Identity Play; or Who You Are If You Think You Are Jon Jory,Jason Pizzarello,2018-01-01 A series of comedic and dramatic vignettes exploring who we are and who we want to be. With endless choices and expectations, do our actions define us or do our intentions? What about our words? What about the way we dress, the friends we keep, or how we act online? Is who we think we are different than how other people see us? In such a complex, face-paced world, it's vital to slow-down, reflect...and laugh. Drama (with comedy) One-act. 35-40 minutes 10-40 actors, gender flexible

A Guidebook to Plant Screening ,2005

Elegy for a Lady Arthur Miller,1982 THE STORY: A Man enters a small boutique, hoping to find a suitable gift for his young mistress, who is facing a grave operation. Unaccountably he quickly finds himself confiding in the Proprietress, speaking without hesitation of the pain he feels at having his telephone calls to his loved one unreturned, of his fear that her condition may be fatal. The Proprietress consoles him, suggesting that perhaps she wants to spare him, that she needs to face her ordeal alone and without added burden that his involvement would impose. As they speak specters of other deep-seated concerns arise: the difference in age between the Man and his mistress; his unfulfilling marriage; the emptiness of material success without love to enrich it; the void that might have been filled had there been the possibility of children; the frustration of being unable to make a true and total commitment to another person. It is almost as though the Proprietress might be-or has become-the absent mistress. As the play ends the Man and the Proprietress embrace, two strangers grateful for the small miracle which, if only for a brief moment, has let them share closeness always hoped for but seldom achieved.

My Deah John Epperson,2007 In this outlandish re-working of Euripides' Medea, Gator Hedgepeth, a former Mississippi football star, plans to abandon his wife My Deah & an ex-beauty queen from Louisiana & and marry Simplicity Bullard, the daughter of the corrupt Mississippi governor. My Deah's bridge-playing buddies show up to play their weekly card game. Instead they get the domestic scoop from the touchy housekeeper Lillie V., and the physical education tutor of My Deah's sons, closeted homosexual Coach McCallister. My Deah confronts her card-dealing friends as well as the Governor, and she lays her bloody plans. Her vengefulness leads to the murders of trashy Simplicity and her father, and ultimately to the deaths of her own senseless sons, Skipper and Scooter. Deus ex machina, faux-Greekstyle, enables My Deah to attempt getaway to anonymity in wild, inebriated, immediately pre- Hurricane Katrina New Orleans. She hits the road, leaving Gator behind to live with the tragedy wrought by MY DEAH.

Danger, Memory! Arthur Miller,1987 THE STORIES: The first play, I CAN'T REMEMBER ANYTHING, is a gentle, poignant study of two old friends, an elderly man and woman, who live in nearby houses and often take their meals together. She is a wealthy widow whose life seems to have come to a stop

Some Kind of Love Story Arthur Miller,1983 THE STORY: Angela, a hard-bitten call-girl, is visited by Tom, a private detective of long acquaintance, who is convinced that she can supply information about a murder case which, some years earlier, resulted in a miscarriage of justice. As Tom plays on their former closeness, trying to draw out the facts he seeks, Angela withdraws behind a schizophrenic screen of multiple personalities ranging from a brazen creature named Leontyne, to a shrinking violet called Emily, to a haughty English-woman named Renata. Doggedly persistent, Tom does, in the end, break through the fears which have driven Angela to hide the truth within herself. With chilling intensity she pours through a tale of duplicity and corruption and recounts how an innocent man ended up paying for the crimes of others. As the play ends Tom offers to drive Angela to her next assignation-relieved that his quest has ended but, at the same time, disturbed by the knowledge that his worst fears have been borne out.

Meg's New Friend Blair Singer,2010 THE STORY: Meg, a local New York television features reporter, realizes that, in the age of Obama, she doesn't have one African-American friend. When she meets her best friend's new beau, a sexy African-American yoga teacher, Meg thinks she's found

Think Unbroken Michael Anthony,2020 The impact of childhood trauma and abuse can forever alter the course of history. Throughout generations, countless children have been hurt by those that are meant to care for them. Yet, in society once those children turn to adults the impacts of child abuse are often discounted and spoken to with the frame of 'that was years ago or it's time to get over it. The reality is that we are at the core a collection of all of our experiences leading up to this very moment. If the childhood trauma survivor's foundation is built atop a volcano, then sooner or later it will be engulfed. Childhood trauma and abuse is the elephant in the room of societies mental health epidemic, and most people don't know how to understand the role that trauma has played in their life.When I sat down to craft the baseline of The Think Unbroken book, I did so intending to create something that would be a testimony to the undeniable will of the human mindset. For generations, the world has been plagued by the ramifications of the effects of Child Trauma, and like millions of childhood trauma survivors, I was stuck in The Vortex. My life in a word was a disaster. I was an addict of undeniable proportions, I was morbidly obese and suffocating under the weight of my past. Think Unbroken is not only a guide to helping other Trauma Survivors find their way out of The Vortex, but it is also the cornerstone to how I changed my life. I am, in essence, a product of my product, and I believe that Think Unbroken is the key to taking the first steps in overcoming the effects of childhood trauma.This book will expose you to possibility through mindset, palatable understandings of self, and a step by step guide to discovering out how to place the first piece of the puzzle on the table. What you will find in Think Unbroken is not just my story, but a reflection of the possibilities that can become a reality when you understand that Mindset is Everything. Childhood trauma took everything from me, but I took everything back, and so can you.THOUGH TRAUMA MAY BE OUR FOUNDATION IT IS NOT OUR FUTURE.

If the Raindrops United Judah Friedlander,2015-10-20 A book of hilarious and ingenious comic drawings from the popular 30 Rock star and World Champion comedian Judah Friedlander, hailed by Tina Fey as one of the all-time great weirdos. Most Americans know Judah Friedlander from his role as Frank Rossitano on 30 Rock and from appearances in films like American Splendor and The Wrestler. But long before he became a film and TV star and stand-up comic Friedlander drew stuff. Now, in this quirky, hilarious, and surprisingly profound collection of drawings, Friedlander shows a new side to his terrifically entertaining (New York Times) comedy. Whether imagining George Washington in Las Vegas, plastic surgery for imperfect triangles, and the Keystone Pipeline as a sex act, Friedlander's Joodles push boundaries as they explore the absurdities of American life, sex, and even history and human rights. If the Raindrops United is a milestone in the career of one of America's most inventive comedians. Praise for If the Raindrops United: Judah has drawn a weird and funny book in the grand '70s tradition of B. Kliban! I think this book will probably fix the world. --Tina Fey Some people meditate. Some people masturbate. But if you don't have the time or patience for either of those, I recommend reading If the Raindrops United to calm down, have a little laugh, or a big think. --Susan Sarandon I've known Judah for many years and I still don't understand how his mind works, but it sure works. Seriously strange. Seriously funny. A National Treasure. Sadly, I need to get a restraining order against him. --Paul Giamatti Judah thank you for writing a funny twisted book. It is such an easy read. Even dum dums like me can enjoy it!!! Buy this book. --Dave Attell Judah's drawings are deceptively simple, yet they become more compelling with every page. His talent as an actor/writer/comedian is further conveyed in ANOTHER medium. He's a Quadruple Threat. He wears many hats. Literally. --Janeane Garofalo Reading Judah Friedlander's new book is a lot like hanging out with Judah himself: occasionally baffling, frequently thought-provoking, but, most of all, consistently hilarious! --Mick Foley To compare Judah Friedlander to a great cartoonist like Jim Davis would be a compliment to Jim Davis. --Wyatt Cenac Another hit from The World Champ tackling the signs and symbols you frequently question while dropping hot lava in your American Standard VorMax. --Eddie Huang

It's a place where underground clown crime syndicates battle for top billing, and a gunshot ends in a bleeding stream of confetti. The rules are strict, the jokes are dark, and the best way to serve a cocktail is to make it funny. It's a year later and the Clown Bar is in disrepair. Happy has gone missing. Has he been offed by clown cowboy Brigham Bill or was it an inside job? Two cops who knew Happy when he was on the force go undercover as clowns in the Clown Bar to find out what happened. Knowledge of the preceding show is not required to enjoy this sequel. In the words of the playwright, look, if you didn't see/read the original Clown Bar, that's fine. You'll still understand the play.
