World War II from the Home Front Gale W. Day, 2007-06 World War II was won by brave fighting men in the Pacific, Africa, Europe, on the land, on the seas and in the air. They were able to accomplish those great victories because of the fierce, fighting men and women on the home front who provided the guns, ammunition, tanks, planes, ships, food, medical and all other supplies necessary to keep a fighting force with what they needed to beat the enemy. This is a novel about how some of that could have come about.

Boxing for MMA Mark Hatmaker, 2014-11-01 Although dramatic head kicks and garrote-tight submissions may get most of the airplay in highlight reels, the stats show that punching combinations and knockouts reap more MMA victories than any other fighting technique. This boxing primer not only covers the basics, including stance, footwork, punches, and combinations, it takes these boxing skills and views them through an MMA prism that addresses the realities of the mixed martial arts game. While there are some must-know fistic skills for MMA, there are also more than a few boxing tactics that will get you smashed in MMA. Boxing for MMA builds on the good and tosses the bad, discussing the differences in strategy and tactics when it comes to facing likely MMA scenarios. Matchups covered include Boxing vs. Wrestling, Boxing vs. Jiu-Jitsu, Boxing vs. Muay Thai, Boxing vs. the Slugger, Dirty Boxing Inside the Clinch, and Boxing off of the Fence. All the techniques are illustrated in hundreds of action-sequence images, making this guide the go-to resource for blending boxing skills into your fighting arsenal.

Boxing and Performance Sarah Crews, P. Solomon Lennox, 2020-11-29 Boxing and Performance is the first substantial piece of work to place the lived experience of female and male boxers in dialogue with one another. Crews and Lennox critically reflect on their ethnographic experiences of boxing and their reading of the cultural representations of the sport. They conceive of the project as an extended sparring session. This book offers a unique perspective on boxing in/as performance and boxing in/as culture. It explores how the connections between boxing and performance address ideas about bodies, relationships, intimacy, and combat. It challenges and renegotiates oft-repeated narratives used to make meaning about boxing. This volume examines questions of visibility, voice, and agency and will appeal to scholars and students in the fields of performance and media, and sport and social studies.

Making the Weight Barry J Whyte, 2014-11-29 Barry J Whyte examines the dangers of boxing's 24-hour weigh-in by looking into the far-reaching consequences of a fight between Joey Gamache and Arturo Gatti in February 2000. He shines a light on a controversial system which allows boxers to 'boil down' for the weigh-in the day before the fight then pile the weight back on in the time left before stepping into the ring. He exposes the extreme physiological dangers both boxers are subject to under this flawed system.

The Mind of the Modern Moviemaker Joshua Horowitz, 2006-01-31 A revealing look at the influences and aspirations of today's hottest filmmakers A new era has dawned in Hollywood, with a wave of innovative filmmakers redefining the art of big-screen entertainment for modern audiences. Entertainment journalist Josh Horowitz provides an in-depth look at twenty directors on the leading edge through a series of candid interviews. Horowitz covers a full range of styles and sensibilities—revealing both the points of agreement and the sharp distinctions among this eclectic group: * Kevin Smith's do-it-yourself aesthetics in *Clerks* and *Chasing Amy* * Michel Gondry's surreal dreamscapes in *Eternal Sunshine of the Spotless Mind* * Trey Parker's love of fart jokes in *South Park* * How Jon Favreau's teenage obsession with *Dungeons & Dragons* helped make *Swingers* * Todd Philips' journey from documentary filmmaker to box-office success with *Old School*

The Gloves Robert Anasi, 2002-02-14 An inside look at modern-day amateur boxing describes one journalist's obsessive preparation for the Golden Gloves Tournament at the age of thirty-two.

An Unforgiving Sport Thomas Hauser, 2009-01-01 Collects articles published in Secondsout.com and espn.com from the author that details the inner workings of HBO sports, historical figures, and the biggest fights.

Falling Hard Chris Jones, 2001 In *Falling Hard: A Rookie's Year in Boxing*, Chris Jones recounts his first year at ringside. He gets dressed down by Don King, gambles his way through Vegas, meets the troubled guy who found Evander Holyfield's ear, goes to Muhammad Ali's birthday party, and witnesses

Prince Naseem Hamed explode while Mike Tyson implodes. Like the sport itself, *Falling Hard* is equal measures of victory and defeat — an intoxicating combination that leaves Jones down for the count more than once. Determined to stay objective, he instead becomes addicted to boxing's special brand of pain, and what begins as a simple curiosity soon escalates into an unhealthy obsession. Jones writes with the rhythm of the sport he covers: hard and fast, with the drama of fiction but the truth of journalism. Sometimes humorous, always suspenseful, *Falling Hard* is a travelogue for the fight game, boxing distilled to its essence by sportswriting's newest star.

The Black Lights Thomas Hauser, 1991

A Hard World Thomas Hauser, 2016-09-01 In 2015, Booklist observed, “the arrival of Hauser’s annual boxing review is akin to Christmas morning for fight fans. Nobody knows a sport any better than Hauser knows boxing.” Each year, readers, writers, and critics alike look forward to Thomas Hauser’s annual collection of articles about the contemporary boxing scene. He’s one of the last real champions of boxing and one of the very best who has ever written about the sport. *A Hard World* continues this tradition of excellence with dressing-room reports from big fights like Canelo Alvarez vs. Miguel Cotto, a behind-the-scenes look at Floyd Mayweather vs. Manny Pacquiao, and a foray into the world of mixed martial arts for a compelling portrait of Ronda Rousey. Most importantly, this new collection contains Hauser’s groundbreaking two-part investigative report on the relationship between the United States Anti-Doping Agency and boxing, a report that shook the industry and raised fundamental questions regarding the integrity of USADA’s drug-testing procedures as applied to boxing.

Boxer's Bible of Counterpunching Mark Hatmaker, 2012-10-01 All the tools necessary to build a powerful defensive base for boxing—every defense for every punch from every angle—are included in this manual. Punching prowess has become equated with boxing, but what is done in response to that incoming flurry makes a truly good boxer: how to make an opponent miss, how to easily defend, and, most importantly, how to counterattack. Building on that defensive base, this book explores natural punching triggers, or logical counterpunching sequences, that move past the beginner’s realm of being a mere puncher into the upper echelons of crafty counter boxing. With encyclopedic boxing defensive drills bolstered by numerous illustrative photographs, this is a one-stop resource for learning the art of counterpunching.

So You Want to Be a Fighter Chris Algieri, 2022-06-21 “I hated every minute of training, but I said: ‘Don’t quit. Suffer now and live the rest of your life as a champion.’” – Muhammad Ali Behind every goal accomplished is a journey filled with confidence, success, and admiration but also challenges, disappointments, and moments of despair. But even when there are hardships, unseen struggles, dark times of indecision, injuries, and financial problems, there are also moments of motivation, self-awareness, and coping strategies to help you push through the negative to reach the positive. Everyone has a story of success. Everyone has a story of failure or missed opportunities. *So You Want to Be a Fighter?* collects these kinds of stories in one place—told by well-known (and not-so-well-known) trainers, boxers, and MMA fighters, including Chris Algieri, former junior welterweight boxing champion and undefeated kickboxer. You’ll hear about accomplishments, mishaps, tears of joy and pain, moments of utter frustration but also jubilation, and stories about what might have been if things had gone a little bit differently. If you’ve ever wondered what boxers and MMA fighters endure behind the scenes—maybe you yearn to join them?—this is the book that will bring you all the different aspects to competing in a fight sport.
