The Exhaustive Concordance of the Bible James Strong,1890

Strong's Complete Word Study Concordance James Strong,Warren Baker,2004

Strong's Concordance has been a basic tool for researching specific words and topics for over 100 years. AMG Publishers began more than 25 years ago to publish word study materials based on Strong's numbering system. Now, AMG Publishers has combined the meat of their word study materials with Strong's Concordance to form Strong's Complete Word Study Concordance: Expanded Edition. AMG's word studies are added right into Strong's dictionaries, giving you extended definitions of key Hebrew and Greek words. These amplified definitions are important advances for students who use Strong's Concordance as a research tool to discover the meanings of Greek and Hebrew words. Book jacket.

Mounce's Complete Expository Dictionary of Old and New Testament Words

William D. Mounce, 2009-12-15 For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words.

William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars

Provides definition, explanation, and concordance entries. Dr. James Strong, formerly professor of exegetical theology at Drew Theological Seminary, spent more than thirty-five years preparing his

Vine, M.A. (1873-1949) was a classical scholar, skilled expositor, and a trustworthy theologian. Recognized internationally for his outstanding Greek scholarship, his Expository Dictionary of New Testament Words, first published in 1939, represents the fruit of his lifetime labors and is an unsurpassed classic in its field.

The Complete Topical Guide to the Bible Martin Hugh Manser, Alister McGrath, J. Packer, Donald Wiseman, 2017-05-02 The Complete Topical Guide to the Bible provides Scripture references, definitions, and cross-references for the study of the Bible by topic.

The topical approach differs significantly from the lexical approach of a concordance, and a topical guide is an essential supplement to a concordance. While a concordance is limited to the connection of biblical passages in which the same word appears, the topical approach identifies and connects all of the underlying concepts related to a topic. A concordance would not yield John 3:16 for a study of grace because the word grace does not appear in the verse, but The Complete Topical Guide to the Bible includes John 3:16 for grace because it's an essential verse on the topic. The topics in this resource include biblical, doctrinal, and historical subjects, and they are organized into nine major categories: God, Jesus Christ, the Holy Spirit, creation, humanity, sin and salvation, God's people, the life of the believer, and the last things. In addition to the great themes of the biblical message, practical issues of Christian living are also included.

The Bible Concordance ,1996-06

God's Wisdom for Daily Living Betty Miller,2008-01-01 This unique work is more than just a daily devotional; it is also a series of mini-teachings on the Word of God in the area of relationships, marriage, child rearing, money management, health issues, and scores of other subjects. (Christian)
