blue-Eyed Cat Phyllis Anderson Wood,2006-01-01 Charmaine Duvall was a sensational hit on Broadway by age 18. That wasn't her only passion: the love of the man she'd longed for since childhood was just a breath away, and she was about to win his heart. Suddenly, her storybook life was devastated by the invasive manipulations of an evil admirer. In one horrific evening her lifelong dreams were turned to ashes. Reeling from that calamity, she would be forced to uncover the greatest pain of her existence and confront the hideous darkness that sought to destroy her forever. Storm Dancers is the story of a woman tested by fire more than most will ever know. And her only chance for survival would hinge on a carefully guarded secret buried inside an ancient scarlet diary...if only it could be found. Storm Dancers is emotionally riveting throughout-it's simply excellent. It's a very moving and satisfying story, and it poignantly addresses the hurts and hungers of our times. Robert Anderson's hard work over the hard facts has created an engaging narrative-I score it a '100'! -Dr. Jack Hayford, top selling author

Reflections of a Cat Whisperer Mary Ann Clifford,2012-11-30 Reflections of a Cat Whisperer is a journey through childhood and then into life as an adult. The short stories, thoughts, and verses are descriptions of the interactions between numerous felines and me throughout the years. This collection is not one continuous story; rather it contains descriptions of moments with my thundering herd and other felines. It is about a magical way of looking at life through which I received wisdom and continue to do so from these marvellous creatures.

The Book of the Cat Frances Simpson,1903

The Cat on My Lap Callie Smith Grant,2014-10-14 Pets are such a big part of so many of our lives. As any pet lover knows, a wagging tail or a tender purr can soothe the soul after a hard day. And sometimes, the presence of dogs and cats in our lives can do even more. In these delightful books, Callie Smith Grant collects stories that celebrate the dogs and cats in our lives--stories that touch our hearts, renew our spirit, and show us how God created these beasts for unique purposes. A funny little dog named Prince earns his title by protecting the children of the house. A dickens of a cat gives a cancer survivor something else to think about. A lively litter of puppies soothes a troubled child. A scrawny kitten helps an anorexic girl begin to eat. Well-known authors, including Melody Carlson, Tracie Peterson, and Robert Benson, as well as new voices share their inspirational true stories of these otherwise ordinary cats and dogs whose presence in the lives of humans make them remarkable. Each book also includes interesting sidebars, memorable quotes, helpful hints for living with dogs and cats, and forewords by H. Norman Wright. The stories are warm, captivating, and ideal for a good curl-up-and-read or for a gift to any pet lover. Cat lovers, dog lovers, and anyone who likes to read uplifting stories will cherish these books.
