Government Finance Statistics Yearbook, 2010 International Monetary Fund. Statistics Dept.,2011-03-11 Detailed annual data for Fund member governments are supplied on revenue income by source (tax, lending, bonds, etc.), and expenditure by sector (defense, education, health, etc.) for all levels of government (national, state, local). Topics covered include deficit/surplus or total financing, revenues or grants, expenditures, lending minus repayments, domestic financing, foreign financing, domestic debt or total debt, and foreign debt. The Yearbook provides data on budgetary operations, extra-budgetary operations, social security, and consolidated financial operations of central governments. A section of the Government Finance Statistics Yearbook is devoted to a cross-country comparison of data.

Government Finance Statistics Yearbook, 2011 International Monetary Fund. Statistics Dept.,2012-03-13 The IMF Government Finance Statistics contains statistical data on government financial operations for 156 countries. Where reported, the database contains time series from 1990 onwards using the Government

Finance Statistics Manual 2001 (GFSM 2001) framework. The statistics, issued quarterly, are updated as new data are received and time series become available. These time series present combined statistics on revenue, expense, transactions in non-financial assets, and financial assets and liabilities, as well as on stocks of assets and liabilities of general government and its subsectors.

Government Finance Statistics Yearbook, 2009 International Monetary Fund. Statistics Dept.,2010-04-15 Detailed annual data for Fund member governments are supplied on revenue income by source (tax, lending, bonds, etc.), and expenditure by sector (defense, education, health, etc.) for all levels of government (national, state, local). Topics covered include deficit/surplus or total financing, revenues or grants, expenditures, lending minus repayments, domestic financing, foreign financing, domestic debt or total debt, and foreign debt. The Yearbook provides data on budgetary operations, extra-budgetary operations, social security, and consolidated financial operations of central governments. A section of the Government Finance Statistics Yearbook is devoted to a cross-country comparison of data.

Dictionary of Natural Products, Supplement 1 John

Buckingham,2020-11-25 This Dictionary draws and checks the structure diagrams to ensure their accuracy and consistency, and presents the data within entries of natural products in a logical manner which reconciles as far as possible inconsistencies and inaccuracies in the literature.

The Dark Omen Alex Kane,2005-03 Eleven-year-old Brody Miller is sent to his wealthy grandmother's after a terrible family tragedy, and finds himself in the middle of a living nightmare. It starts with footsteps and whispers outside his bedroom at night, and unearthly sounds that send chills up his spine. This leads him to uncover a dark family secret and a hidden room that brings him face to face with an actual ghost! The ghost has a disturbing message, one that sends Brody on a quest to find out all there is to know about the old Dumbermere castle and its inhabitants...both living and deceased.
