*The Rare, Tiny Flower* Kitty O'Meara,2022-03-22 The Rare, Tiny Flower illustrates a deeply touching and thoughtful poem by Kitty O'Meara that, in the form of a parable, celebrates difference, tolerance, and unity. Written by O'Meara in Fall 2020, The Rare, Tiny Flower is in many ways thematically similar to And the People Stayed Home in that it is a commentary on difficult current situations in our world and offers hope for resolution and growth. The poem features a mysterious flower that looks different to each viewer, which leads to strife as everyone insists that their vision is "right." Leaders and even a botanist are unable to agree on the nature of the flower—it takes a young girl to point out that the flower is, in fact, quite multidimensional. Remarkably, she has the ability to be heard by the squabbling masses, who then see beyond their fighting and commit to connecting with one another. O'Meara's thoughtful poem includes people realizing and voicing this important lesson: One day, a very special flower blooms in a forest. A special and unusual flower! No one can agree on what color it is. That's because it looks different to different people. And that's when the fighting starts... It takes a young girl to point out the truth. But will the people listen?

What makes Bailey more addictive than catnip? In addition to his adorable expressions and his hilarious, heartfelt antics, Bailey has a penchant for doing things that are characteristically uncatlike--things like taking bubble baths (and enjoying them), sitting attentively in a chair and being read to (for hours), getting a pet-icure, and his unending patience while co-raising his human siblings Abby and Hannah (yes, there is photographic evidence that Bailey helped with potty-training). If you have a cat you know how independent they are. Bailey, No Ordinary Cat celebrates the unique quirky spirit of this unforgettable feline through four-color photographs and captions from the voice of Bailey himself. Cat lovers will be delighted to peek into the life of their favorite celebrity cat with the huge eyes, huge heart, and huge personality--and an ever-growing following.

*The Modern Yogi's Guide To Self-Exploration: A Creative Journey Through The 7 Chakra System* Ely Bakouche,2021-05-01 This book is a collection of reflections, prompts, tools, and practical exercises to support your self-discovery, mental, emotional, physical well-being and healing in a sustainable way. What You'll Find Inside: ✓ An introduction to the myths in our modern understanding of the chakra system and alternative ways of thinking ✓ 7 chapters based on the ancient wisdom of the chakras to anchor your reflections and healing in various topics like emotional awareness, confidence, or belonging ✓ Everyday challenges & exercises to widen your understanding of your yoga practice and integrate seamlessly into your daily life ✓ Illustrations by artist Katya Uspenkaya Author's Note From a very early age, I've felt like the world was spinning too fast. I was always playing catchup and going against my inner, natural pace. Yoga for me became a way to connect with my intuitive rhythm. It has taught me again and again about what it means to simply be, with myself and with the world around me. After a while, I started wondering if I could stay as present in everyday challenges and happenings as I was when I was moving and breathing in my asana practice. I'd started on a yoga mat but my practice never felt quite powerful enough to infiltrate all areas of my life. Why was it so difficult to say no to things I didn't want to do when I'd been learning about that in my physical practice? Why would I not let myself "flow" in my creative projects as much as my breath during meditation? This book is part of my journey of discovering how yoga can truly be a practice of every day, every hour, every minute. It is a collection of my attempts at putting together building blocks of awareness, so I always find pockets of connection whether I'm sitting on a loud train, cooking a meal, or deep into my email inbox. I hope you find comfort and ways to cultivate confidence through these pages. May the reflections and practice build the freedom and intuition you need to let the wonderful practice of yoga take the shape it needs to serve you and your communities. With love and curiosity, Ely
