Don't Hassel the Hoff David Hasselhoff,Peter Thompson,2007-05-15 The Los Angeles Times called him a counterculture icon, and TV Guide dubbed him one of TVUs Ten Most Powerful Stars, but true aficionados simply call him The Hoff. As this fascinating memoir reveals, there's more to this handsome superstar than great hair, and legs that look good while running down a beach.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was

an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Katherine Dunham Joanna Dee Das, 2017-05-23 One of the most important dance artists of the twentieth century, dancer and choreographer Katherine Dunham (1909-2006) created works that thrilled audiences the world over. As an African American woman, she broke barriers of race and gender, most notably as the founder of an important dance company that toured the United

States, Latin America, Europe, Asia, and Australia for several decades. Through both her company and her schools, she influenced generations of performers for years to come, from Alvin Ailey to Marlon Brando to Eartha Kitt. Dunham was also one of the first choreographers to conduct anthropological research about dance and translate her findings for the theatrical stage. Katherine Dunham: Dance and the African Diaspora makes the argument that Dunham was more than a dancer-she was an intellectual and activist committed to using dance to fight for racial justice. Dunham saw dance as a tool of liberation, as a way for people of African descent to reclaim their history and forge a new future. She put her theories into motion not only through performance, but also through education, scholarship, travel, and choices about her own life. Author Joanna Dee Das examines how Dunham struggled to balance artistic dreams, personal desires, economic needs, and political commitments in the face of racism and sexism. The book analyzes Dunham's multiple spheres of engagement, assessing her dance performances as a form of black feminist protest while also presenting new material about her schools in New York and East St. Louis, her work in Haiti, and her network of interlocutors that included figures as diverse as ballet choreographer George Balanchine and Senegalese president Léopold Sédar Senghor. It traces Dunham's influence over the course of several decades from the New Negro Movement of the 1920s to the Black Power Movement of the late 1960s and beyond. By drawing on a vast, never-utilized trove

of archival materials along with oral histories, choreographic analysis, and embodied research, Katherine Dunham: Dance and the African Diaspora offers new insight about how this remarkable woman built political solidarity through the arts.
