King James Bible Gordon Campbell, 2010-10-28 Oxford is proud to publish a limited edition of the 1611 text of the King James Bible, with real leather binding, gilt edging, ribbon marker, gift presentation plate, and protective cloth slipcase. This is the most authoritative edition of the King James Bible available. The text of the 1611 edition differs

from modern editions of the King James Version in thousands of details, and this edition is the most authentic version of the original text that has ever been published. The volume also reprints the large body of preliminary matter, which includes genealogies, maps, and lists of readings, as well as the translator's preface to the reader. The text features an easy-to-read modern font instead of the black-letter type of the original, with the exception of the original decorative letters and early page ornaments, which have been reproduced. The volume concludes with an essay by Renaissance Studies expert, Gordon Campbell, on the first edition of the King James Bible. This beautiful Anniversary Edition is an elegant keepsake as well as a marvelous gift for anyone interested in the Bible.
