Strong's Complete Word Study Concordance James Strong,Warren Baker,2004

Strong's Concordance has been a basic tool for researching specific words and topics for over 100 years. AMG Publishers began more than 25 years ago to publish word study materials based on Strong's numbering system. Now, AMG Publishers has combined the meat of their word study materials with Strong's Concordance to form Strong's Complete Word Study Concordance: Expanded Edition. AMG's word studies are added right into Strong's dictionaries, giving you extended definitions of key Hebrew and Greek words. These amplified definitions are important advances for students who use Strong's Concordance as a research tool to discover the meanings of Greek and Hebrew words. Book jacket.

Mounce's Complete Expository Dictionary of Old and New Testament Words

William D. Mounce,2009-12-15 For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the

heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars

King James Version History: In 1604, King James I of England authorized that a new translation of the Bible into English be started. It was finished in 1611, just 85 years after the first translation of the New Testament into English appeared (Tyndale, 1526). The 1611 King James Bible is described as one of the most important publications in history. It's flowing language and prose rhythm has had a profound influence on the literature of the past 400 years.. In the last 400 years, the King James version has made a tremendous impact on society, with its inspirational words that have not only encouraged numerous hearts and minds, but has offered hope for eternal life.
