

Knockout

Mia Kang

Knockout K.A. Holt, 2018-03-06 Levi just wants to be treated like a typical kid. As a baby, he had a serious disease that caused him respiratory issues. He's fine now, but his mom and overprotective brother still think of him as damaged, and his schoolmates see him as the same class clown he's always been. He feels stuck. So when his dad—divorced from his mom—suggests he take up boxing, he falls in love with the sport. And when he finds out about a school with a killer boxing team and a free-study curriculum, it feels like he's found a ticket to a new Levi. But how can he tell his mom about boxing? And how can he convince his family to set him free?

Knockout Mia Kang, 2020-10-20 An intimate and unflinching memoir exploring Mia Kang's journey from self-loathing to self-love Mia Kang is many things: a sought-after model, an immigrant, an eating disorder survivor, and a Muay Thai fighter. Her first book, *Knockout*, is the story of how she eschewed normative body standards and learned to use martial arts to redefine her sense of self-worth. In a charming, fierce, and intimate voice, Kang invites readers into her world. She once lived and died by her weight, but she is now defined by her confidence in being a woman who lives outside the mold of what we're taught is "feminine." After dealing with bullying, addiction, body dysmorphia, anxiety, depression, and even suicidal thoughts, Mia acknowledges that she is lucky to still be alive to tell readers what she's learned: to not let anyone else dictate who you are supposed to be.

The Knockout Sajni Patel, 2021-01-26 Kareena Thakkar's world is turned upside down when she learns she's landed an invitation to the US Open, which could lead to a spot on the first-ever Muay Thai Olympics team. To make it to the US Open, she has to come clean about being a Muay Thai fighter—a sport that her traditional Indian community deems too violent for girls—and own her destiny.

Knockout Games G. Neri, 2014-08-01 For Calvin Barnes, the only thing that comes close to the rush of playing the knockout game is watching videos of the knockout game. Calvin's crew always takes videos of their KOs, but Calvin wants more—something better. He thinks if someone could really see the game for what it was, could appreciate it, could capture the essence of it—that would be a video for all time. The world would have to notice. That's where Erica comes in. She's new in town. Awkward. Shy. White. But she's got a good camera and a filmmaker's eye. She could learn. Calvin could open her eyes to the power he sees in the knockout game; he could make her see things his way. But first she'll have to close her eyes to everything else. For a while, Calvin's knockouts are strangers. For a while, Erica can ignore their suffering in the rush of creativity and Calvin's attention.

Then comes the KO that forces her eyes open, that makes her see what's really happening. No one wins the knockout game. Coretta Scott King Award honoree G. Neri captures the notorious and terrifying knockout game and its players in an unflinching novel that's hard to read and impossible to put down.

House Arrest K. A. Holt, 2015-10-06 “Moving . . . Readers will nod their heads in sympathy with this guy who breaks the rules for all of the right reasons.” —The Bulletin of the Center for Children’s Books A Bank Street College of Education Best Book of the Year Indiana Too Good to Miss State Reading List 2018 Timothy is on probation. It’s a strange word—something that happens to other kids, to delinquents, not to kids like him. And yet, he is under house arrest for the next year. He must check in weekly with a probation officer and a therapist, and keep a journal for an entire year. And mostly, he has to stay out of trouble. But when he must take drastic measures to help his struggling family, staying out of trouble proves more difficult than Timothy ever thought it would be. By turns touching and funny, and always original, *House Arrest* is a middle grade novel in verse about one boy’s path to redemption as he navigates life with a sick brother, a grieving mother, and one tough probation officer. “This gripping novel in verse evokes a wide variety of emotional responses, as it is serious and funny, thrilling and touching, sweet and snarky.” —School Library Journal “Touches of humor lighten the mood, and Holt’s firsthand knowledge of the subject adds depth to this poignant drama without overwhelming it.” —Publishers Weekly “Readers . . . will appreciate Holt’s lessons of compassion and family above all.” —Booklist “House Arrest will hit home with young boys and girls, especially if they have ever dealt with an ill relative. The story is touching, warm, and impressive.” —Kid Lit Reviews

Knockout Leger Grindon, 2011-05-10 *Knockout: The Boxer and Boxing in American Cinema* is the first book-length study of the Hollywood boxing film, a popular movie entertainment since the 1930s, that includes such classics as *Million Dollar Baby*, *Rocky*, and *Raging Bull*. The boxer stands alongside the cowboy, the gangster, and the detective as a character that shaped America's ideas of manhood. Leger Grindon relates the Hollywood boxing film to the literature of Jack London, Ernest Hemingway, and Clifford Odets; the influence of ring champions, particularly Joe Louis and Muhammad Ali; and controversies surrounding masculinity, race, and sports. *Knockout* breaks new ground in film genre study by focusing on the fundamental dramatic conflicts uniting both documentary and fictional films with compelling social concerns. The boxing film portrays more than the rise and fall of a champion; it exposes the body in order to reveal the spirit. Not simply a brute, the screen boxer dramatizes conflicts and aspirations central to an American audience's experience. This book features chapters on the

conventions of the boxing film, the history of the genre and its relationship to famous ring champions, and self-contained treatments of thirty-two individual films including a chapter devoted to Raging Bull.

She's a Knockout! L. A. Jennings, 2014-10-23 Women's fighting sports have a rich and storied history. As far back as the eighteenth century, female fighters battled at varying levels, from county fairs to elite events. With new opportunities to compete in legitimate arenas—from the Olympics and the Golden Gloves to wrestling tournaments and Ultimate Fighting Championships—women are now able to fight in ways their predecessors never could. And though women today still often face the same derision their predecessors faced, their fortitude and determination has earned them respect from much of the fighting community. In *She's a Knockout!: A History of Women in Fighting Sports*, L.A. Jennings chronicles the stories of these strong and resilient women—including wrestlers, mixed martial arts competitors, and boxers—and the different issues they have encountered. Throughout the narrative, Jennings situates the stories of the female fighters in the culture of their time, revealing how women were often seen as objects of spectacle and ridicule before finally garnering admiration in the fighting world. The women featured in this book include England's "Championess" Elizabeth Stokes of the 1720s, American wrestler Cora Livingstone in the 1930s, and early MMA great Debi Purcell in the 2000s. Featuring historical and contemporary photographs and exclusive interviews with professional fighters, this book delivers an in-depth look into the struggles and triumphs of female fighters. Fans of fighting sports, sports historians, and those interested in the history of women in sports will find this a fascinating and illuminating read.

Knockout Suzanne Somers, 2010-10-05 In *Knockout*, Suzanne Somers interviews doctors who are successfully using the most innovative cancer treatments—treatments that build up the body rather than tear it down. Somers herself has stared cancer in the face, and a decade later she has conquered her fear and has emerged confident with the path she's chosen. Now she shares her personal choices and outlines an array of options from doctors across the country: EFFECTIVE ALTERNATIVE TREATMENTS •without chemotherapy •without radiation •sometimes, even without surgery INTEGRATIVE PROTOCOLS •combining standard treatments with therapies that build up the immune system METHODS FOR MANAGING CANCER •outlining ways to truly live with the disease Since prevention is the best course, Somers' experts provide nutrition, lifestyle, and dietary supplementation options to help protect you from getting the disease in the first place. Whichever path you choose, *Knockout* is a must-have resource to navigate the life-and-death world of cancer and increase your odds of survival. After reading stunning testimonials from inspirational survivors using

alternative treatments, you'll be left with a feeling of empowerment and something every person who is touched by this disease needs...HOPE.

The Knockout Artist Harry Crews,1989

Knockout Louis La Russo,1980 This literally sock it to you drama is by the author of the Broadway success *Lamppost Reunion*. This time, Mr. La Russo takes us into the world of small time boxing. The story revolves around an aging, but kindly, former champion named Damie Ruffino and a sadistic young champion, Klonski and the woman they fight over. The climax of this down to earth drama is an honest to goodness boxing match between Damie and the upstart young champ.

KnockOut Catherine Coulter,2010-06-29 After witnessing her relatives burying a pile of dead bodies in the middle of the night, a seven-year-old uses her telepathic powers to call a man she's seen only on television: FBI Agent Dillon Savich. Now Savich and his wife and partner, Agent Lacey Sherlock, face their most elusive foes to keep the child out of harm's way-before it's too late.

Knockout Presentations Diane DiResta,2018-06-19 Called the Bible of Public speaking, *Knockout Presentations* is a “seminar in a book” that reduces fear and gives speakers the steps to craft and deliver a talk that will make them a knockout on the platform! It’s the next best thing to having Diane DiResta there to teach in person. DiResta provides all the fundamentals without the fluff. Speakers learn what confidence looks like, sounds like, and how to speak the language of confidence, reduce preparation time, craft a compelling talk, size up an audience, overcome fear, and master questions and answers. The Dos and Don’ts at the end of each chapter help speakers review and remember the principles even after putting them into practice. Speaking is the new competitive advantage and *Knockout Presentations* gives speakers tools and techniques, templates, and resources to improve their skills.

The Knockout Queen Rufi Thorpe,2021-03-02 A Finalist for the PEN/Faulkner Award for Fiction An InStyle Best Book of the Year A Refinery29 Best Book of the Year By the end of high school, Bunny Lampert is 6’3 with the abs of a ninja turtle and the face of a boy angel. Her dad has chaotic salesman energy and her mom is dead. But from the outside, Bunny seems to have it all—she’s blonde, rich, and an Olympic volleyball hopeful. Michael— who has a ponytail and a septum piercing, works at Rite-Aid, and has a secret Grindr—lives with his aunt in the cramped cottage next door to Bunny’s McMansion. When Bunny catches Michael smoking in her yard, he discovers that her life is not as perfect as it seems. Their friendship is as improbable as it is irresistible, but when Michael falls in love for the first time, a vicious strain of gossip circulates and a terrible, brutal act becomes the

defining feature of both his and Bunny's futures□□. A beautiful and darkly comic book about doing things you didn't mean to do, wanting things you wish you didn't want, and loving people you can't afford to love.

Knockout J.C. Valentine,2014-02-23 From the wrong side of the tracks... Alyson Blake had learned early on that the only one she could depend on was herself. The only light in her life was a boy whom everyone agreed was destined for prison; but with his first kiss, he had set her soul on fire. Since the day the police dragged him away in handcuffs, she had managed to lead a quiet life, but when she attends an event fraught with mayhem, trouble resurfaces. The one person she can't forget... Jamison Weston is the kind of guy dads load their shotguns for; endowed with a hot temper and a rap sheet as long as both tattooed arms. Known as "The Judge," Jami's hot temper, lethal fists, and cocky attitude have earned him respect and admiration both in and out of the ring. But just when he thinks he's pummeled his past to death, Alyson Blake reenters his life. Two paths collide... After years of separation, Alyson is eager to reexplore the man who's never left her thoughts, but for Jamison, she's both the distraction he wants, but doesn't need. As the two embark on a relationship that neither of them expected or bargained for, an outside threat closes in. When Alyson crosses the line of professionalism and takes her work home with her, her life is put in danger, leaving Jamison with no choice but to once again step in and become her protector. **Book One in a two part story.**

Knockout Erica Orloff,2004 Knockout by Erica Orloff released on Oct 25, 2004 is available now for purchase.

Knockout Ken Regan,2030-12-31 Chronicling the legacy of boxing's biggest names—including the great Muhammad Ali—and their impact on "the sweet science," Knockout: The Art of Boxing pays tribute to Ken Regan's incomparable photography and coverage of the sport. Ken Regan was a young photographer in 1964 when he covered Muhammad Ali's first fight: his historic victory over Sonny Liston in Miami Beach. Afterward, the young photographer embarked on a lifelong love affair with the sport of boxing. For the next four decades, Regan chronicled the greatest fights and the greatest fighters of the age. His extraordinary photographs include many of the most enduring images ever created in the history of boxing, as well as portraits of notable trainers, managers, promoters, writers, and the whole panoply of celebrities associated with the sport. Featuring some of the greatest ring action in boxing history, Knockout takes us from sparring sessions and press conferences to weigh-ins and post-fight sessions. Knockout also features Regan's compelling stories and firsthand account of his amazing photographic journey into the heart of boxing. Beginning with his early magazine work

shooting prizefights, and throughout the following decades, Regan developed close personal friendships with some of the world's greatest boxers. Regan captures intimate moments showing fighters with their families at home and on the road. With black-and-white and color photography that captures the art of boxing in its purest form, Knockout is one of the most celebrated books ever published on the sport, and a fitting tribute to The Greatest boxer of all time, Muhammad Ali. Foreword by Muhammad Ali, introduction by Liam Neeson, commentary by Norman Mailer, and afterword by Budd Schulberg.

Getting Started with Knockout.js for .NET Developers Andrey Akinshin, 2015-05-27 This book is intended for .NET developers who want to use the MVVM design pattern to create powerful client-side JavaScript linked to server-side C# logic. Basic experience with ASP.NET, Razor, and creating web applications is needed.

Total Knockout Fitness Martin McKenzie, Stefanie Kirchner, 2014-01-28 Total Knockout Fitness incorporates a blend of boxing, cardio, and cross-training to produce the ultimate total-body workout. Featuring full-color photos, step-by-step descriptions of exercises and fundamental boxing skills, and a DVD depicting workouts, variations, and training tips, this special package contains everything you need in order to burn calories, increase power and strength, sculpt muscles, and transform your body.

The Vegas Knockout Tom Schreck, 2022-09-19 Duffy Dombrowski just accepted a dream job: chief sparring partner for Russian heavyweight contender Boris Rusakov in Vegas. His obstinate basset hound, Al, and a few friends join Duffy for the ride—but before Duffy knows it, his trip turns into a nightmare. Someone's killing local Mexican workers, friends and relatives of Duffy's gym buddies. And to make matters worse, Duffy's got Boris's Russian mobster pals chasing him with murder on their minds. Praise for the Duffy Dombrowski Mysteries: "The Vegas Knockout is a funny book, full of engaging characters that cover the spectrum of human likeability. What makes it more than a piece of fluff is how Schreck uses Duffy's love of boxing to stand in for any devotion truly held. Duffy's success is in his journey, just as the greatest fun in *The Vegas Knockout* is in the reading." —Dana King, author of the Penns River Crime Novels "Out Cold floored me with a quick one two of the serious and seriously funny. Schreck's unique blending of the absurd and the sublime along with his rather oddball cast of characters makes *Out Cold* a great read." —Reed Farrel Coleman, two-time Shamus Award winning author of *Empty Ever After* "Out Cold is a fast, funny, rip-roaring read, and Schreck's wit and humor shines through on every page. But what I love most about Schreck's creation, Duffy Dombrowski, is the decency and dignity with which he treats the unforgettable cast of loonies, addicts,

and criminals who parade through his office. I haven't cared this much about a protagonist in a good long while. Duffy is real hero and a true original.” —Blake Crouch, author of Abandon “Fresh, intense and funny, Schreck’s second mystery to feature unrepentant Elvis fan and dog lover Duffy Dombrowski packs a knockout punch.” —Publishers Weekly, for TKO “Refreshingly iconoclastic.” —Kirkus Reviews, for TKO “TKO is fast-paced, authentic, and funny as hell. Social worker and journeyman boxer Duffy Dombrowski is a workingman’s hero, and I want him in my corner!” —Sean Chercover, author of Trinity Game “Not since Carl Hiassen’s Tourist Season debut has there been a novel with such superb comic timing and laugh-out-loud lines.” —Ken Bruen, Shamus Award-winning author of The Guards, for On the Ropes “An Everyman with a big heart and a wicked jab, Duffy Dombrowski may well be the new Spenser. I can’t wait for Round Two.” —Marcus Sakey, author of The Blade Itself, for On the Ropes “On the Ropes is sly, funny, irreverent, and one hell of a good time. Read it or be sorry you didn’t. It’s just that simple.” —Laurien Berenson, author of Hounded to Death “It’ll put you down for the count with laughter. Tom Schreck is a contender for funniest author working in the crime genre today.” —William Kent Krueger, author of Thunder Bay, for On the Ropes

KnockOut Catherine Coulter,2010-06-29 After witnessing her relatives burying a pile of dead bodies in the middle of the night, a seven-year-old uses her telepathic powers to call a man she's seen only on television: FBI Agent Dillon Savich. Now Savich and his wife and partner, Agent Lacey Sherlock, face their most elusive foes to keep the child out of harm's way-before it's too late.
